

# DOLLARS FOR SCHOLARS

## What is it?

The OLPH Gift Card fundraising program!

Buy gift cards to places you go everyday & get exactly what you pay for... no extra spending!

OLPH purchases these cards in bulk at a discount, or "rebate," of up to 20% off. These rebates are earnings for our school & eligible families can earn future tuition credit!

Each family is obligated to purchase at least \$2,500 in OLPH gift cards every school year or opt for a buy-out payment of \$500. Orders can be sent through school Tues. through Fri. (no half-days) in the designated envelope or through RaiseRight. Gift card sales are also available at weekend Masses.

OLPH uses RaiseRight.com to track all purchases & rebates earned online or through physical gift card purchases. Families can also add secure payment links to their RaiseRight account for ultimate convenience!
