Trumbull High School Departmental Structure

Trumbull High School is divided into three houses, designated A, B, C. This house plan provides some advantages of a small school while retaining the benefits of a large school. Each house has its own house principal, school counselors, and support staff. Students are assigned to their respective houses alphabetically.

Those students whose names begin with A-F are assigned to A House; those students whose names begin with G-N are assigned to B House; and those students whose names begin with O-Z are assigned to C House.

Classes meet throughout the building.
