HIGHLAND HIGH SCHOOL

HIGHLAND TAKES ON A NEW CONSTRUCTIVE OUTLOOK

In May of 1973, one of the most exciting construction projects in Highland's history began. The construction company invaded our grounds and the long awaited swimming pool, auditorium, and vocational wing were soon to become an exciting reality.

With the advent of these additions we can boast of achieving a degree of comprehensiveness related to programs offered.

Our pool is designed for indoors, and will be 25 meters, and provides District One students and citizens an opportunity to be involved in a year round swimming program.

The auditorium will have chairs with padded backs and seats and will accommodate 743 people. It will be a tremendous asset for the performing arts department.

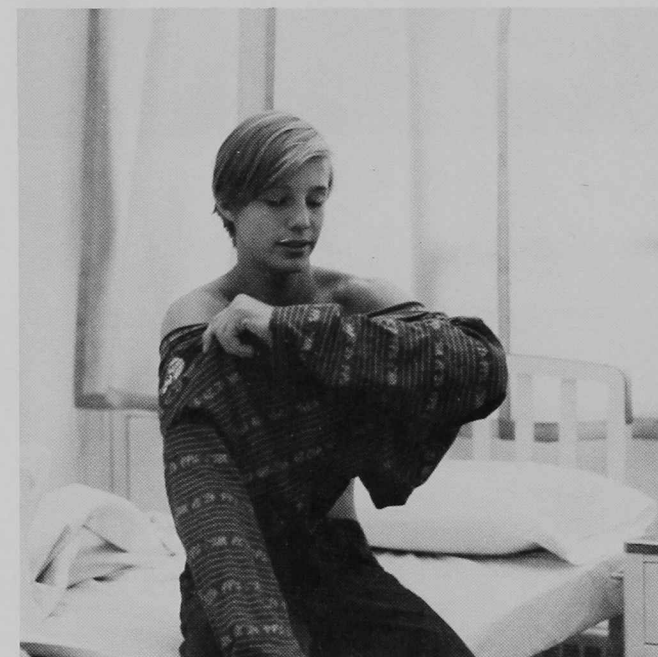

The vocational wing will house programs we have always wanted to add to our curriculum. They are auto mechanics, welding, metal, power mechanics, and provide a permanent home for the electronics programs.

Completion dates are a little ambiguous at this time. However, the construction company is talking January of seventy-four for the pool and vocational wing and February seventy-four for the auditorium.

RISE AND SHINE... THE DAY'S JUST BEGUN...

... We awaken to the music
of the alarm clock;
then all the hustle and
bustle of getting dressed.
rush to get a bite to eat,
brush your teeth and your on
your way for another day...

p. s.

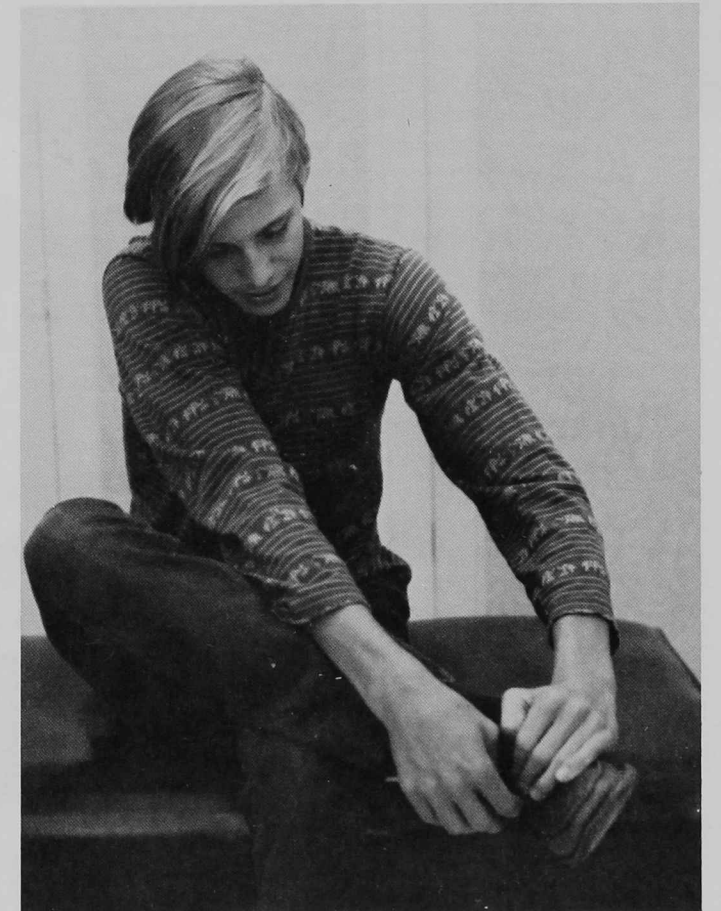

we'd like to thank
Jerry Peterson and
Cathy Conner for
their help.

ARRIVAL AT SCHOOL BEGINS ANOTHER DAY . . .

. . . some kids make it on time,
some others are late,
but we all come to school with
the thought of learning . . .

Highland High School we thank you
for your time and efforts; please
continue to help us through the
following years to come.

ADMINISTRATION

DEDICATION

Mr. Ted Polito

This year's yearbook is dedicated to a man whom we feel is deserving of some special recognition. Too often times the efforts, hard work and responsibility of certain individuals go either unrewarded or unrecognized. With this in mind, the yearbook staff of 1973-74 wish to dedicate our yearbook to none other than the educational leader of our school, Mr. Ted Polito. We hope that this dedication will always serve as a vivid reminder to Mr. Polito that his efforts, hard work, enthusiasm and dedication (which all goes with being an outstanding principal) is really worth it and which will cause him to continue to provide both the inspiration and leadership which he has provided in the past.

ADMINISTRATION

Mr. Donald Cost,
Assistant Principal

Almost everything that goes on at school concerns Mr. Cost. If he is not busy in a student-parent conference he is always around doing something else just as important. He says he does not usually get done with everything he starts but at least the problem is brought up. All together Mr. Cost has a busy day every day trying to create the best atmosphere as possible for education.

Mr. Darrell Dilworth
Assistant Principal

As a new administrator at Highland High School Mr. Dilworth has had seven years experience in teaching, the last four of these years at Highland.

He began his new office as Assistant Principal of Highland in March of 1973.

His major responsibilities are the coordination of guidance services for the ninth and eleventh grade boys at Highland. He also supervises athletics and works very closely with teachers in order to improve instruction.

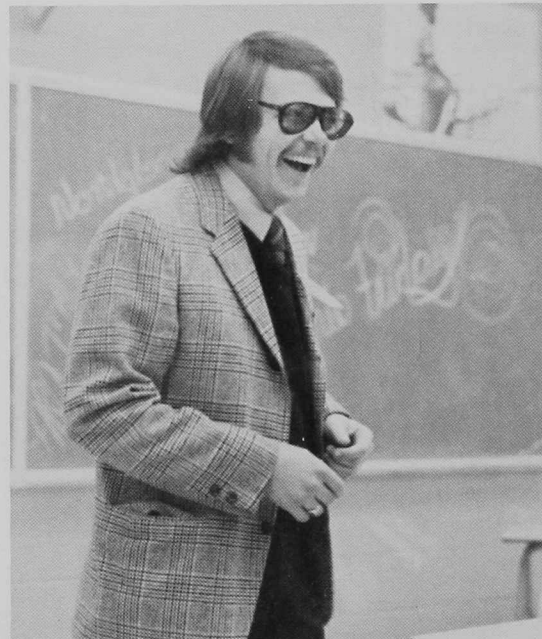

Miss Billie Ann Camp
Assistant Principal

Miss Camp's major responsibilities deal with supervision and guidance of girls at Highland.

In order to meet the tremendous demands of her office she also works very closely with a professional referral staff which includes counselors, social workers, court counselors, school nurses as well as a complete mental health team.

Teachers hold Inservice Workshop

Dr. Raymond McGuire

Ruth
Harding

...for

Being a

Good

Friend...

On Wednesday, February 13, 1974, a Faculty Inservice Workshop was held. Students went home at 11:30 a.m. The rest of the day went something like this: Shortly after 11:30, the faculty enjoyed a luncheon. Following the luncheon, Dr. Raymond McGuire, Superintendent of School District No. 14 Adams City, gave the keynote address. Several other important people were on hand for the day, they include: Mr. George DiTirro, Superintendent of Schools, School District No. 1; Dr. Mike Severino, Assistant Superintendent of Mapleton Public Schools; Mr. Tom Maes, Special Services Director, School District No. 1.

After the keynote address, the teachers were scheduled into two large groups to hear speakers representing various agencies. The speakers were: Judge James Delaney, representing the courts; Officer Jim Smith, representing law enforcement and the Thornton Police Department; Dr. Phil Nelson, Mental Health; and Mrs. Harris, representing Social Services.

Over all, it turned out to be a good change of pace day for faculty. The majority of teachers felt that the day was well spent and that the program was beneficial to all.

A Tribute To Mrs. Harding

Mrs. Ruth Harding is retiring after 11 years of service as the counseling secretary and registrar at Highland High School. Before Mrs. Harding came to Highland she had worked at several other schools such as Mapleton, Bertha Heid, and Lucy Auld. Mrs. Harding has been in the Mapleton School District since 1959. Everyone at Highland will miss the efficient work of Mrs. Harding in future years.

The Counselors, especially, Mr. O'Brien, Mr. Aragon, Mrs. Russell, and Mr. Petrillo---would like to say "Thank you" for not only a job well done but also for being a good friend.

This year's DECA had a very busy and fun-filled year. The group ran the Hi-Lite Shop, and sponsored the Homecoming parade. They sponsored the District Leadership Conference, and attended the State Conference in Colorado Springs.

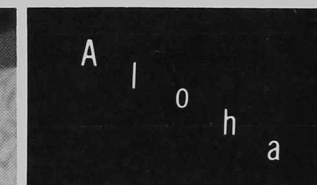

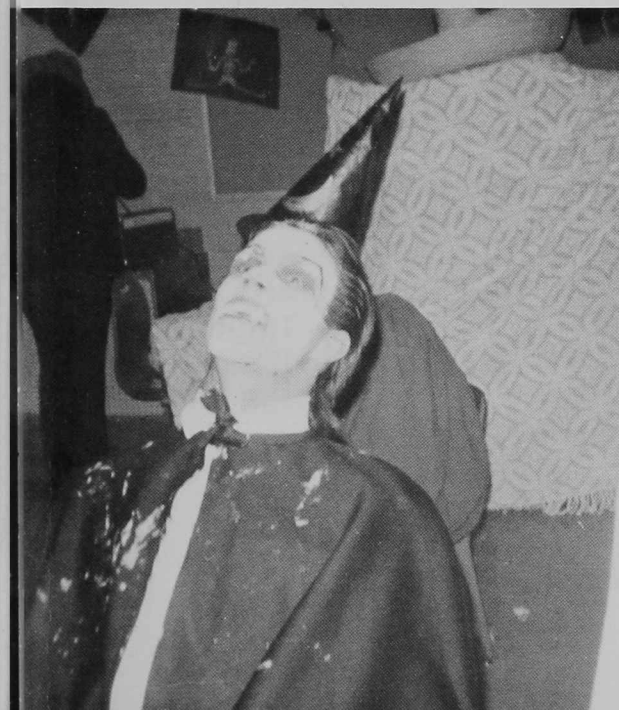

They also performed many community services, including visiting the kids in Valley View Hospital, and decorating a Christmas tree for Alpine Nursing Home.

The D.E. classes listened to many guest speakers, and took numerous field trips pertaining to the marketing field.

Highlighting the year was a trip to Hawaii this last summer in which several area schools went. They spent two weeks on Oahu, and toured Hawaiian industries, and attended classes on animal and plant life on the island. The club's sponsor, Mr. Hall, was the guiding light in all they did.

German Club

"Der Deutsche Verein," Highland's German Club, was organized for two purposes. First, we sponsor cultural activities such as attending a German language play at D.U. and celebrating German holidays and festivals, including Oktoberfest. Second, we try to earn money in order to award scholarships to deserving Highland students for a summer trip to Germany. Among activities for this purpose were: participating in the Northglenn Halloween Bazaar, the "You Must Have Been a Beautiful Baby," contest and selling poster stationery.

Club officers are President, Beth Sloan; 1st Vice President, Dave Roberts; 2nd Vice President, Becky Moses; Secretary, Patty Bauer and Connie Meier, Treasurer. Mrs. Woods is club sponsor.

Cosmetology

One of the many fields of vocational education that students may enroll in is cosmetology. Students of cosmetology learn professional ethics in the arts of hairstyling, coloring, and cutting, along with good grooming.

Students enroll the summer before their senior year and they complete the course at the end of 1650 hours.

Cosmetology is a thriving and rewarding profession and will always be in demand by the public.

Students receive this training at the Thornton Northglenn Beauty College.

YEARBOOK

You might have seen some of us wandering the halls between classes this year. Well, if you did then you saw members of the yearbook staff working on gathering material for the 73-74 yearbook. The staff worked hard at putting together a good representation of the school, to show as much as possible the activities that took place this school year.

The annual is a book of memories, of you and your friends, to be kept alive as long as you have the book.

In brief, the yearbook is a record book of all the school's activities. It is an album of pictures with close friends and distant friends and not to be left out, yourself.

Joe Schum

Joe Schum, the editor for the 73-74 yearbook, has spent many hours making this yearbook possible.

Our very special thanks and appreciation to Cheryl Dempewolf for many hours of typing for the yearbook.

"We believe that school athletics are a potential educative force of great power that is not used nearly as much as it should be and that is sometimes even mis-used. We believe that concentrated efforts should be made by school personnel and by other citizens to capitalize more effectively on the potential values in school athletics..."

Educational Policies Commission, Washington D.C. N.E.A. 1954 pp. 3-4

The Highland High School athletic program is such that it takes into consideration almost all kinds of talent and personalities--everything from the total isolation of a Cross Country race to the pile of bodies on the line of scrimmage--and utilizes the full range of body types--thin, heavy, frail, muscular, tall, short, large, small. An individual may be competing as a part of a complete and highly coordinated unit or he may be competing individually. Some of our athletes must command a full range of skills, while others are valued for their speciality--kicking fieldgoals, pinch hitting, or high jumping. Some aspects of the athletic program at Highland High School require no contact at all, while others place the athlete in the heart of physical contact. Some challenges are very personal and others are totally impersonal.

This years Highland High School football team had its most successful season ever. Despite the lack of over all team size the Hornets played each game with a great deal of competitive spirit. Hustle and desire were the main ingredients. Not one opponent felt that the Hornets were an easy game. The defeats suffered could have easily been victories with a break or two in each game. For the first time in the school's history they defeated Adams City and won their first Homecoming game.

A record total of 117 young student athletes were involved in the football program this year. Once again every young man that stayed out and finished the season received either a Varsity (45), Junior Varsity (23), or Freshmen letter (42). Six Seniors and two Juniors received All-Conference honors making this the most ever honored for Highland High School.

The prospects for next year are bright because of some outstanding young players coming up. We will miss the great players the Senior class had, but are anxious to see the Juniors fill their shoes.

The Highland Freshmen had one of their most successful seasons this year posting a 7-1 record and tying for the Conference Championship. The tough Freshmen defense allowed only 26 points to eight opponents and held four teams scoreless. In one of the toughest games, the Hornets beat arch rival, Mapleton, 6-0 on an 80 yard Flea flicker pass. All 41 members of the Freshmen team look forward to bringing more Conference Championships to Highland.

This year's golf team had no individual standouts but they did have something that we have lacked in the past. They achieved some consistency and at the same time set some school records. The team set a new Highland record at Hyland Hills Golf Course (366), at Indiantree Golf Course (359), and at Adams County Golf Course (360). They also set a record as the Highland team with the best team average for league tournaments 365.5 strokes per tournament. Senior members of the team were Benny Bautista, Dan Hardy, John Silva, and Monte Tridle.

Homecoming

Highland High School celebrated their Homecoming during the week of the 17th through the 22nd of September. There were many activities during the week, such as the "jelly bean contest" held on Monday. The winners of the contest were Becky Allwein and Donald Thomas, a band member.

On Thursday, the Powder Puff game was held in which the Seniors were victorious over the Juniors in a close score of 15-13. Later that night the school sponsored the Homecoming Variety Show which was held at 8:00 p.m., in the Varsity Gym. Some of the acts included alumni Randy Landers and Ron Russell. To top off the evening, Mr. Newton demonstrated a hidden talent when he sang "Something". When the big day was near everyone celebrated the past. During the "50's" Day, there was a dance in the cafeteria with music by Bill Haley and the "Comets" and several others.

On the Friday of Homecoming week the class floats arrived from several hidaways. The winners of the class floats were; Freshmen first, Juniors second, Seniors third, and Sophomores fourth. At the end of the day the floats proceeded on a previously planned course through town. During the day an assembly was scheduled with Mr. DiTirro joining in on cheers and then submerging himself in a trough, much to the delight of the students and faculty. That night the mighty Highland Hornets stung the Meritt Hutton football team with a 31-0 victory.

Saturday night the Dance was held in the High School Cafeteria. The Hornets celebrated from 8:00 p.m. - 11:00 p.m. Shirley Sigala was crowned Queen and her attendents were Tina LaGreca and Dawn Wilkins.

This year Highland High School's Homecoming turned out to be a great success.

The Old Folks:

The skit is about two over-the-hill swingers who try to get the flame shooting' again.

Alice Portnoy and the Bank Robbers:

Gangsters who just pull off a somewhat raunchy heist find that their problems have far from ended when Alice Portnoy from the Fireside girls shows up. She wants to sell tickets to a Mexican Dinner.

As the Stomach Turns:

Since our favorite daytime tv show was taken off the air, we thought that we would replace "Secret Storm" with our own action-packed "As the Stomach Turns".

The Greatest Man Alive:

No recognition! That's why Amos Benedict is hanging himself. But Tom, his friend, wants to go to the library. What a choice.

First Prize:

Annie Wubble, the winner of the baking contest, is supposed to be a typical housewife. By no means is she typical. She is built and used the same recipe that's on the box.

Andy Hardy:

Good old short Andy Hardy is in love. And he wants dad, Judge Hardy, to meet her.

Cold War:

The greatest battle ever. The common cold. How many miracle drugs are there? One thing for sure they always have after effects.

Musical Numbers include two selections by the "4our Postraumis," and Italian Quartet, and Kity Liter and her cats singing a song from Guys and Dolls, and of course, our theme song, "Comedy Tonite".
