

Welcome back to Dayton High School

We're going DIGITAL

Things are looking a little different this year..

You will need to visit Infinite Campus (IC) and click "Existing Student Registration" on the parent portal to electronically sign those first day forms. This is also where you will update or change any information.

Forms signed digitally include: Code of Honor, Educational Involvement Accord, Student Pledge for Technology use, and Impact Aid

We encourage all of our families to make any demographical changes within Infinite Campus. It is very important that changes are made as soon as possible so that our school has accurate and updated contact information for your child.

If you do not have access to IC, there will be an email coming from Lyon County School district to start that process. If you have any questions please contact the DHS office for assistance.
