The Future Is Ours
We Must Make The Pieces Fit,
Not To Be Forced
But To Be Sung In Tune.

Our Forever Lies In The Turning Aspen

In A Mirage In The Sierra Desert

A Mist Of Fog Cannot Bog Our Plans
For We Will Be
As They Have Been.

ADVERTISEMENTS, INDEX

ALL THE EXCITEMENT AND
THAT IS INVOLVED IN SCHOOL
THERE ARE OTHER THINGS TO
CONSIDERED.

SPRIT COMES FROM WITHIN THE
INDIVIDUAL. HE MUST HAVE THE POW-
ER OF THOUGHT AND COMMUNICATION
TO MAKE SPRIT WORK FOR HIM. WITH-
OUT THE WILL TO GIVE FROM EACH
PERSON, SPRIT BECOMES AN EXTINCT
RESOURCE.

SO WHAT IS SPRIT? IT IS INVOLVE-
MENT, ENTHUSIASM, AND THE SUP-
PORT OF ONE'S OWN BELIEFS. THE FAC-
ULTY, STAFF, AND STUDENT BODY
WORK TOGETHER AS ONE TO UNIFY OUR
SCHOOL. SPRIT COMES FROM THE
SOUL, SO ANYONE MAY HAVE SPRIT.

HOMECOMING 77

The class of 1977 took first place in float competition again this year, for the fourth time in a row (pictured above).

Second place was won by the Sophomore class (this page, left).

Third place went to the Juniors (this page, lower left).

Last but not least, the Frosh struggled to fourth place (below).

In club competition, first place went to FBLA. This was the first year FBLA had a float (center, left page).

Second place went to HERO (lower left page).

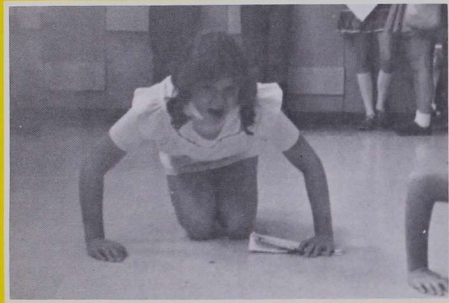

This year, Pep Band made a float for the band to ride on (upper left page).

FROSH WELCOME?

The week of September 27-29, marked the beginning activities for Frosh initiation. Activities were held three consecutive days, with the final act, held at half-time during the Powder Puff football game. After taking the Falcon Oath the Frosh walked off the field as true Mapleton High School Falcons.

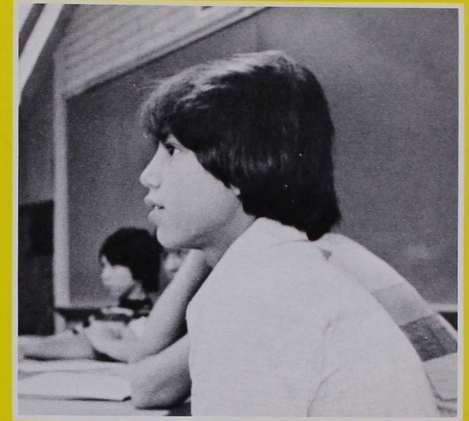

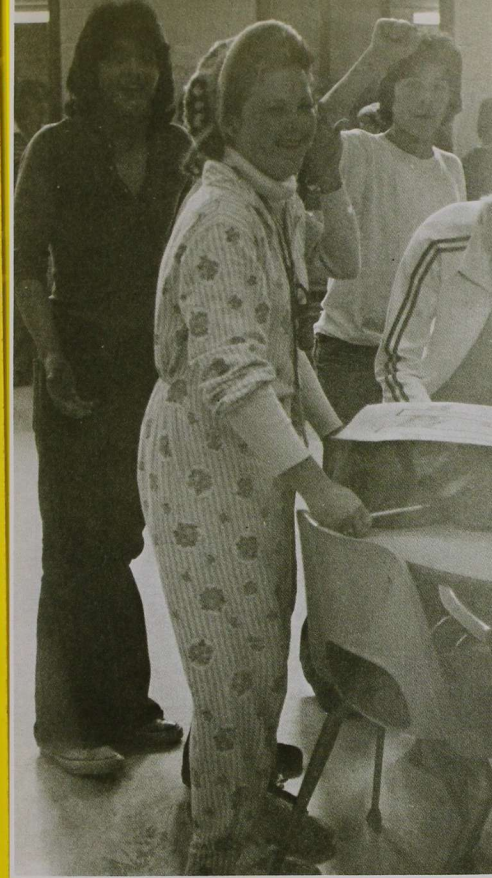

FROSH WELCOME!

There's no business like nose business.

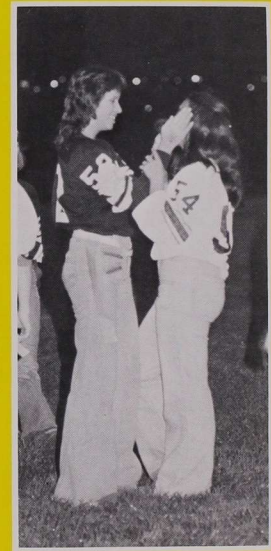

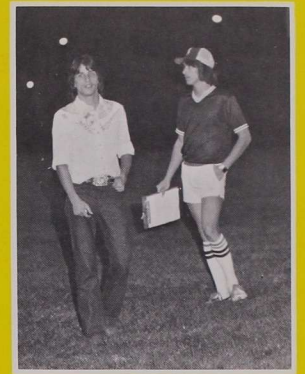

WOW! I can't believe this week.

A DIFFERENT KIND OF SCHOOL

Alternative #1 is in its first year. Students come from Highland, Mapleton, York, and John Dewey.

The purpose of Alternative #1 is different for different people. Some feel it's a way of getting closer to reality through a different way of learning and more responsibility. Others feel it's an opportunity to realize their ambitions and goals. However, all agree that the major purpose is to graduate.

These purposes are realized through the classes, family units, town meetings and activities. Half-hour

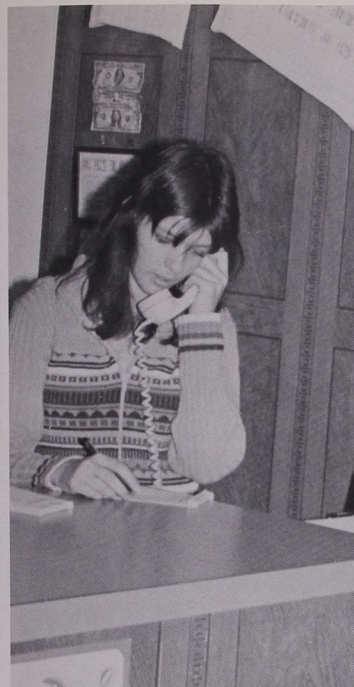

classes are held from 8 a.m. until 10 a.m. and a 45 minute class follows. Contracts and independent studies also help students fulfill their purposes.

The school is divided into family units composed of 10 students to every teacher. Every morning at 8 a.m. the students and teachers meet to talk about any subject.

On Friday mornings town meetings are held. In the late Friday mornings, students participate in activities such as field trips, football, tennis and indoor games.

ABOVE - STAFF: Ms. Diane Hancock, English; Mr. John Kreutzer, math and science; Mr. Don Middleton, social studies; Mr. Sal Diliberto, C.O.E. (Career Occupational Education); Ms. Marge Gallegos, English and reading; Ms. Gerry Llewellyn, career education and physical education; TOP RIGHT: Brian Young involved in independent study; RIGHT: Cathy Reddy and Darlene Madrid wrote for the public relations class.

LEFT: Donna Schrecongost took an order over the phone as part of her job at Pizza Square. She was in a class called C.O.E. This class offered different job opportunities such as food services, custodial, mechanical, shipping, and warehousing. Twenty-two students were in C.O.E.; BELOW: At the town meetings, held every Friday, students discussed problems, field trips, and activities. These meetings were based on the needs of the school and students. The school was organized through them. GIRLS BASKETBALL

Varsity

Although Mapleton's record wasn't a winning record, the girls were tough. Varsity was lead by Laurie Billeter as high scorer, and Carol Graham pulled in the rebounds. The rest of the team helped a great deal in pitching in points and rebounds. J. V. had everyone shooting and rebounding, and the team found they had one ingredient for playing ball - TEAMWORK. The freshmen did rather well in their season with their last game battling Central Catholic for third place. The freshmen had enthusiasm and a lot of spirit.

DEDICATION

This year's Dedication page is divided into two sections for two very important people. The publications classes found outstanding contributions in Mrs. Goodstein and Manuel Lopez, and would like to thank them both for their support given to Mapleton High School.

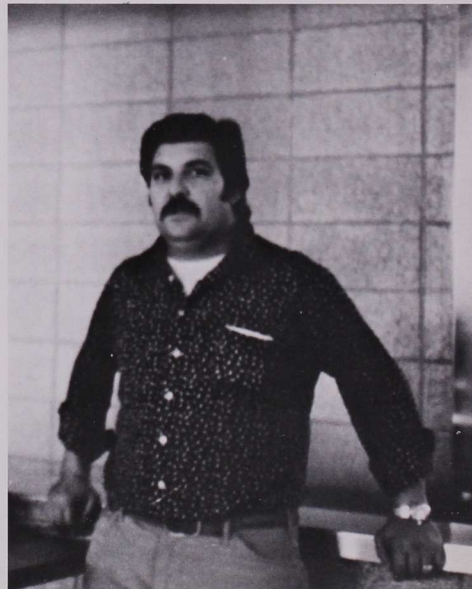

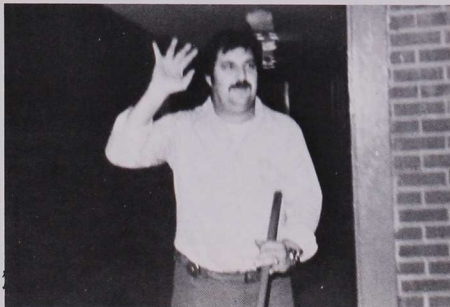

LILLIAN GOODSTEIN, LIBRARIAN

Mrs. Lillian Goodstein has been working at Mapleton High School since 1957, the second longest of any staff member still here. She has contributed many things to our library, including the setting up of the Dewey Decimal System and the ordering of all of the library books. Thank you very much for your dedication and hard work, Mrs. Goodstein.

MANUEL LOPEZ, CUSTODIAN

Manuel Lopez, janitor at Mapleton High School, has also been chosen for our Dedication page. Manuel has been with Mapleton for 4 years. He worked at Highland 1 year before he came to Mapleton. He has many friends here--students and teachers who respect and appreciate his hard work. Congratulations, and keep up the good work, Manuel.
