Financial Aid Trainings

PSCCN in collaboration with WSAC Financial Aid Trainings

Financial Aid 101

Date: October 5th, 2020

Time: 1:00PM to 3:30PM

At this training you will:

- Hear a brief overview of the financial aid timeline and process, including any updates to this year's application and process.
- Discuss commonly asked about student/family situations around the applications and verification.

- Receive financial aid completion and education resources that can be used with students and families, including activities and lessons, and learn about regional implementation practices.

Intended audience:

This training is a good fit for both current and new practitioners in schools and community organizations who are supporting students to complete financial aid applications or advising students and families about financial aid.

Financial Aid Foundations

Date: October 6th, 2020

Time: 1:00PM to 2:30PM

Learn basic details of federal and state financial aid and important messaging educators and community providers can use to discuss financial aid with students and families. This training will include:

- A basic overview and timeline of the financial aid process and application forms
- Important facts about FAFSA and WASFA
- Common financial aid terms
- Information about key supports at districts and connections with community organizations and agencies

This training is a good fit for individuals working with families and middle and high school students or who are in positions that encourage or champion financial aid completion but do not need the details necessary to support financial aid application completion (this may include, family liaisons and bilingual paraeducators who support families/students in all grades, middle school counselors, district administrators not specifically engaged in college and career readiness).
