Our Year

Year after year Highland sees many of the same activities, such as school events, sitting in the cafeteria, eating lunch at the familiar restaurants, and studying the same subjects. However, it is the people who give a new light to these habitual activities; our administration, the staff, and you who endeavor to make "Our Years" memorable ones.

High school is filled with ..
Times that we remember
Experiences we regret
And filled with many memories
We hope to never forget

The nervousness on your first
day
That joy of your first love
All the anxiety that builds
at football games
With the stadium lights above

The days of just being crazy
And laughing with your friends
Those endless Saturday night
parties
That we hoped would never end

Some moments we laughed at
assemblies
And poked fun at our school
lunches
Cold nights when we gathered
at McDonald's
In our own separate social bunches

We shall always remember the
events of these four years
Every moment and every day

Cross Country

Qualifying for the State cross country championships capped a great season for the Hornets. Reuben Montanez and Brad Barnes led the team with great performances throughout the year. Both held the cross country 3-mile record. Coming through steadily in every meet was Sophomore Jeff Castor. Senior Tim Guerrero, Sophomores Tom Maes, Joe Andrew, Curtis Hill, and Freshmen Dave Garcia, John Laurienti, Tony Laurienti all contributed greatly to the best cross country season ever at Highland High.

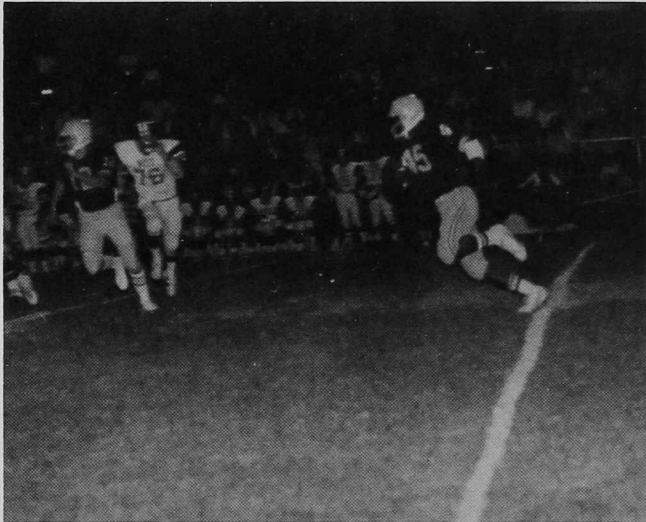

Can't win 'em all

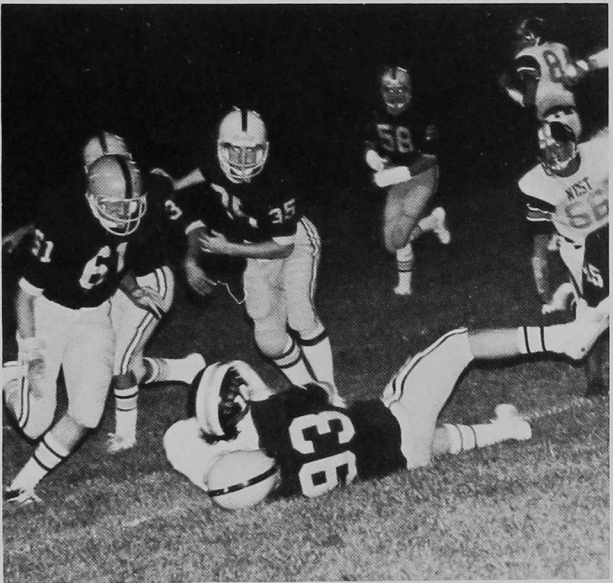

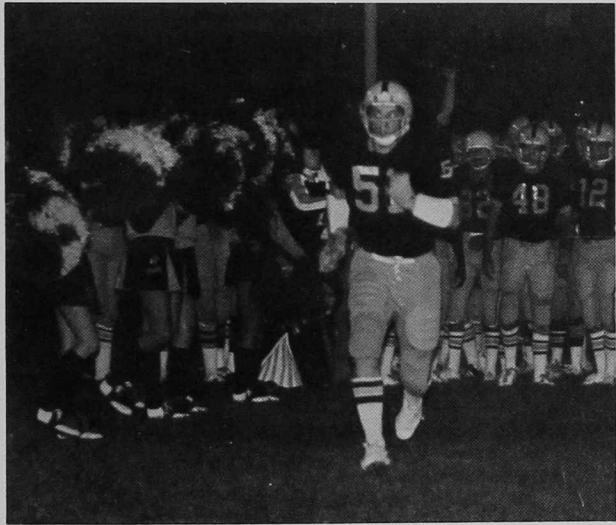

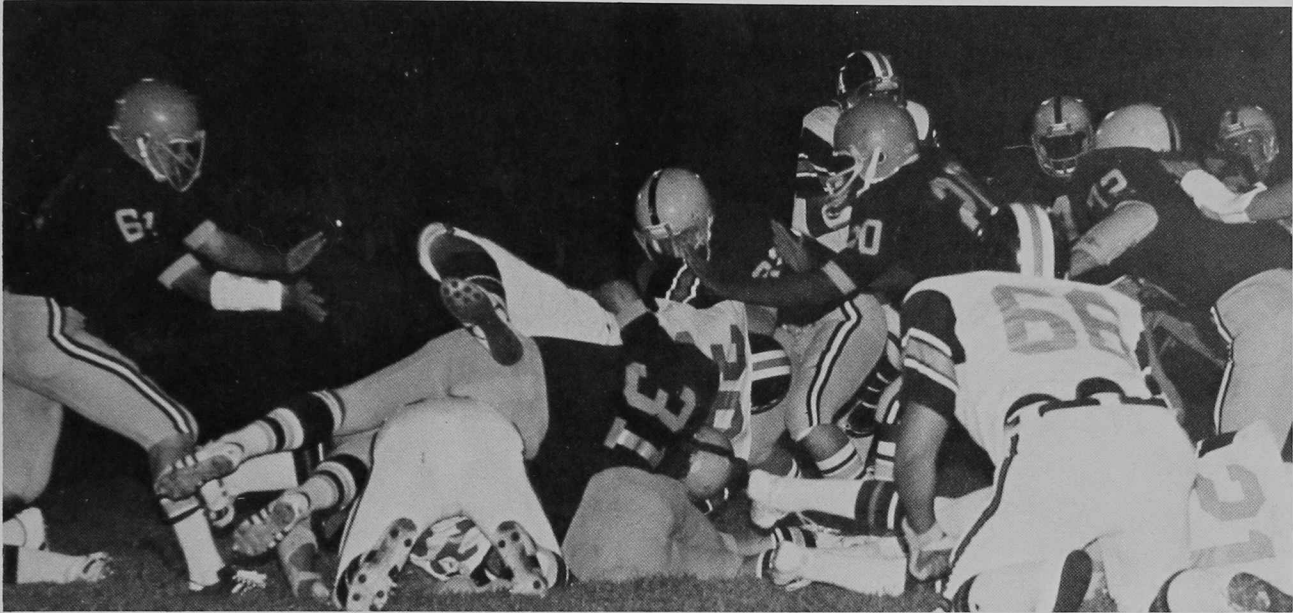

So near and yet so far. Highland this year played some of the best football the school had ever played, yet came up short on the scoreboard. I felt the team played as well as they could and the players gave of themselves fully.

Competing in the rugged Skyline League took its toll in the fourth quarter. There was little that could be done to overcome some advantages, yet this did not prevent Highland from giving everything they had. I would like to say it was a privilege I'll always remember to have had the opportunity to work with so many fine young men, who have come through the foot-ball program and I wish the them all the best of luck.

Mr. Dillworth

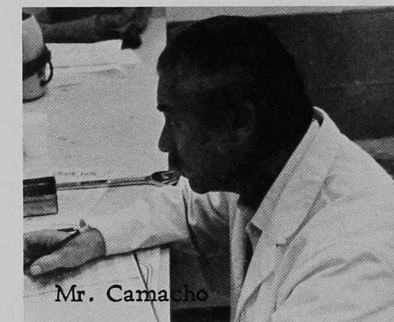

Darrel Dilworth was assistant principal here at Highland high. He was a prominent figure in our administration. As an assistant principal he handled student activities, and the Building Athletic Program. As we all know, he left Highland for a more promising future at Arvada High School; where he is acting as Administrative Aid.

Mr. Dilworth was with us for eight years. He was head wrestling coach for two years, and head football coach for three. As a teacher he taught Russian History, and Anthropology.

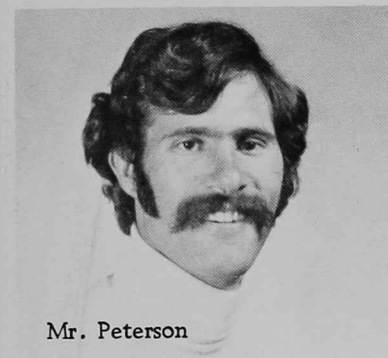

Although Mr. Dilworth left Highland, all his great accomplishments are sure to be remembered.
