VISUAL AND PERFORMING ARTS DEPARTMENT 2023-2024

DEPARTMENT PHILOSOPHY

The King's Academy Visual and Performing Arts department is dedicated to presenting diverse performance opportunities, establishing an artistic community, preparing students for post-secondary endeavors, and developing the next generation of artists and audiences. We create cooperatively, initiate leadership, develop critical thinking skills, share the human experience, and teach artistry excellence. Most importantly, the VPA department seeks to glorify God by fostering an environment where students can discover and develop their God-given talents to the fullest. Our desire is for students to use these talents not for their own glory but as a spiritual act of worship of our Creator.

And whatever you do, whether in word or deed, do it all in the name of the Lord Jesus, giving thanks to God the Father through Him (Colossians 3:17).
