 - Lunch overcrowding continues to be an issue even on warm days where students are seated outside
- Community Health Fair
 - It was decided to postpone the community health fair until the fall of 2019-20 because it is simply too late to try and get something together by May. Next meeting (in May, we should land on some dates for either a back-to-school health fair or one in the fall in time for flu shots). It was also decided that the prime location is the intermediate parking lot and the bounce houses on the lawn. The suggestion was to AVOID Homecoming week.
 - Possible vendors:
 - Godley Flower Shop
 - MS & 6th grade band to perform
 - Art class to face paint
 - Pizza Station/Subway/Carmen's Cafe/Cefco/Sonic/
 - Spring Market
 - Roden Realty
 - National Center for Missing or Exploited Children
 - Cook Children's Hospital - Swim Band(s)

- Next Meeting - May - come back with dates and reports for Fall Community Health Fair
- The solicitation letter for new members was placed on the website - no responses
