STARBUCKS®

"It's super convenient. All I need to go shopping is my phone—I don't even need credit cards or my purse. I'm going to pay for these things anyway, I love being able to use gift cards so we get something in return."

Fundraising Has Never Been Easier

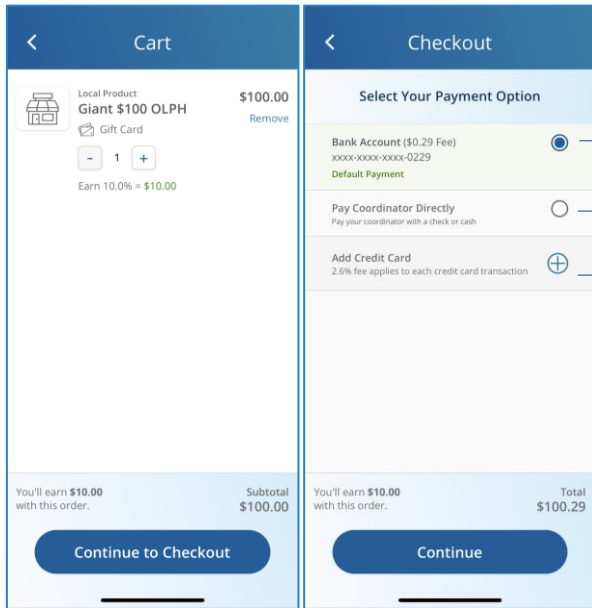

## 4 TIPS AND TRICKS IN THE APP

1. Send your gift card orders to the school office electronically.

Get in-stock physical cards with your student the same day!

Search for "OLPH" or stores you know we have in stock.

*use a linked bank account (flat fee per transaction regardless of how many stores).*

*"pay the coordinator" and send your check/cash in an envelope marked Dollars for Scholars*

*use a credit card*

2. Check your order history

- Wondering how far to meet your obligation?
- View your rebates earned (40% can be credited back to you!)

3. Submit an "special order" for stores we do not carry in stock.

Plan ahead and we will get you your cards with no shipping costs typically in 2-3 weeks. Especially helpful for all those holiday gift cards to give out!

4. Email gift cards to family members or those who may not be on the app

- Want to send a college student some money for a Target Run?
- Grandparents learning how to use email but maybe not necessarily a whole new app?

When selecting your e-gift card, check the option to send as a gift. They will get the e-card directly in their email for immediate use!
