## Reporting Discipline

It is expected, when asked in the college application process about any formal discipline at Lawrence Academy, that students will respond in an honest and forthright manner. If Lawrence Academy discovers that a student has not answered honestly and forthrightly according to the college's purpose and definition, the school will immediately contact the college and provide an account of the student's relevant disciplinary history consistent with the school's records. If a college reaches out to inquire about a student's disciplinary history, Lawrence Academy will answer honestly. Aside from specific inquiries from colleges, Lawrence Academy does not automatically report disciplinary decisions to other schools or colleges unless they occur following the submission of application materials by the student and/or during the student's senior year.

## Accreditation

New England Association of Schools and Colleges. Memberships are held in the National Association for College Admissions Counseling, the New England Association for College Admissions Counseling, the College Board, and the Association of College Counselors in Independent Schools.

## The Curriculum

Year-long classes form the core of the upper class curriculum. Most arts classes are one term in length. Lawrence Academy does not offer Advanced Placement courses. Our most rigorous courses will be designated "Honors," and students may only take these courses with the permission of the department chair and/or completion of an assessment.

## Explanation of Course Levels

Lawrence Academy offers a rigorous, college-preparatory curriculum at all grade levels. Courses are offered at the Standard (ST), Advanced (ADV), and Honors (HON) levels, and each discipline may vary by year. We offer three classes (Chemistry, Physics, and Precalculus) at the Advanced Level, which is for students who have not been selected for the Honors level course but are ready to work at a more accelerated pace than the Standard class. Honors is our highest course level. Honors courses are as rigorous, if not more than AP classes.
