

# Derry Township School Health Services

Dear Parents/Guardian:

Welcome to our school! In order to aid in the health and education of your child, please help by reading the following instructions and completing the appropriate forms.

Complete and provide at the time of enrollment:

**Immunizations:** Please refer to the link for mandated immunization information. All necessary immunizations should be completed prior to enrollment.

**Emergency Card:** Complete both sides (including permission for standing order medications and listing medical concerns and current medications).

Complete and return at a later date:

**Physical Examination:** Required for students upon original entry into a Pennsylvania school and grades 6 & 11.

**Dental Examination:** Required for students in kindergarten and grades 3 & 7.

*Completed private physical and dental exams will be accepted within one year prior to a student's entry into the grade where the exam is required.*

**Medication:** While at school, if your child will need to take a prescription/over-the-counter medication on a daily, as needed, or emergency basis, please provide a written doctor's order and the medication in a pharmacy labeled/original container.

We look forward to working with you and your child.

Tara Blackburn, RN, Certified School Nurse, High School  
Tracie Dawson, M.Ed. RN, Certified School Nurse, Middle School  
Page Kozak, RN, Certified School Nurse, Elementary

High School Nurse's Office: 717-508-2235
