

Clayton Has Found His Perfect Job

TUPELO, Miss. — Michael Clayton, a native of the All-American City, has held the title of PAC Building Manager for the Tupelo Public School District for 18 years.

Michael loves working with people as well as the ins and outs of stage tech which makes this the perfect job for him.

When he isn't working, Michael enjoys spending time with his children and watching them get to play the sports they love. He also enjoys spending his free time working on classic cars.

This week's TPSD Staff Spotlight, sponsored by Sunny 93.3 and Buffalo Wild Wings, is Michael Clayton of Tupelo High School.
