Wild TV Studio

Our Wildcat TV Studio provides students the opportunity to create live morning announcements every day for the entire school to watch. We announce lunch, weather, news, information, birthdays, health tips, Book of the Month videos, and our pledges.

How can you join?

Each year in April-May, Mr. Tapia asks the 6th grade teachers to each nominate 6 students as possible candidates to join the TV Crew. Students are given 2 questions and a quote to discuss. Selections are based on student answers and behavior and grades. The crew consists of 15-20 6th graders, and they get the opportunity to go to a professional, local T.V. studio in May as a reward for their hard work all year!
