

THE WILDCAT WEEKLY

A Note from Dr. G

Volume 3 Issue 1

Superintendent's Corner

There is so much to be excited about here in Mount Pleasant that we could not wait until next week to start our Wildcat Weeklys! Although school has not started, all four of our schools were bustling with activity this week. On Monday, the Board of Education participated in its annual facilities tour, stopping at each building and admiring the new gym floors in both WMS and WHS. Also on Monday, we welcomed new teachers and then on Tuesday the entire Mount Pleasant team was back together for our Convocation and a couple Superintendent Conference Days. Yesterday, we welcomed 6th graders to Bagels and Locks, 3rd graders to a BBQ, and all our Hawthorne families to visit schools and meet with teachers and friends in preparation for the new school year. Check out our social media for many more photos of these celebratory events!

Looking ahead to next week, we are excited for the entire district to be back together for a new school year. We will be sharing more news about events at all four schools and the instructional bond planned for December 12 starting next week, so stay tuned! Have a wonderful Labor Day Weekend, Wildcats!

Noticing the Good

All four schools have new assistant principals this year, and we were thrilled to catch up with them at the events this week! They are each eager to get started with our students on Tuesday, and to connect with parents at our back to school nights and other events planned through September. Please join us in once again welcoming Erica Denman to Hawthorne and Columbus, Theresa Outhouse to WMS, and Daniel Brady to WHS.

First Day Photos!

Share your first day photos! Email them to msslippen@mtplcsd.org to be part of the first day collage! In celebration of "first" photos, here's the first photo of new press box which arrived today!
