1. Once you have logged into your contact record via the [ISACS Member Portal](#), click on the "EVENTS" tab in the black tool bar, click on "Browse & Register for Events", and then select the "ISACS 2023 Annual Conference / Trustee Day" icon.
2. This will direct you to the "ISACS 2023 Annual Conference & Trustee Day Microsite", click on "REGISTRATION" tab in the black tool bar, and then "Register Now" to begin the process.
3. Select the desired package for your conference attendance.
4. Follow the registration steps in sequential order using the blue "Next" button in the bottom right corner to advance. Make sure to answer all required questions AND select your sessions & lunch attendance. If the session you would like to attend is full, please select another session.

 - **For Registrants from OH Schools:** Make sure that you select "Bill My School", then forward the invoice to your school's designated registration coordinator, and ISACS will work with them to make payment.
 - **For Registrants from non-OH Schools:** Select either type of payment and then forward the invoice to your business office for payment or follow the instructions in the email to apply payment yourself.
6. Once registration is complete, you will receive a confirmation email with Annual Conference details including session & lunch selections.
7. Approximately one week prior to the Annual Conference, you will receive a final confirmation email from ISACS. *Print this information and bring it with you to the conference. Your session schedule will not be available at the conference.*
