

Automotive

The Automotive program of study teaches CTE learners how to repair and refinish automobiles and service various types of vehicles. CTE learners may learn to collect payment for services or supplies and perform typical vehicle maintenance procedures such as lubrication, oil changes, installation of antifreeze, or replacement of accessories like wiper blades or tires.

Level 1	N/A
Level 2	N/A
Level 3	7811 Automotive Technology I
Level 4	7812 Automotive Technology II 7890 Practicum in Transportation Systems 7391/L Career Preparation I

Industry-Based Certifications offered in this Program of Study include:

- ASE Entry-Level Automobile Maintenance and Light Repair
- ASE Entry-Level Automobile Automatic Transmission/Transaxle
- ASE Entry-Level Automobile Brakes
- ASE Entry-Level Automobile Electronic/Electrical Systems
- ASE Entry-Level Automobile Engine Performance
- ASE Entry-Level Automobile Heating and Air Conditioning
- ASE Entry-Level Automobile Manual Drive Train and Axles
- ASE Entry-Level Automobile Suspension and Steering
- ASE Entry-Level Automobile Engine Performance
