The Saratoga Community Math Study Group (CMSG) met for the fifth time on Thursday, November 30.

At this meeting, the CMSG:

- Continued to build awareness of college admissions criteria, particularly in regards to mathematics coursework and learning outcomes
- Continued to build awareness of similar districts’ and private schools’ pathways and placement processes
- Discussed trends from the Parent Forums Input data
- Began analysis of the Middle School Student Survey results

The CMSG provided an update to the Board of Trustees at its November 16th Regular Board Meeting in Redwood Middle School Library. The presentation included a summary of the tasks that the CMSG has completed and plans for upcoming meetings.

Next meeting of the CMSG: Thursday, December 7, 3:30-5:30

Future Opportunities for Community Involvement:

- The CMSG will be holding a Board Study Session on January 18 (time and location TBD).
- Community members may submit input to the CMSG by emailing communitymathstudygroup@saratogausd.org.
