COMMUNICATION

Your child's teacher will communicate with you during the school year regarding your child's progress. At the beginning of the school year, and throughout the year, you will have opportunities to conference with your child's teacher. Parent-Student-Teacher Compacts will be discussed at each conference. You will be contacted in person, by letter, e-mail, or by telephone. Each classroom teacher will provide parents with a newsletter containing important information concerning upcoming events and class assignments at least monthly. **If concerns arise about your child, parents should first discuss the problem with the teacher.** Parent conferences may be scheduled between 8:10-8:45 a.m. or after 3:30 p.m.

The principal distributes a monthly newsletter with school information such as lunch menus, upcoming events, parent tips, educational web sites, current news, and recognition. This publication can be found online at our school's website.

DISCIPLINE

Proper student conduct and behavior are fundamental to the educational process. Teachers and staff will maintain a classroom management system that is consistent with a productive learning environment. A list of classroom rules and consequences from your child's teacher will be sent home the first week of school. Additionally, classroom teachers will continue to implement "The Positive Behavior System" into their classrooms expectations to direct and encourage students to make good decisions. During each nine weeks, students earning an "E" in citizenship and/or work habits will participate in a fun-filled grade level activity.

A student who is provided transportation shall be assigned to a specific bus and shall not ride any other bus except upon the request of the parent or guardian. Any disruptive behavior on the bus will be reported to administration. Students who jeopardize the safety of themselves or others may have their bus riding privileges revoked, temporarily or permanently, by the administration. If a child is suspended or expelled from riding a school bus due to misconduct, the parent or guardian is expected to provide transportation during the time the student is excluded from the bus. For safety reasons, helium balloons, glass containers, pets or living animals, softball / baseball bats, scooters, and skateboards are not permitted on the school bus.

PM BUS NOTES

Please send a note with your child if he/she is to ride a different bus, go to after school, or get off at a different location. You may also call the school for this purpose, but please call prior to 1:00 p.m. (unless it is an emergency), after bus notes are sent, messages interrupt the education process for everyone, including your child. Bus notes are delivered to the classroom at 2:30 p.m. No changes will be made after that time.

SUSPENSION AND EXPULSION

Suspension and expulsion are measures employed only after all other measures of correcting student behavior have been exhausted, and only in accordance with School Board policy. LOST AND FOUND

Please write your child's name on his or her coats, sweaters, lunchboxes, and backpacks with a permanent marker before coming to school so that they can be returned to them if the item becomes lost at school. We make every effort during the school year to return lost items to your child, but unlabeled items are rarely claimed and are eventually given to local charities. Encourage your child to check for lost items as soon as they are

AFTERNOON STUDENT PICK-UP

For your child's safety, we asked that you use the designated car line for dropping off and picking up students daily. Refrain from cell phone use while in the drop off/ pick up lane once vehicles begin moving. Students will exit at the double doors beside the computer lab. They will wait on the benches until your car pulls into the loading area. Please enter the first drive on your right when you arrive, wait your turn in line, and have your school pick up identification on your dash. **Parent pickup in the front office ends at 3:00pm. Students must be picked up in the car line after this time. Although this procedure may be of some inconvenience, it provides a measure of safety for our students.** Please refrain from taking your child out of school before 3:25 p.m. unless you have a medical appointment. This practice disrupts the classroom learning environment.

PLAYGROUND RULES

Fresh air and exercise are important for proper student development. All children will play outside unless they have a doctor's excuse or a daily excuse signed by the parent. Students are not allowed to leave the school grounds. The following are not permitted: chase, tackle football, skateboards, roller skates and blades, headsets, radios, piggyback riding, hand-held electronic games, jumping from swings, improper use of

equipment, or rock throwing.

PARENT VOLUNTEERS

Parents are needed as school volunteers to assist classroom teachers with instructional and clerical duties. We are proud of our parent volunteer program and encourage your participation. To volunteer in the school an orientation and registration is necessary. Volunteers are accepted throughout the year. Volunteer hours count toward the Golden School Award. We have earned this award for 39 years. An orientation will be scheduled the first month of school with Mrs. Eden Rodgers, Assistant Principal. Children are not allowed to accompany volunteers while they work at the school or serve as a chaperone on a fieldtrip.

CAFETERIA RULES

After going through the serving line, students will sit at their designated table. The students will empty their own trays and return to their original seats and wait for dismissal. Students are to enter and leave the cafeteria in an orderly manner. Students are expected to control their behavior while in the lunchroom. We expect students to behave like ladies and gentlemen. Lunchroom behavior problems will be communicated to the classroom teacher or school's administration.

SCHOOL LUNCH POLICY

All students will be offered breakfast and lunch at no cost for the 2023-2024 school year. Students may wish to place funds in their lunch account to purchase additional milk or food items.

MEDICATION POLICY

It must be in the original container and be accompanied by a written statement from the child's doctor as to need and/or a note from the child's parent giving consent to administer the medicine. This policy applies to over-the-counter medicines, as well. Medical release forms are enclosed. Parents are responsible for picking up any remaining medication at the end of the school year. Medications not picked up will be properly disposed of by the Wakulla County Health Department.

VISITORS ON CAMPUS

All visitors on the campus MUST use the main entrance. Please check in at the front desk upon arrival. You will receive a Visitor's Pass that must be worn and visible at all times while on campus. Be sure to check out when your visit is complete. Student safety is a top priority!

CLASSROOM VISITS

Education is a co-operative affair between home and school for the good of the child. Parents are encouraged to visit classrooms for the purpose of gaining an insight into operation, content of programs, and for the purposes of gaining an insight as to means of helping their own child. Parents are not expected to evaluate teacher effectiveness, nor may they have access to data on students other than their own child.

To avoid misunderstanding between parties concerned, the following guidelines for visits to the classroom must be followed:

1. An appointment will be made with the school administrator in charge of the elementary, middle, or secondary program, the teacher of the class to be observed, and the parent, a minimum of one week prior to the visit. This appointment will take place on time not considered instructional time of the teacher.
2. The parent/guardian will be briefed as to the lesson, its objectives and process of instruction to be used. This should avoid any misunderstanding.
3. The length of the visit will be prearranged, not to exceed 20 minutes.
4. No more than one (1) person at a time will be permitted to visit the room.
5. Parents/guardians visiting classrooms will be spectators, not participants.

It is understood that the school administration reserves the right to refuse visitation to persons who are not parents, guardians, or to persons it considers disruptive to the education process.
