The Saratoga Community Math Study Group (CMSG) met for the ninth and tenth times on Wednesday, January 24 and on Thursday, January 25.

At these meetings, the CMSG:

- Discussed Math Survey data collected from students (grades 5-8), parents, and teachers of grades 4-5 and middle school math
- Continued the consensus-building process on a variety of course placement and assessment issues

The CMSG provided an update to the Board of Trustees at its January 18th Board Study Session from 6:00-8:30 p.m. in the Redwood Middle School Library. The presentation included a summary of the data that have been collected and analyzed by the CMSG and plans for upcoming meetings.

Next meeting of the CMSG: Wednesday, January 31, 3:30-5:30 p.m.

Future Opportunities for Community Involvement:

- Community members may submit input to the CMSG by emailing communitymathstudygroup@saratogausd.org.
