About

Ellie Mental Health is a rapidly growing organization that is dedicated to compassionately transforming the culture of mental health care by providing creative solutions that make wellness accessible in every community. We view inclusivity from a holistic approach that integrates the various identities we hold. **At Ellie, all are welcome and celebrated!**

Our Services Include

- Individual Therapy for All Ages
- Play & Art Therapy
- Family Therapy
- In-Person and Virtual Sessions

The Paradise Valley Unified School District neither endorses nor sponsors the organization or activity represented in this material. The distribution or display of this material is provided as a community service.

Find a therapist you can vibe with!

It's Easy to Get Started

Sometimes picking up the phone is the hardest part, so we do everything we can to make it easy once you do! Our Client Access Specialists listen with patience and compassion to understand your unique circumstances. They'll ask questions about your child, your scheduling preferences, and match them up with the best fit therapist at the first available appointment.
