

Virginia law requires all 7<sup>th</sup> grade students to have a *Tdap (tetanus, diphtheria, and pertussis)* vaccine and a *Meningococcal Conjugate (MenACWY)* vaccine.

The only exceptions to this requirement will be a medical or religious exemption.

***PLEASE NOTE: Your child will not be permitted to enter the 7<sup>th</sup> grade without documentation of these vaccines.***

Required immunizations are provided free of charge at the following locations:

Peninsula Health Center  
416 J. Clyde Morris Boulevard  
Newport News, VA 23601. It is adjacent to the Riverside Regional Medical Center.  
Immunization Services requests that you make an appointment by calling 757-594-7410.

Hampton Health Department  
3130 Victoria Blvd.  
Hampton, VA 23661  
Call 757-727-1172 to make an appointment

---

All medication in the Clinic must be picked up before 4pm on Friday, June 10<sup>th</sup>. Medications that are not picked up will be disposed of at that time. Please note the office will be closed at noon on Thursday, June 9<sup>th</sup>, reopening at 7:45 on Friday.
