First Visit at **Care**^{ATC}

What you need to know.

We're proud to provide you with primary care services, labs and over-the-counter medications at no cost to you!

Here's how to prepare for your first visit to the Southcross Health & Wellness Center.

1 Fill out your New Patient paperwork

Go to www.careatc.com/patients and login, click on "Complete Your Patient Forms" under the menu item "My Care" from the home page.

If you are unable to complete your patient forms online in advance of your appointment, please arrive 15 minutes early to complete your paperwork at the clinic.

2 Bring a Medication list of what you're currently taking or have recently taken.

3 Bring your ID and Insurance Card

Three easy ways to schedule an appointment.

-  Call 800.993.8244 (hablamos español)
-  Visit www.careatc.com/patients
-  Download the CareATC App
