

2019 EdTech Update for Parents

Blanca Herrera

Agenda

- EdTech Plan
 - Year 1: Digital Citizenship (2017-2018)
 - Year 2: Empowered Learner (2018-2019)
 - Year 3: Knowledge Constructor (2019-2020)
- Student Monitoring of Online Activities
 - GoGuardian
 - Gaggle

EdTech Plan

Goal 1 Digital Citizenship

- All teachers TK-8th taught 3 Digital Citizenship lessons using Common Sense Media
 - SRO Russ Davies did a presentation on safety (Fall 2018)
 - Angela Alvarado, District Attorney for SCC, did a presentation for staff and students at Redwood (March 2019)
- Integrated Project Cornerstone lessons
- Parent education
 - District Attorney presentation (May 2019)
 - EdTech Plan Update for Parents (May 2019)

Goal 2 Empowered Learner

- The focus is on students learning:
 - Setting goals and reflecting
 - Receiving feedback
 - Using tech tools for learning
 - Understanding the fundamentals of technology operations

Goal 2 Empowered Learner

- Grade Level Examples:
 - Kinder: Students wrote writing goals and used Seesaw to record their writing to receive feedback.
 - First: Student wrote reading goals and shared them with their teacher
 - Second: Students used Google Slides to create presentations and to receive feedback

Goal 2 Empowered Learner

- Grade Level Examples:
 - Third: Students share their writing and use peer editing to improve their writing.
 - Fourth: Students set goals in writing and used Google Docs to collect feedback
 - Fifth: Students set goals in Social Studies and used Google Forms to collect feedback

Goal 2 Empowered Learner

- Middle School Examples:
 - ELA/SS:
 - Students used TCi to receive feedback on topics to study
 - Students used Google Docs to gather feedback about their writing
 - Math:
 - Students will receive feedback in class and through presentations
 - Science:
 - Students will write goals based on a project of their choice and receive feedback to make changes

Goal 2 Empowered Learner

- Middle School Examples:
 - PE:
 - Students will set fitness goals and use the iPad to film themselves to receive peer feedback
 - Electives:
 - Students will set goals and receive feedback from multiple sources
 - Special Ed:
 - Students will set goals for IL Study and complete a rubric to provide feedback to each other

Preview of Goal 3 Knowledge Constructor

- The focus on students being able to:
 - Plan and employ effective research strategies
 - Evaluate accuracy, perspective, credibility, and relevance of sources
 - Curate information from digital sources
 - Build knowledge by exploring real-world issues and problems

Monitoring Tools

GoGuardian

- Algorithm tool monitors these online tools for inappropriate content and self-harm content
 - Google searches
 - Google Drive
 - Documents
 - Slides
 - Sheets
- Notifications are sent
 - District Tech Team
 - Principal /Vice-Principal at site
- Principals/counselors meet with students to discuss issue
- GoGuardian Teacher: live monitoring by teachers, and teachers can interact with students

Gaggle

- Algorithm tool and staff monitor these online tools for inappropriate content and self-harm content
 - Google mail
 - Google Drive
 - Documents
 - Slides
 - Sheets
- Notifications are sent via email or phone:
 - District Team
 - Principal/Vice-Principal at site
- Student meetings to discuss issue
- Tip line
