WAY ACADEMY OF FLINT NEWSLETTER

BACK TO SCHOOL  
2023-24 School Year

Back to  
School  
Night

We have planned a great night of information for the parents and guardians of our researcher. **Thursday, September 7 from 5:30 to 6:30** we will provide presentations on how to navigate the Centric Learning System. We will have a **2023-24 WELCOME PACKET** for each family and some prize drawings. We look forward to seeing you at the event!

## QUICK NOTES

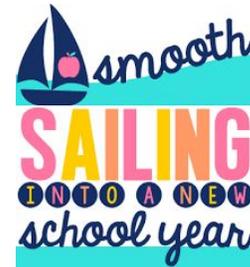

No School  
September 1-4

Parent Night

September 15

## Words from the Director

From Shelly Smith

The 2023-24 school year starts after the Labor Day break. Even though we have been busy with learning the entire month of August; it still feels good to 'start a new school year'! We will have some changes to get used to as the new year begins.

Ms. Siobhan has decided to leave our WAY family and we wish her well as she pursues other challenges. She has been such an asset and leaves behind a rich library for our researchers.

Another change is that there will be no online classes this year. Researchers will still have access to online tutors and online teachers will still be available 24/7, but there will be no scheduled classes.

Please put September 7 on your calendar and plan to come to the Parent Night event where you can talk to teachers and we will talk about how our learning system works.

The 2023-24 school calendar, along with the updated Parent-Student Handbook are posted on our website.

<https://www.wayacademyflint.net/quicklinks-home/calendars>

Printed versions are available upon request.

Current families make the best referrals. We will thank you for your referral with a \$100 Amazon gift card if they stay through October.

If you know someone unhappy with their current school; let them know about our program.

### STILL Enrolling NEW Students

WAY Academy Flint is accepting new students for the 2023-24 school year. New students can start our program in August, but the new school year does not officially begin until September 5.

To enroll a new student, use this link:
