**Utah Civics Exam**
Get a head start on completing graduation requirements.

**What is the Civics Exam?**
Effective January 1, 2016, every public school student MUST pass a basic civics test, or alternate assessment, as a condition for receiving a high school diploma in the state of Utah. In order to pass, students must earn a 70% or higher (35 of the 50 points possible).

- Students may take the exam any time between their 8th and 12th grade years.

**Test Preparation**
Along with courses offered in Tooele County School District's secondary schools, students may also take a US History Pathways Canvas course to study for the exam. After completing all six course modules, students can then sign up with Mrs. Rivera to take the Civics Test.

- Utilizing the US History Pathways Canvas will give your student access to: flashcards, practices tests, lesson materials, and quizzes.

**Access the Canvas Course**
Use the following link to access the test prep course:
