ReLiEF: New Title IX Regulations Overview

Thursday, August 13, 2020

8:30 AM - 9:45 AM PDT

On May 6, 2020, the Department of Education released their Final Rules under Title IX. The new regulations total over 2,000 pages. Because the regulations went through the notice and comment period, they have the force of law and go into effect on 8/14/20, in time for the start of the new school semester. Join us for a webinar on Thursday August 13, 2020 from 8:30 a.m. – 9:45 a.m. to discuss these changes, the options that exist, and how to direct your efforts for the coming year. Megan Farrell, Title IX Consultant, will be joining us and presenting an overview of the changes followed by a Q&A session.
