Principal's Den

Dear LES families,

The school year is in full swing, and our little lions have done a great job getting acclimated to a new year! My staff and appreciate all your support as we get the year started.

Thank you to all those who helped make our Boohoo Breakfast a success for our new kindergarten families. The delicious donated and homemade breakfast treats and warm smiles from volunteers helped welcome our newest families to our Liberty school family.

We are excited to invite parents to attend our first annual Liberty Parent Technology Workshop on September 21st. Come learn tips for navigating raising children in the digital age! We hope to see you there!

I hope you and your family has a happy and safe Labor Day weekend!

Respectfully,

Mrs. Patton

A Message From FSSD School Health Coordinator

Welcome to the 2023-24 school year! I hope that your transition from summer break to back to school is an easy one. Here are a few tips for feeling more prepared for the school days:

- Get enough rest. School schedules mean rising earlier. Go to bed at a time that allows an adequate amount of hours of sleep for your child.
- Practice morning rituals that decrease confusion. Set your daily alarm for the same time. Keep backpacks and lunchboxes in a designated place.
- Get familiar with the policies for classrooms, homework and schools. The more that you and your student know about these, the easier it will be to keep your student on track in the classroom.

Here's wishing you the best school year!

Lisa Chatman, FSSD School Health Coordinator

September 20
Fall Pictures

September 21
Liberty Parent Technology Workshop

We are a Level 5 School!

Liberty Elementary has been recognized as a Level 5 school for our student growth on last year's TCAP assessment! This is a tremendous accomplishment awarded to schools that show growth on the ELA and Math assessments from one year to the next. Congratulations to our teachers, students, and families!

A large, 3D-style golden number '5' with a slight shadow and a metallic texture, set against a light gray background.
