America Celebrates

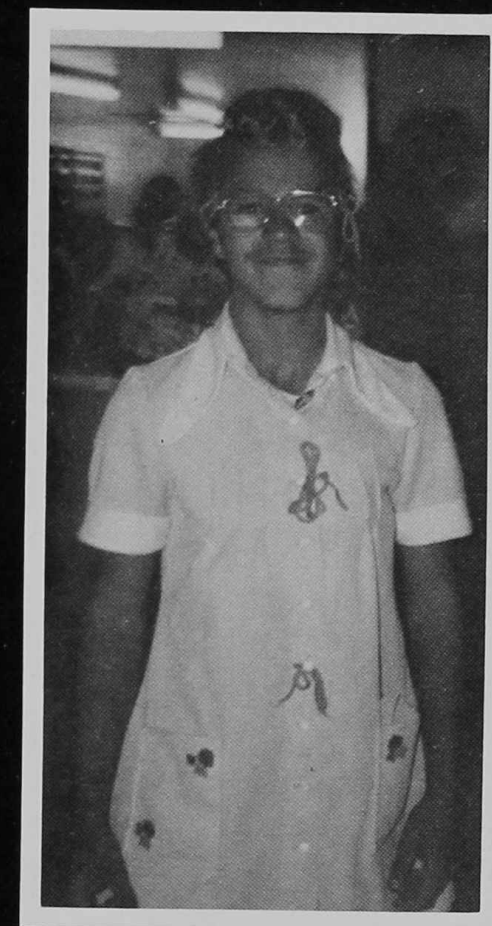

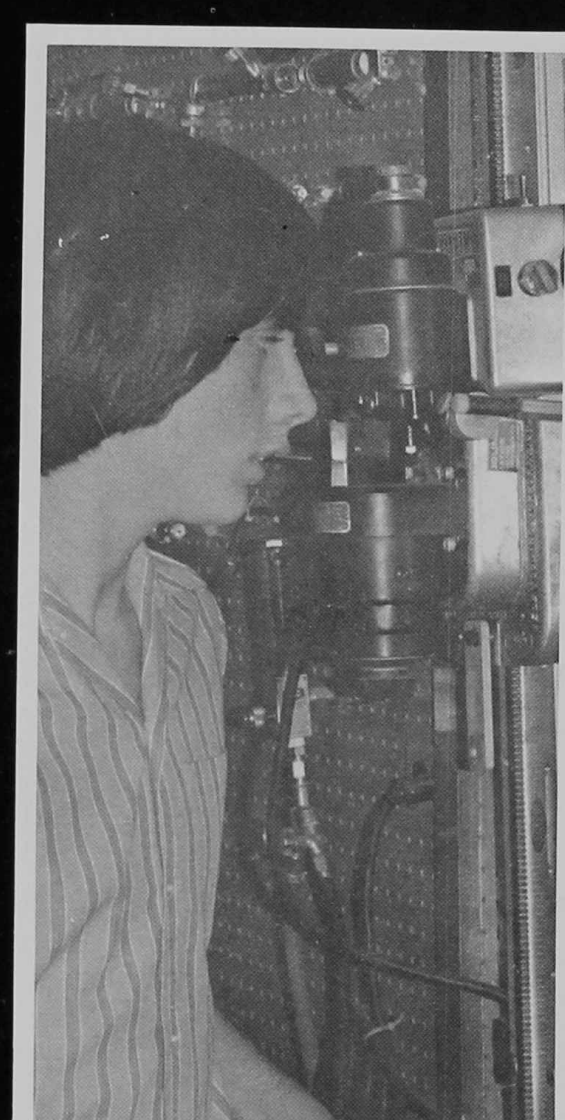

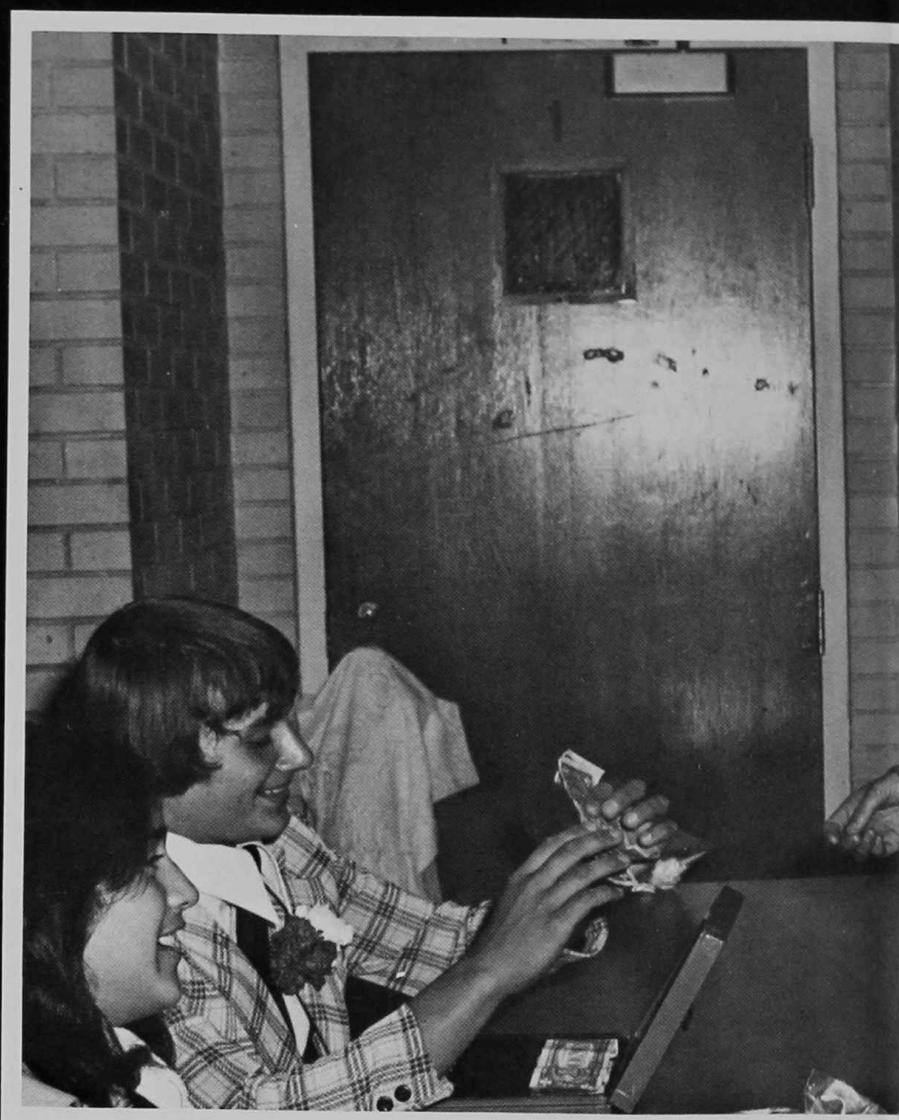

As far as countries go, the United States is only in the diaper stage, yet we have a standard of living unequaled in the world.

We have progressed from the primitive styles of the center couple of the up-to-date clothes of the couple at the right. From the quill to complex typing machines, and from adding on our fingers to intricate computers capable of performing thousands of mathematical operations at the same time.

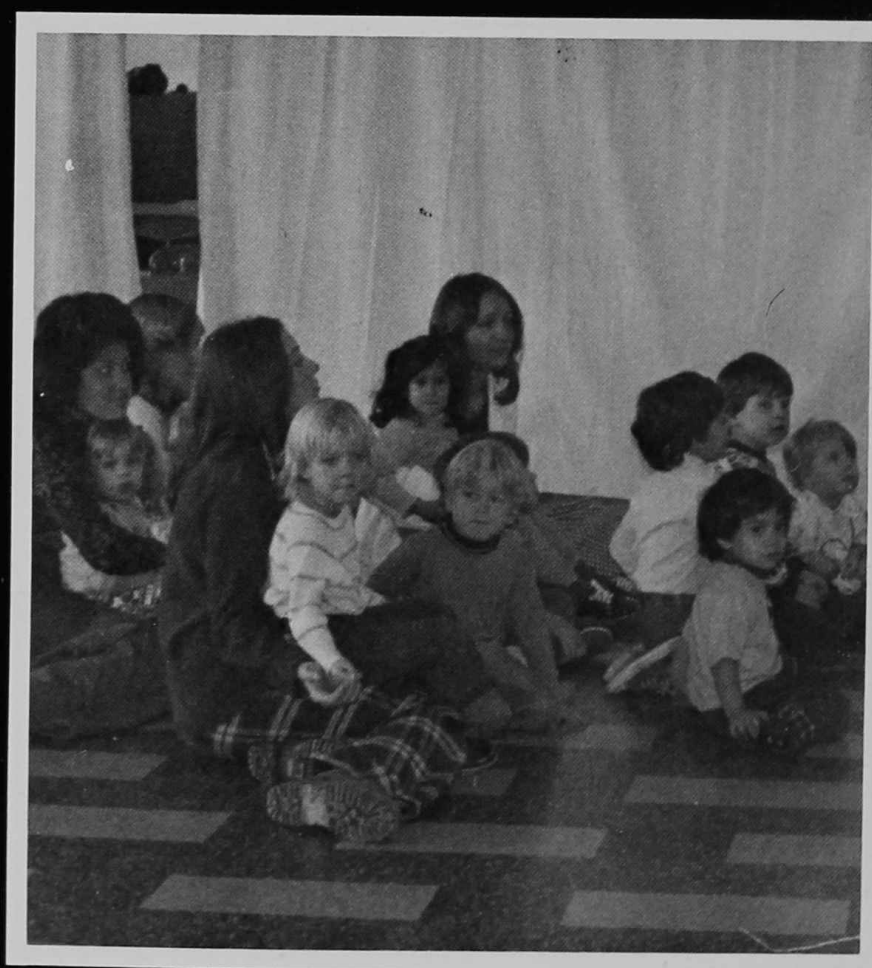

We have truly come a long way, but there is question whether anything really important has changed. One wonders how different the center couple really would be from any of the other people on these pages.

IF it's the next 200 years that worry you, no need to worry gang, the class of '77' will start them with a bang".

Welcoming Week

Welcoming the freshmen for two days was fun for both the freshmen and the seniors. The freshmen elected Steve Blea and Diane Merkel as the meanest senior boy and girl. The activities finally ended when the freshmen became full-fledged Falcons at halftime during the Powder Puff game.

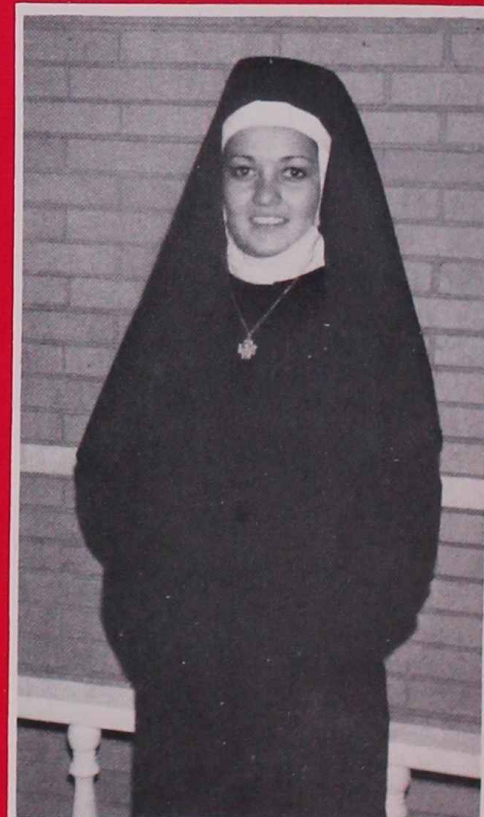

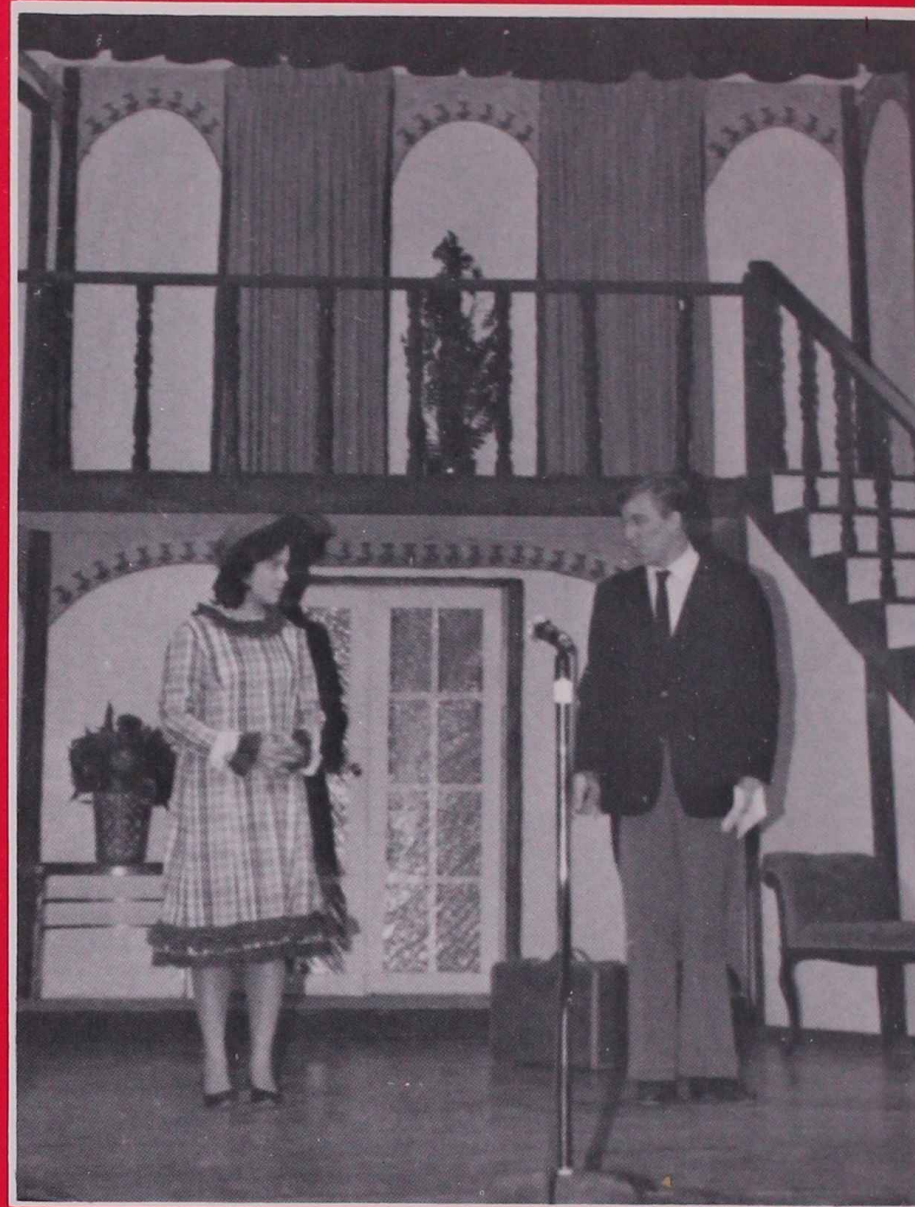

Kick-Off Dance

The Music Machine, a sound and light show, was the main attraction for the annual football kick-off dance. The dance was a big success and so was the football season.

The sophomore team saw 30 players complete the season.

Some of the outstanding offense players were: Dale Unrein, John Cathcart, Greg Billinger, Giles Houston, Victor DePinto, and Dan Markoff. Stand out defensive players were: Mike Molinaro, Pat Molano, Tom Delaney, Ralph Wyzard, and Ken Poore.

Coach Appuglise stated, "The sophomore football team gained much needed experience by scrimmaging such schools as East High, Manual High of Denver along with Northglenn, Holy Family, and also six games within the Skyline League. There was some very fine talent on the sophomore team and the one thing lacking other than experience was size. The future should be bright for these young players if they maintain their enthusiasm."

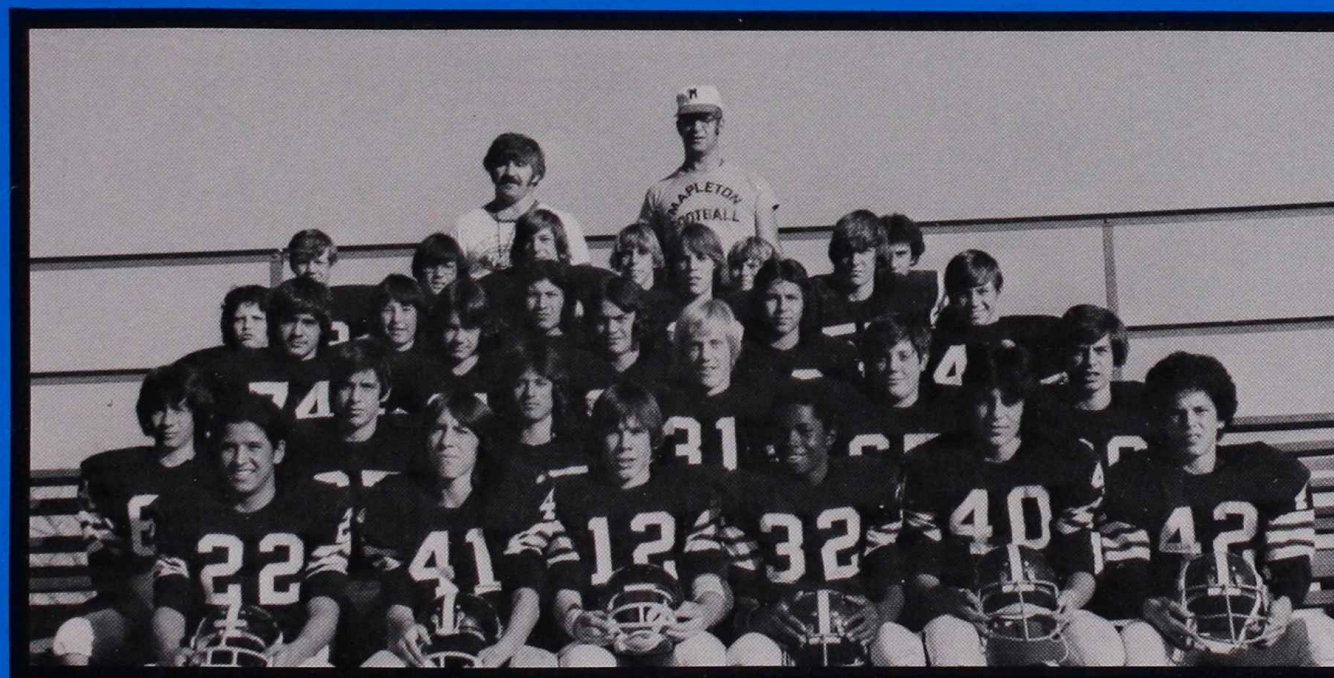

Sophomore, Freshman

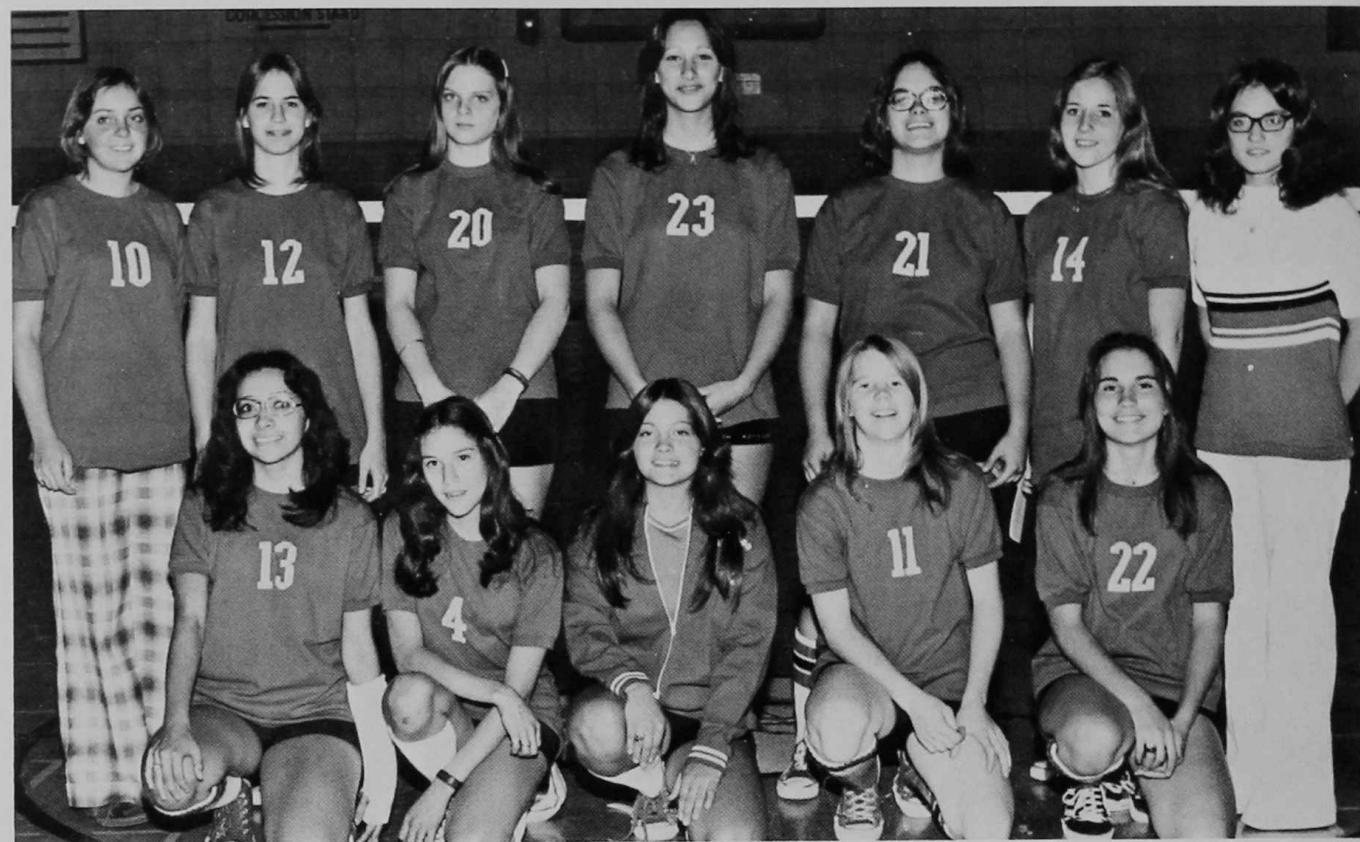

The freshman football team is one that will be remembered for quite some time. The ability and the strategy proved to be the key to the success as the team compiled a record of 5 and 3. The loss of the last game against Highland High was a hard fought battle. As the seconds of the clock ticked away, the hopes of championship soon faded.

Coach Byrd stated, "We lost to the league champions, Regis, 14 to 12. The ninth grade team was smaller in size than every team we played, but they played aggressively and with spirit and determination." Three of the last four years, the Mapleton freshman team has had a winning season.

Freshman

Varsity Volleyball

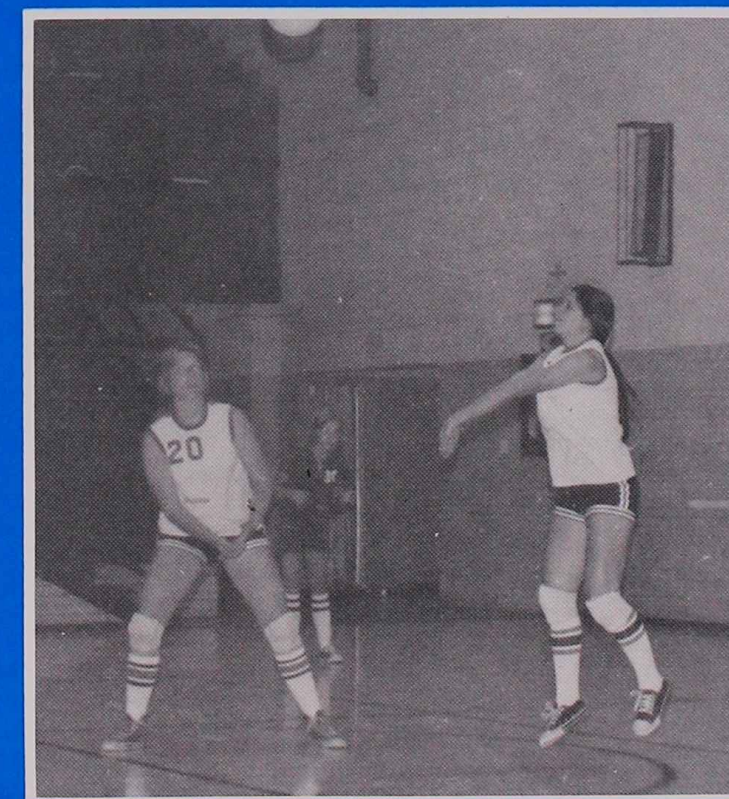

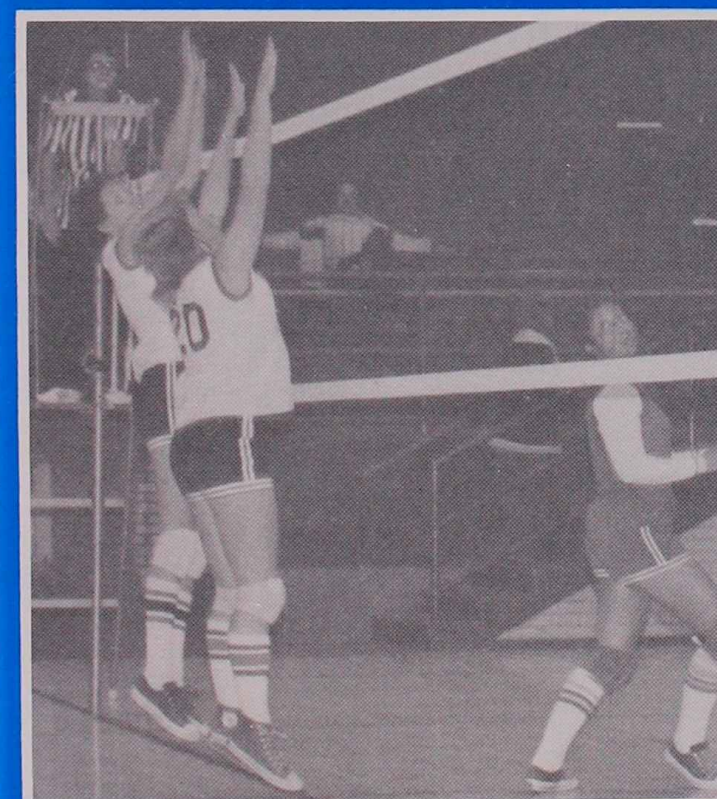

The volleyball team did pretty well this season. With an 18 game schedule this year, the girls ended up 8-10 and tied for third in their division. They began the season impressively well under Head Coach Sandy Coffey, now in her third year of coaching. Mrs. Coffey sparked the girls' enthusiasm for hopes in making the district playoffs to compete in the first Girls' State Volleyball Tournament. It was held at Mapleton and Highland on Nov. 14 and 15. The girls were proud to have been chosen as the hosts of the State Tournament. The girls battled some hard fought games placing high in their division. Head Coach Sandey Coffey selected ten young, enthusiastic women for her team. The girls did not always bring home a victory, however, they continued to stick in there and play as a team, not as individuals or for themselves.

As in years past, the spirit of girls' athletics is growing more and more. Also the level of skills and competition is becoming more perfected.

Boys' Swimming

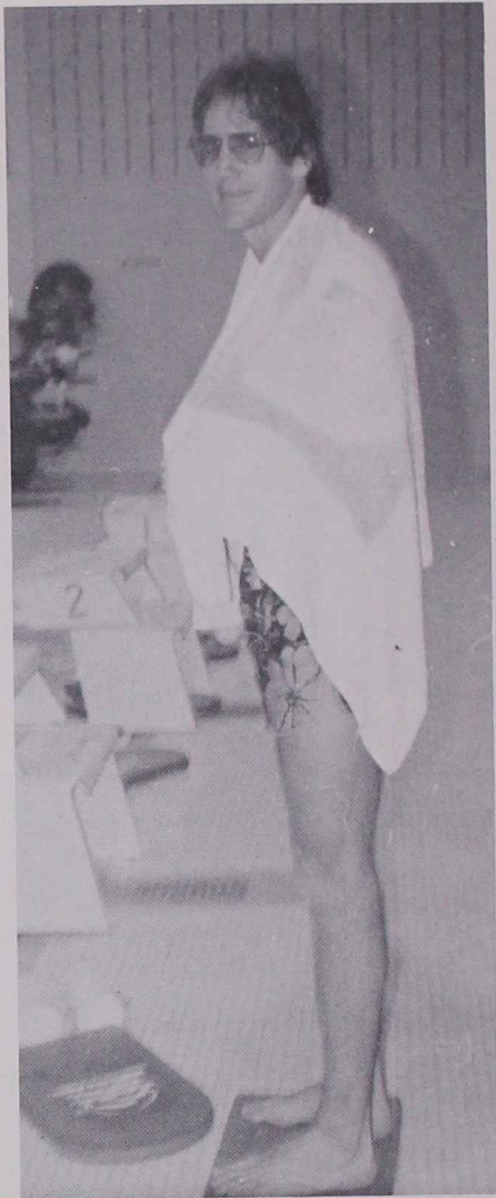

Although you could not tell by their win-loss record, the swim team put up a good fight this year. The losses outnumbered the wins but the swimmers proved to be tough competition for any opposing team.

At semester, Coach Johnston left for the Navy and Mr. Brian Janssen, took on the Falcons and kept up the spirit.
