Efforts to provide vaccinations to school communities	Yes	EAGLE College Prep has and will continue to share information with school staff and the community about available vaccination locations and information.
Appropriate accommodations for children with disabilities with respect to health and safety policies	Yes	EAGLE College Prep’s policy clearly states accommodations made for students with a disability in respect to their health and safety.
Coordination with State and local health officials	Yes	EAGLE College Prep’s policy outlines the coordination efforts with state and local health officials. Information from state and local health authorities is also disseminated to school leaders and staff through the Director of Federal and State grants as applicable.

Safe Return to In-Person Instruction and Continuity of Services Plan (ARP Act)

How the LEA will ensure **continuity of services**, including but not limited to services to address **students' academic needs and students' and staff social, emotional, mental health, and other needs**, which may include **student health and food services**

How the LEA will Ensure Continuity of Services?

EAGLE College Prep will ensure Continuity of Services by providing In-Person Classroom Instruction. Classes will take place on campus and will incorporate health, safety and social distancing protocols, where feasible. The school will follow their comprehensive health and safety plans based on the most updated guidance available. For students in quarantine, an asynchronous option is provided through Google Classrooms to ensure continuity of services. This is currently available based on state approved guidelines for virtual attendance and will continue to be monitored and updated according to state policies.

Students' Needs:

<p>Academic Needs</p>	<p>EAGLE College Prep will continue to provide rigorous, data-driven instruction aligned to the Arizona State Standards. Continued assessment throughout the year to monitor classroom instruction and student growth include:</p> <p>NWEA Map – testing 3 times annually to measure student growth ATI Galileo – testing twice a year to review grade level standards FastBridge (K-3) – Reading assessment and Dyslexia screener conducted 3 times annually Formative assessment including module reviews and exit tickets.</p> <p>Data is reviewed weekly with teachers during data meetings to ensure intervention plans are created as needed. Quarterly planning days to review data and create intervention plans are conducted with all staff.</p> <p>Walk through's, weekly planning sessions, and formal evaluations are conducted to ensure instructional supports are provided in all classrooms.</p> <p>Child Study Teams (CST) meetings are conducted for students with academic and/or behavioral concerns and an individualized plan is created for that student to ensure success.</p> <p>Tutoring available before and/or after school with a one to one tutoring program.</p> <p>Additional ESS and EL supports provided for students and staff. Additional training for staff in differentiated instruction and foundational reading strategies.</p>
<p>Social, Emotional and Mental Health Needs</p>	<p>EAGLE College Prep is committed to addressing the social emotional and mental health needs of our community through a variety of programs and strategies including:</p> <ul style="list-style-type: none"> • Full implementation of the Character Formation Project – a character-based program aligned to our 7 school virtues and integrated into all aspects of the school day. • Counselors available to students and families. • SEL training for staff aligned to the needs of students and families. • Child Study Team (CST) process to identify students in need of supports and create individualized plans of support.

Safe Return to In-Person Instruction and Continuity of Services Plan (ARP Act)

Other Needs (which may include student health and food services)	EAGLE College Prep continues to participate in the free breakfast and lunch program through the NSLP. Wellness coordinators provide assistance with students health check, immunizations records, quarantine, and additional health and COVID related health supports for students and families.
Staff Needs:	
Social, Emotional and Mental Health Needs	EAGLE College Prep is committed to ensuring staff have the resources and support during the COVID pandemic to have a safe and healthy work environment. Guidance and training have been provided around all mitigation policies and procedures. Health resources available through United Health Care available to staff.
Other Needs	N/A

The LEA must **regularly, but no less frequently than every six months** (taking into consideration the timing of significant changes to CDC guidance on reopening schools), **review and, as appropriate, revise its plan** for the safe return to in-person instruction and continuity of services **through September 30, 2023**

Date of Revision	July 5, 2023
Public Input	
Describe the process used to seek public input, and how that input was taken into account in the revision of the plan:	EAGLE College Prep will publicize, in accordance with Open Meeting Law, any board meetings that might address matters within the policies identified on this document. EAGLE College Prep will provide an open time during regularly scheduled board meetings at least once every six months for the public to provide input into the plan. Input will be considered as modifications to the plan are made.
