Counseling
Program

Welcome to CLCE! As a school counselor, teacher, and a former Thunderbird student and Thunderbird parent myself, my goal is to help your child have an academically and personally fulfilling experience while attending our school. My hope is that every student, parent, visitor, and staff member is happy that CLCE is their school home and that you feel welcome, wanted, and worthwhile here. My job is to help you in any way I can to make that true, and to help all of our students reach their full potential in all facets of their lives.

Guidance Curriculum

Goal: To help students develop their full educational potential, including the student's interests and career objectives

Curriculum topics include:

Child abuse/family violence/anti-victimization lessons that occur once a year.
Parent/guardian permission is required for your child to attend this lesson, more information will come home two weeks prior to the lesson

Bullying Prevention

(Project BoB 4th Grade Sep 8th, BoB II 5th Grade Sep 7th)

Drug Education/Substance Abuse Awareness and Prevention

(Red Ribbon Week: Oct 23-27)

Career Exploration

(Generation Texas Week: Nov 13-17)

Other guidance curriculum topics (based on campus/classroom/student needs):

Interpersonal Skills (social awareness, relationship skills, Core Values)

Intrapersonal Skills (self-awareness, social emotional learning)

Post—Secondary Education and Career Readiness (responsible decision making)

Personal Health and Safety (self-management)

Responsive Services

Goal: To intervene on behalf of any student whose immediate personal concerns or problems put the student's continued educational, career, personal, or social development at risk

Individual Planning

Goal: To guide a student as the student plans, monitors, and manages the student's own educational, career, personal, and social development

School Counselors are available to assist with a wide range of personal concerns, including such areas as social, family, emotional, mental health, or substance abuse. A student may request to visit the school counselor's office and parents may request resources from a counselor. In order to meet the personal needs of students, school counselors may also offer support groups on a recurring basis. If a parent/guardian does not want their student to participate in a support group, written documentation of denial of services will need to be provided to the school counselor.

System Support

Goal: To support the efforts of teachers, staff, parents, and other members of the community in promoting the educational, career, personal, and social development of students
