

PHOTOGRAPHING/VIDEOTAPING OF STUDENTS

During the school year numerous activities take place in which students are photographed or videoed for use in various publications including district websites or social media pages, displays in the halls or classrooms, and local media outlets. Additionally, our student teachers are required to video record and/or photograph lessons in the classroom that may involve your child.

If for any reason you do not want photographs, copy, film, interviews, artwork, or audio/video of your child used in the district publications as listed above, please complete this form and return it to your child's school office as soon as possible. If this form is not returned, please look forward to future publications that may feature your child's achievements or participation in school activities. Please note that this form does not exclude the publication of your child's information in the school yearbook. If you wish for your child's information to be excluded from publication in the school yearbook, please contact district administration.

Requests for the current academic year must be made within ten (10) calendar days upon receipt of the handbook. When the completed form is submitted to the principal's office, the information will be distributed to the necessary individuals within the district. You must complete one form per child. THIS FORM APPLIES TO THE 2023-2024 SCHOOL YEAR ONLY. IF YOU WISH TO EXCLUDE YOUR CHILD FROM DISTRICT PUBLICATIONS IN THE FUTURE, THIS FORM WILL NEED TO BE COMPLETED AND RETURNED AT THE BEGINING OF EACH SCHOOL YEAR.

I do not wish to have my child included in photographs or video recordings which will be used for public display.
