

ALBEMARLE COUNTY PUBLIC SCHOOLS
2023-24 SCHOOL YEAR

ABOUT THIS CALENDAR

The Albemarle County Public Schools 2023-24 School Year Calendar celebrates the creativity and talents of our students. The art featured in this calendar* was created by Albemarle County students during the previous school year, and at least one original piece of artwork from every school is included.

For more information about our Fine Arts programming in Albemarle County Public Schools, please speak with an art teacher at your child’s school or visit k12albemarle.org/FineArts.

In an effort to make all of our communications more accessible to everyone in our community, you may see a number of QR codes scattered throughout the informational sections of this calendar. By scanning these codes with the camera of a smart phone, you are able to easily access web pages referenced in this publication, which can be translated to six different languages as well as browsed with accessibility assistants like screen readers.

**Photographs of artwork featured in this calendar may have been cropped to fit available space and/or printing dimensions.*

WELCOME!

Dear Albemarle County Public Schools Community Members,

I hope this letter finds you in high spirits as we gear up for another exciting year together. To our returning ACPS students, I'd like to extend my warmest greetings as we welcome you back! To those who are joining us for the first time: Welcome to our school community! We are thrilled to have you become part of our vibrant and inclusive family.

Each year, we eagerly anticipate the release of our school calendar publication, which serves as a splendid celebration of the creativity and artistic vision possessed by all our remarkable students. It never fails to amaze me how they capture the essence of our world through their unique perspectives.

In the grand tapestry of our strategic plan, *Learning for All*, one crucial thread stands out: **"We will know every student."** Through this publication, we gain valuable insights into how our students express their creativity through various art forms and we are delighted to share these expressions of individuality and creativity with all of you.

I would also like to extend my gratitude to our students, teachers and families for their dedication to our community. We are privileged to have the opportunity to work hand in hand with you as we strive to provide the highest quality education and foster a nurturing environment where every student can succeed.

Sincerely,
Dr. Matthew S. Haas, Superintendent

Dear ACPS Community Members,

On behalf of the Albemarle County School Board, I would like to welcome all of our ACPS families to another school year. We are thrilled to have each and every one of you as part of our school community.

Creating a learning environment that is safe, inclusive and welcoming to all students is at the core of our Board's mission. While each member may approach this goal in unique ways, we all share an unwavering commitment to providing the best possible educational experience for our students. Our collective efforts are driven by the shared belief that every student deserves the opportunity to thrive and reach their full potential.

This publication represents more than just a calendar. Within its pages, you will find a wealth of information to support you throughout the school year. Moreover, it serves as a celebration of the incredible creativity and talent that our students possess. We take pride in their achievements and love showcasing their remarkable abilities each year.

May this school year be filled with joy, discovery and success for each and every one of our students.

Sincerely,
Katrina Callsen, School Board Chair

SCHOOL BOARD INFORMATION

ABOUT THE BOARD

The Albemarle County School Board and the Superintendent of Schools are bound in a partnership of mutual trust and vision. The school board and the superintendent are responsible for selecting the results that the school system should be pursuing. Together, the school board and the superintendent take primary responsibility for ensuring that Albemarle County Public Schools is an effective school system. The school board governs Albemarle County Public Schools as a corporate body according to law. Members are elected by the citizens of the county and serve staggered four-year terms. There are seven members; six representing each of our magisterial districts and one at-large member.

SCHOOL BOARD POLICIES

The school board develops policies to govern the operation of the school system. These policies cover instructional programs, fiscal management, personnel, students, school and community relations, facility maintenance, and many other areas. Copies of our policies are available online through our ElectronicSchoolBoard website and copies that can be translated can be found on our School Board Policies web page. Community members can also access policies at school division offices and each of our county schools.

SCHOOL BOARD MEETINGS

The school board meets regularly throughout the school year, typically on the second and fourth Thursday of each month. The board meets at 6:30 p.m. in Lane Auditorium in the County Office Building at 401 McIntire Road. Board meetings are open to the public. Community members can visit the School Board web page at k12albemarle.org/board to access meeting livestreams and recordings; sign up to provide public comment; and view meeting schedules, agendas and minutes.

CONTACT THE BOARD

Contact information for school board members is provided on the right side of this page and also on our School Board Members web page. Community members may email the entire board at SchoolBoard@k12albemarle.org. If you are unsure who your school board representative is, you can reference a map of the county's magisterial districts on the school board's Magisterial Districts web page. If you have questions or would like more information about the board, please contact the School Board Clerk at (434) 296-5893.

LEARNING FOR ALL

VISION

Our learners are engaged in authentic, challenging and relevant learning experiences, becoming lifelong contributors and leaders in our dynamic and diverse society.

MISSION

Working together as a team, we will end the predictive value of race, class, gender, and special capacities for our children's success through high-quality teaching and learning for all. We seek to build relationships with families and communities to ensure that every student succeeds.

We will know every student.

VALUES

- » **Equity:** We will provide every student with the level of support necessary to thrive.
- » **Excellence:** We will mitigate barriers and provide opportunities for every student to be academically successful.
- » **Family and Community:** We will engage with and share the responsibility for student success with families and community partners.
- » **Wellness:** We will support the physical and emotional health of our students and staff.

GOALS

THRIVING STUDENTS

ACPS will facilitate learning experiences grounded in high expectations, networks of care, and student curiosity to ensure academic and social-emotional development for all students while eliminating opportunity, access, and achievement gaps.

AFFIRMING AND EMPOWERING COMMUNITIES

ACPS commits to developing a culturally-responsive environment that will respect and champion the diversity of life experiences of all stakeholders and supports the physical and mental health of our students, staff, and families so they are actively empowered to engage in our school community.

EQUITABLE, TRANSFORMATIVE RESOURCES

ACPS will attract, develop, and retain the highest quality staff; develop sustainable and modern facilities, infrastructure, and equipment; and distribute all resources in an equitable manner to transform learning experiences and opportunities.

POLICY STATEMENTS

ANTI-RACISM

The Albemarle County School Board and Albemarle County Public Schools reject all forms of racism as destructive to the school division's mission, vision, values and goals. The board is committed to the following principles:

1. Establishing and sustaining a school community that shares the collective responsibility to address, eliminate and prevent actions, decisions and outcomes that result from and perpetuate racism.
2. Eliminating inequitable practices and cultivating the unique gifts, talents and interests of every child to end the predictive value of social or cultural factors such as race, class or gender on student success.
3. Respecting and championing the diversity and life experiences of all community members to support the school division's mission, vision, values, goals and objectives.
4. Acknowledging that racism is often compounded by other forms of discrimination, including, but not limited to, those protective classes referenced in School Board Policy AC, *Nondiscrimination*.

NONDISCRIMINATION

Albemarle County Public Schools does not discriminate on the basis of sex, gender, race, color, national origin, disability, religion, ancestry, age, marital status, genetic information or any other characteristic protected by law in its programs and activities, and provides equal access to the Boy Scouts of America, the Girl Scouts of the USA, and other designated youth groups.

Students who have questions or concerns regarding compliance with the school division's Nondiscrimination Policy should contact:

Executive Director of Special Education & Student Services
401 McIntire Road, 3rd Floor, Charlottesville, VA 22902
(434) 296-5885

Employees who have questions or concerns regarding compliance with the school division's Nondiscrimination Policy should contact:

Director of Human Resources
401 McIntire Road, 1st Floor, Charlottesville, VA 22902
(434) 296-5827

TESTING SCHEDULES

VIRGINIA STANDARDS OF LEARNING

During the course of the school year, students in grades 3 through 8 and some in grades 9 through 12 will participate in required state academic testing. The Standards of Learning (SOL) for Virginia Public Schools establish minimum expectations for student learning and achievement.

Students in grades 3 through 8 take SOL tests in reading, writing, and math. In addition, students in grades 5 and 8 take SOL tests in science and history/social studies. High school students take end-of-course SOL exams in all four subject areas.

2022-23 SOL TESTING WINDOWS

- Fall 2023 SOL Writing test Window: October 16 through November 3
- Fall 2023 Non-Writing Test Window: December 4 through January 16
- Spring 2024 SOL Writing Test Window: March 4 through April 5
- Spring 2024 SOL Non-Writing Test Window: May 6 through June 3

SAT & SAT SUBJECT TESTS

The SAT and SAT Subject Tests are designed to assess students' academic readiness for college. The SAT is a college entrance exam that measures skills in reading, writing and math. Most students take the SAT during their junior or senior year of high school.

SAT Subject tests are content-based tests that allow students to showcase their achievement in specific subject areas. Registration and testing dates for the SAT and SAT Subject Tests can be found at sat.org.

PSAT/NMSQT

The Preliminary SAT/National Merit Scholarship Qualifying Test (PSAT/NMSQT) measures critical reading skills, writing skills and math problem-solving skills, and provides first-hand practice for college entrance exams, such as the SAT. Taking the test can qualify students for scholarships and other honors. Typically, students take the test as sophomores and juniors, though some take it earlier.

Please check with your school counselor for the date of the PSAT/NMSQT. The official testing window runs from **October 2, 2023 to October 31, 2023**.

ADVANCED PLACEMENT EXAMS

The Advanced Placement (AP) Examinations are administered each year in May and represent the culmination of college-level work in a given discipline in a secondary school setting. Rigorously developed by committees of college and AP high school faculty, the AP Exams test students' ability to perform at a college level. Students who perform well can receive college credit and/or advanced standing at thousands of universities worldwide. For more information, visit apstudents.org.

INCLEMENT WEATHER DECISIONS

ACPS approaches inclement weather decisions with the safety of our students, staff, and other members of our community as our primary concern. We consider information from several sources to help us reach each decision, including:

- Road conditions within the entire county for bus travel and student and staff drivers;
- Weather forecasts; and
- Assessments by law enforcement, the Virginia Department of Transportation (VDOT), and other localities.

FIND OUT ABOUT SCHEDULE CHANGES

Families and community members can learn the division's school schedule status during inclement weather in several ways:

SCHOOL SCHEDULE HOTLINE

Community members may call (434) 296-5886 to listen to a prerecorded message about school operations for the day. The recording is updated by 5:30 a.m.

Para español, llame al (434) 975-9332.

ELECTRONIC ALERT: PHONE, EMAIL AND/OR TEXT

Parents and guardians are provided an opportunity at the start of each school year to enroll in the Electronic School Notification System to receive notifications from the school division by phone (landline or cellphone), email and/or text. Parents or guardians may also enroll at any time or change their preferences by contacting their child's school.

ALBEMARLE COUNTY PUBLIC SCHOOLS WEBSITE

The division will activate our web alert system to help communicate school schedule changes. The system uses pop-up messages to alert website visitors to important information.

SOCIAL MEDIA

Like us on Facebook at facebook.com/k12albemarle or follow us on Twitter at twitter.com/k12albemarle for inclement weather updates.

LOCAL MEDIA OUTLETS

School schedule changes are broadcast on several local radio and television stations, as well as local media websites.

For more information about school schedule changes due to inclement weather, including decision and communication timelines, visit k12albemarle.org/closings.

SCHOOL MEALS

The purpose of the Child Nutrition Program, in partnership with our school community, is to provide healthy and balanced meals by offering excellent service while promoting nutrition and wellness. Visit us online at k12albemarle.org/ChildNutrition to access menus, nutritional standards, the Application for Free and Reduced Price Meals, income guidelines and more. Or, call (434) 295-0566.

BREAKFAST AND LUNCH

Breakfast is available at all schools and provides students with the energy and nutrients needed to keep on task throughout the school day. All elementary, middle and comprehensive high schools in Albemarle County offer school lunch as part of the United States Department of Agriculture (USDA) National School Lunch Program.

MENUS

Albemarle County Public Schools menus are planned by a nutritionist and follow the regulations set forth in the Healthy, Hunger-Free Kids Act of 2010. In accordance with regulations, students must choose a serving of either fruit or vegetables to qualify their meal as a school breakfast or lunch. Each day, a variety of entree choices, featured salads, fresh fruit and vegetables, and whole grains are offered. A la carte items, such as yogurt, fresh fruit and reduced-fat snacks, are available as well. Menus can be viewed on our website at k12albemarle.org/ChildNutrition. Students have choices in the food they select. Come join us for a meal and see the great choices we offer!

FREE AND REDUCED PRICE MEALS

Families may apply for free and reduced meal benefits online. The process is safe, secure, private and available any time. Your data is transmitted to the Child Nutrition Office the same day you apply, allowing for faster processing so you can receive benefits more quickly. Additionally, an Application for Free and Reduced Price Meals is included in every student's annual school registration packet and available at each school office. The form is also available at k12albemarle.org/ChildNutrition. For those interested in applying, **a new application should be completed each school year.**

Families are encouraged to complete the application if they believe they may be eligible for free or reduced price meals. Eligibility status is completely confidential and applications are accepted at any time.

2022-23 MEAL PRICES

	Full Price	Reduced
Student Breakfast	\$1.85	Waived
Student Lunch, Elementary	\$3.35	Waived
Student Lunch, Middle & High	\$3.55	Waived
Adult Breakfast	\$1.90	
Adult Lunch	\$3.90	

**Student breakfast and lunch prices were unavailable as of publication. Please see k12albemarle.org/our-departments/nutrition/pricing for school meal pricing information.*

PAYMENT

Individual student accounts allow all students to prepay for meals, which helps speed up the lunch lines. When they reach the end of the lunch line, students simply enter a five-digit PIN into a keypad, and the cost of their meal is deducted from their balance. Students in need of a meal who have no funds available will be provided with a qualified USDA meal and their parent or guardian will be responsible for those charges. Parents or guardians are responsible for keeping up-to-date with their child's meal account balance.

Any amount of money can be deposited into an account using cash or check. With this option, please be sure to write the student's full name and PIN on the check or envelope containing the money. We encourage all parents or guardians to set up an account at mySchoolBucks.com. There is no cost to set up an account, which allows parents or guardians to view and manage their child's transactions and even set up low-balance notifications. The mySchoolBucks site also offers an online credit card payment option, with a convenience fee. Visit mySchoolBucks.com for details.

KEY ADVISORY GROUPS

Parent and citizen advisory groups offer a broad range of opportunities for community engagement with public education. For more information about our division-level advisory groups, including opportunities for contributing to their important work, please visit k12albemarle.org/advisory.

ADVISORY COMMITTEE FOR ENVIRONMENTAL SUSTAINABILITY (ACES)

Informs and advises the superintendent and school board about measures to help the school division develop and reach sustainability goals and foster an integrated series of tools and knowledge for the growth of environmental awareness. The committee meets at least quarterly.

ATHLETIC ADVISORY COUNCIL

Serves as a forum for parents, students and school officials to share ideas and exchange information in order to further advance the quality of the athletic student experience within ACPS. The Athletic Advisory Council meets annually.

BUDGET ADVISORY COMMITTEE

Analyzes, evaluates and advises the superintendent and division staff regarding budgeting practices and priorities from a business perspective. The committee is composed of business professionals with significant budgeting experience. The Budget Advisory Council meets three times between October and February.

CHARTER SCHOOLS REVIEW COMMITTEE

Reviews charter school applications, conducts applicant interviews, and makes recommendations to the school board. The committee convenes upon receipt of charter school applications and meets, as necessary, to carry out the responsibilities designated in School Board Policy LC, *Albemarle County Charter Schools*.

CLASSIFIED EMPLOYEE ADVISORY COMMITTEE

Provides a two-way forum for classified employees to have input regarding potential employee policy creation and/or changes and to bring forward employee issues that could not be successfully addressed through existing channels. The Classified Employee Advisory Committee meets bi-monthly.

COUNTY STUDENT ADVISORY COUNCIL

Represents the opinions of students in an advisory capacity to the school board. Council members aim to better share and exchange ideas and solutions to common problems across schools and work to better the school system and the surrounding community. The County Student Advisory Council meets monthly.

EMPLOYEE VOICE AND ACTION COMMITTEE (EVAAC)

Addresses issues related to working conditions for employees, provides input related to major decisions in the school division and raises issues that cross schools and departments that impact the broader employee population.

ABOVE, CLOCKWISE FROM LEFT: ADDIE McELFRESH, CURRAN NUNES, ASHLEY ROWLAND, ARWIN GASKIN | COMMUNITY LAB

EQUITY & DIVERSITY ADVISORY COMMITTEE

Advises the division on adopting and modifying policies and practices to address equity and opportunity gaps to improve student achievement. Committee members serve two-year terms. The Equity & Diversity Advisory Council meets monthly.

LONG-RANGE PLANNING ADVISORY COMMITTEE (LRPAC)

Informs and advises the superintendent and school board in the development of comprehensive, long-term plans for facilities needs in the most effective and efficient way and in support of the school division's strategic plan. LRPAC meets monthly.

PARENT COUNCIL

Serves as a forum for parents, educators and school officials to share ideas and exchange information in order to further advance the quality of the public education system within Albemarle County. Parent Council meets monthly.

REDISTRICTING ADVISORY COMMITTEE (RAC)

When convened, works in cooperation with staff to analyze relevant data and redistricting options to present to the superintendent. The RAC meets as needed.

SCHOOL HEALTH ADVISORY BOARD (SHAB)

Assists with developing health policy in the division and evaluating the status of school health, health education, the school environment, and health services. SHAB meets quarterly, but also by special session at the request of the superintendent or school board.

SCHOOL SAFETY ADVISORY COMMITTEE

Provides valuable perspectives and works together to provide recommendations to the Superintendent's Cabinet regarding issues related to school safety and security.

SPECIAL EDUCATION ADVISORY COMMITTEE (SEAC)

Provides advice concerning the needs of children with disabilities receiving special education services and assists in the formulation and development of long-range plans for these children. SEAC meets monthly.

TALENT DEVELOPMENT ADVISORY COMMITTEE

Oversees the implementation of the *Local Plan for the Education of the Gifted*, including participating in the biennial review and revision of the Local Plan and reporting to the school board through the superintendent about the needs of gifted learners in our county.

TEACHER ADVISORY COMMITTEE (TAC)

Group of teachers, including a representative from each school, who meet with central staff to discuss items of interest to teachers and give feedback on county initiatives and programs. TAC meets monthly for nine months of the school year.

TITLE I PARENT ADVISORY

Provides feedback and suggestions for ways Albemarle County can improve our Title I program. The Title I Parent Advisory meets semi-annually.

OUTREACH

One of the main goals of ACPS is to ensure that our community stays informed about the goings-on within the division. We use many channels to send information to parents, staff and students.

ACPS WEBSITE

An essential communications tool, the Albemarle County Public Schools website helps the division meet the diverse communication needs of our school communities and increases opportunities for meaningful engagement. Our website supports mobile-first design and meets accessibility requirements of the Americans with Disabilities Act (ADA). Find our website at k12albemarle.org.

CONNECTIONS: DIVISION NEWSLETTER

Our monthly newsletter, *Connections*, is a way to connect with our community on a monthly basis and share positive and important news with our stakeholders. Designed to be visually pleasing and dynamic, *Connections* is sent to all staff, parents and secondary students on the last Friday of each month.

Connections contains a short message from the superintendent each month, a parent perspective on current events in the division, upcoming events and opportunities, and much more!

PORTRAITS OF A DIVISION

Our Portraits of a Division aim to highlight the amazing staff and students we know are scattered all throughout our division. We post two types of features here: Portrait of an ACPS Student, which highlights students from across our division, and Portrait of an ACPS Staff Member, which highlights our amazing employees.

SOCIAL MEDIA

The division virtually shares information and collaborates with our community and larger audiences through multiple social media channels, including Facebook, Twitter and YouTube. Social media posts may include text, photos and/or videos.

VIDEOS

Video is just one way the Communications team works with schools and departments across the division to promote the work we are doing in our division to facilitate high-quality teaching and learning. Members of the public can visit our ACPS Videos page to watch a featured video and preview other recent videos. All ACPS videos are available through our YouTube channel.
