

THE LAST OF THE 70S

HIGHLAND 1979

HIGHLAND HIGH SCHOOL

9000 York Street

Thornton, Colorado

Volume XV, 1979

A footstep to the future,
A footprint in the past
Are the signs of our high school years,
And memories that will always last.

The remembrances we store behind us,
Will help us in coming days,
The experience and knowledge we've gained
Will help us in many ways.

Though we may not realize it now
These years are among the very good,
And all we felt in these four years
Have strengthened us as no others could.

The footprint that we leave behind
Will be seen by those yet to come,
And remembered by us as years of joy
And filled with lots of fun.

Our footstep to the future,
We must now follow and always trust,
For it is what our future brings
It is what's to become of us.

The stairs we climb oh so

MAKE THOSE MIRACLES

HAPPEN

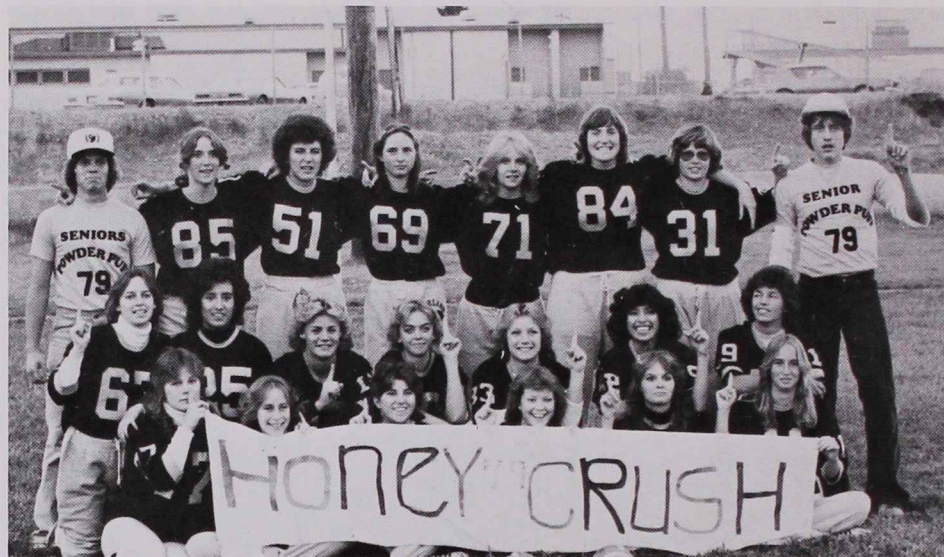

Highland High School managed to survive an afternoon of screaming, laughing, and gorilla antics during the Homecoming pep assembly and the pep rally at McDonalds. Spirit groups performed, class competitions involved penny pushing and marshmallow eating. The teachers raced across the gym on tri-cycles. It was a great success.

ski club

This year the Highland Ski Club was recognized as an official club and received a 70% discount on ski lift tickets at Winter Park. A large part of the ski trips were at Winter Park because of this discount, one of which was an overnigher. The club also skied Vail, Copper Mountain and Loveland.

Pictured above are some of the many members of the 1979 ski club. Ski club members include the following: G. Allen, S. Alvarado, J. Andres, M. Charleston, R. Cook, M. Deaguero, D. Denison, K. CHESS CLUB

These are some of the members in Chess Club: Darrell Brown, Greg Wolfe, Mike Scheer, Gary Jonas, Melba Garzon, Brian Jacob, Pat Fitzgerald, Jim Winter, John Hughes, Sponsor, Mr. Howard.

One thought provoking and busy Highland club is the Chess Club sponsored by Mr. Howard. Besides playing chess, the club plays backgammon. Their usual day for playing is Thursday after school. Spirit in Action !

Moma Bee and Baby Bee showing their spirit at the pep assembly, even the gorilla gets into the act.

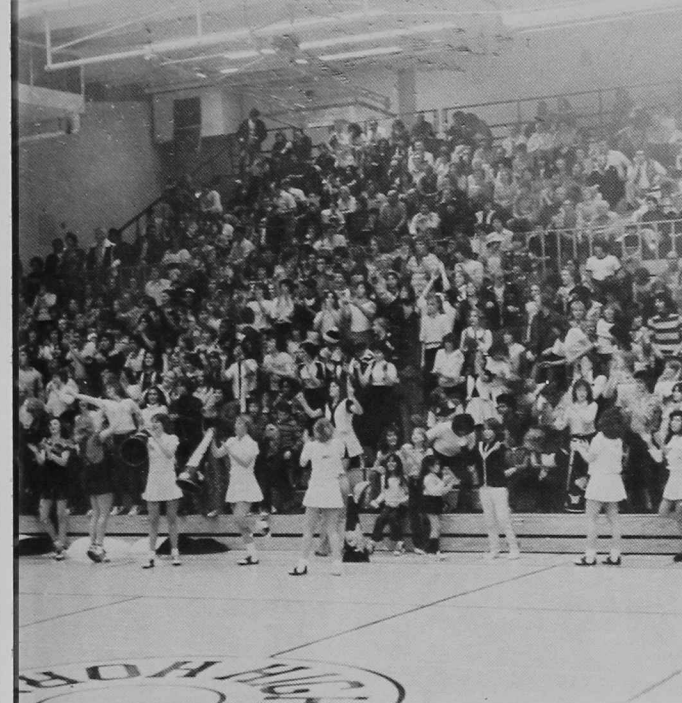

Cheer leaders pom-pon drill team color guard pep club are our supporting and cheering groups.

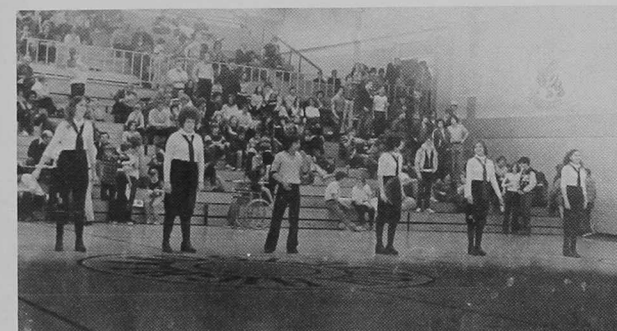

All the time these groups spend on practicing cheers making up routines, all the money spent on uniforms

Pays off when they get to perform and cheer for the team that will do well.

The Highland crowd fills the stands while the band helps the cheerleaders and pom poms spark the crowd.

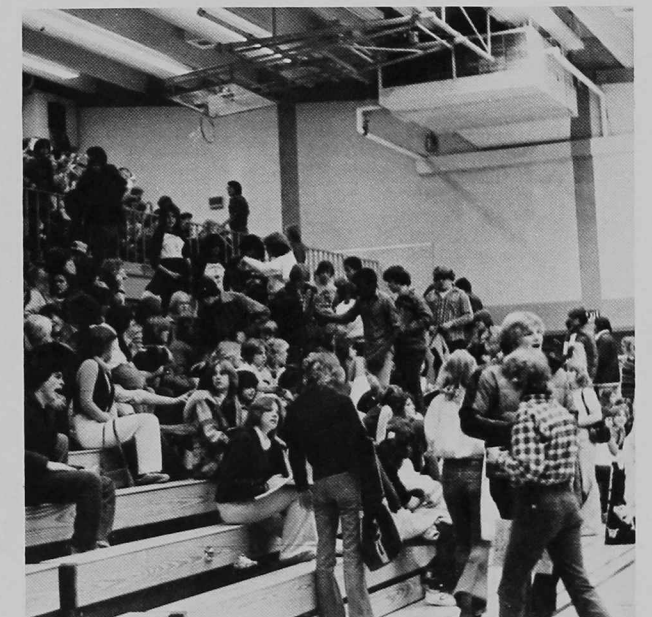

During halftime the Highland spirit groups perform. The hours of practice pay off with the sound of applause.

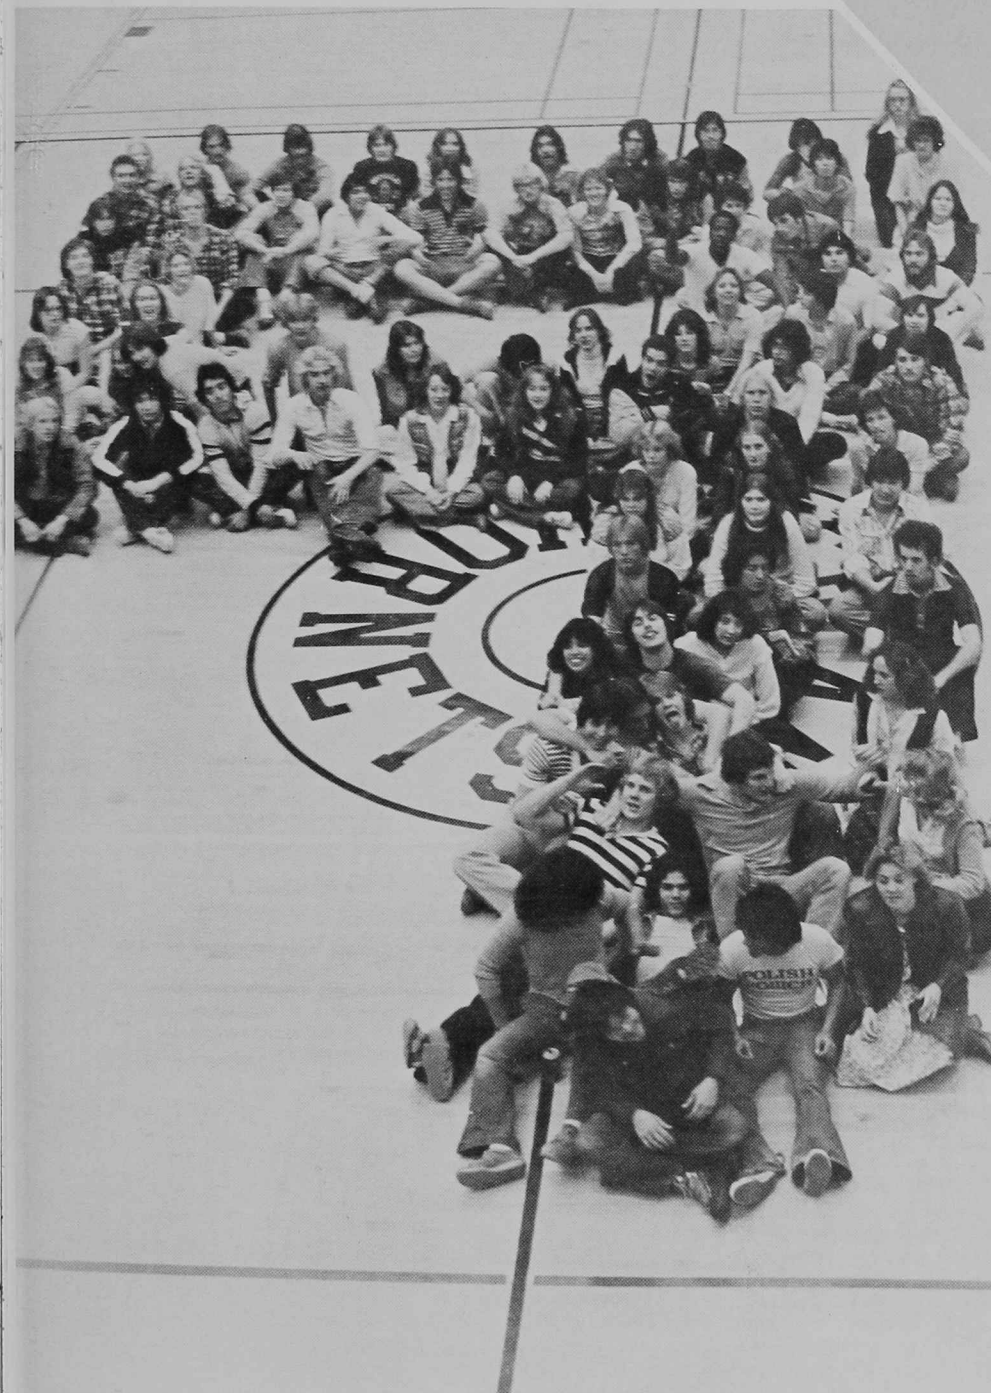

A view of the opposition's crowd. Do you call this spirit?

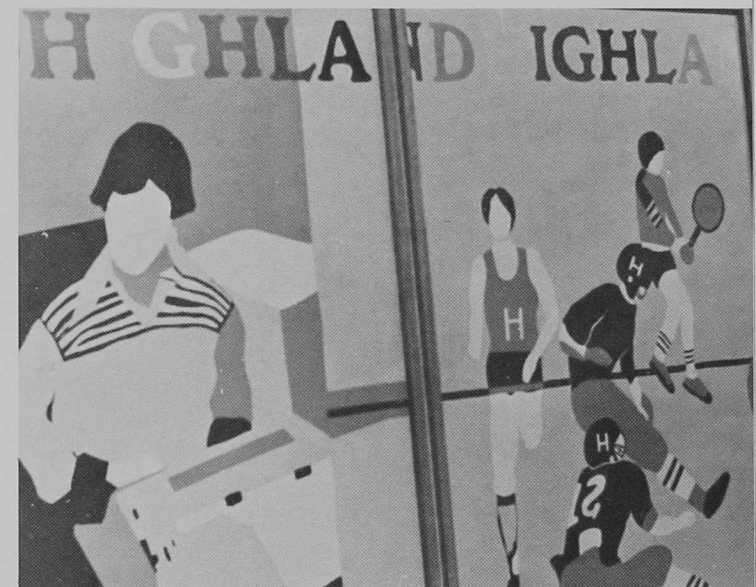

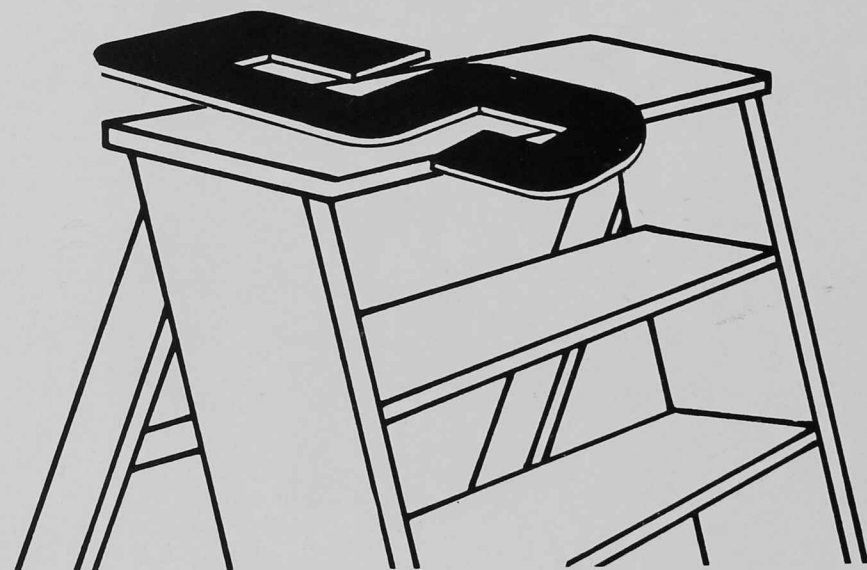

Pep assemblies before the big games give the students a chance to cheer for their teams, compete in class competitions and enjoy the performances by the many spirit groups.

HERE'S TO THE CLASS OF

THE ART

The art department is easily located if you watch for the murals in the hall. These murals portray all aspects of life here at Highland. Art students design jewelry, paint, create original T-Shirts, carve sculptures, and mold clay pottery. A day in art class might even involve making mud pies.

The Play

Bye-Bye Birdie was chosen for the 1979 Annual School Musical. The play was produced and directed by Mr. Frank Newton and Miss Vickie Askildson, both of whom have had much experience in theatre and drama. Mr. Newton attended Adams State College where he received his BA and MA in Musical Education, Theatre and English. He has been teaching fine arts and directing musicals at Highland for several years. Mr. Newton has also worked with the Denver Lyric Opera and Catharsis Community Theatre. Miss Vickie Askildson came from Mason City, Iowa to Highland in 1978. She attended the University of Iowa in Iowa City where she received her BA in English Literature and her minor in Speech and Drama. She has been active in theatre most of her life. Ms. Askildson has enjoyed her year at Highland.

Bye-Bye Birdie deals with a star rock singer, Conrad Birdie, who is being drafted into the army. Conrad's agent, Albert Peterson, decides to stage a publicity stunt in which Conrad will give some lucky girl a farewell kiss before going into the service. Conrad's agent selected a teenage beauty, Kim McAffe, from the town of Sweet Apple, Ohio. The play is centered around the chaos caused by Conrad's visit to Sweet Apple.

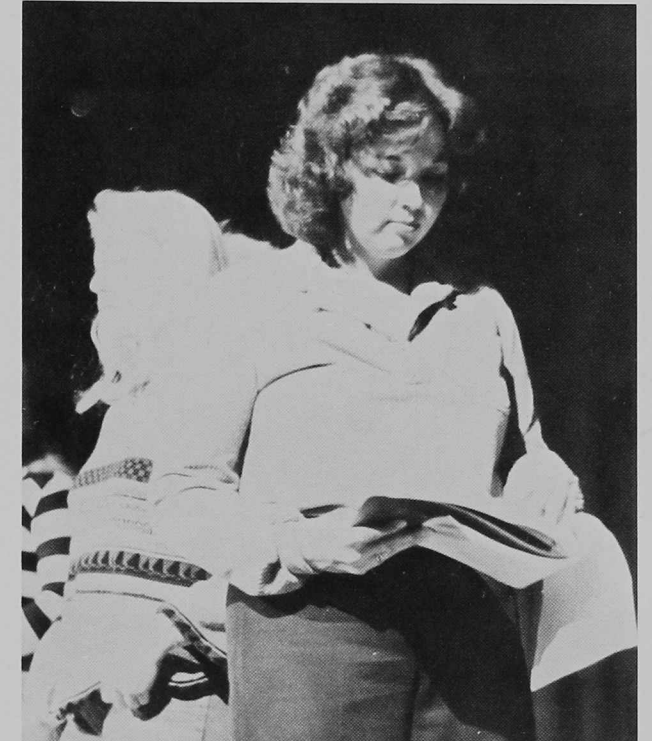

A unique feature of the 1979 musical is the special appearances of Mr. Ted Polito, Mr. Brian Rich, Ms. Cheryl Tufly, Ms. Gloria Woods, and Mr. Robert Dorsey as contributing cast members.

SHARK!!!

I got an itch.

Come on you guys, get up.

Don't cry, it will be o.k.

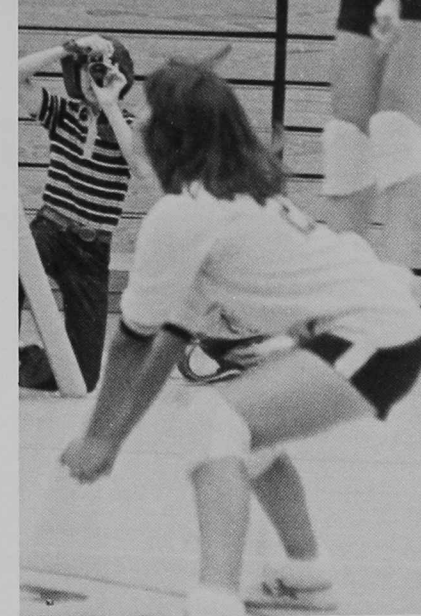

FLASH!!!

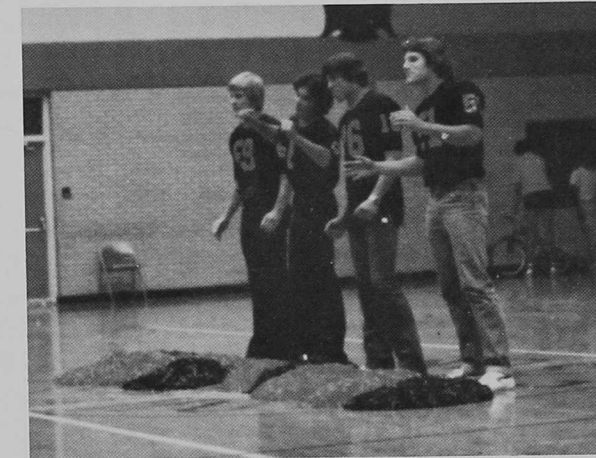

Frankly my dear I don't give a ____ ...

WOW! I like that view.

But I had to go.

Are they football players or pom pon girls??

Why don't you use a mop?

Break away for a smile.

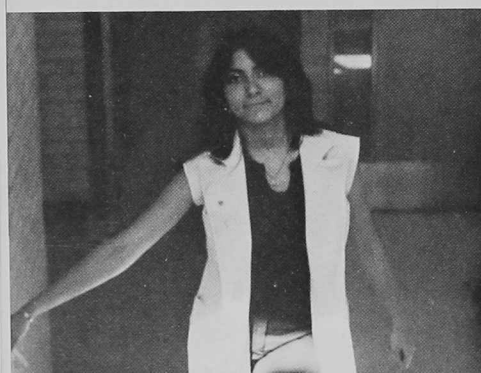

Eat your heart out Muhammad Ali!

Who me?

Who made the salad?

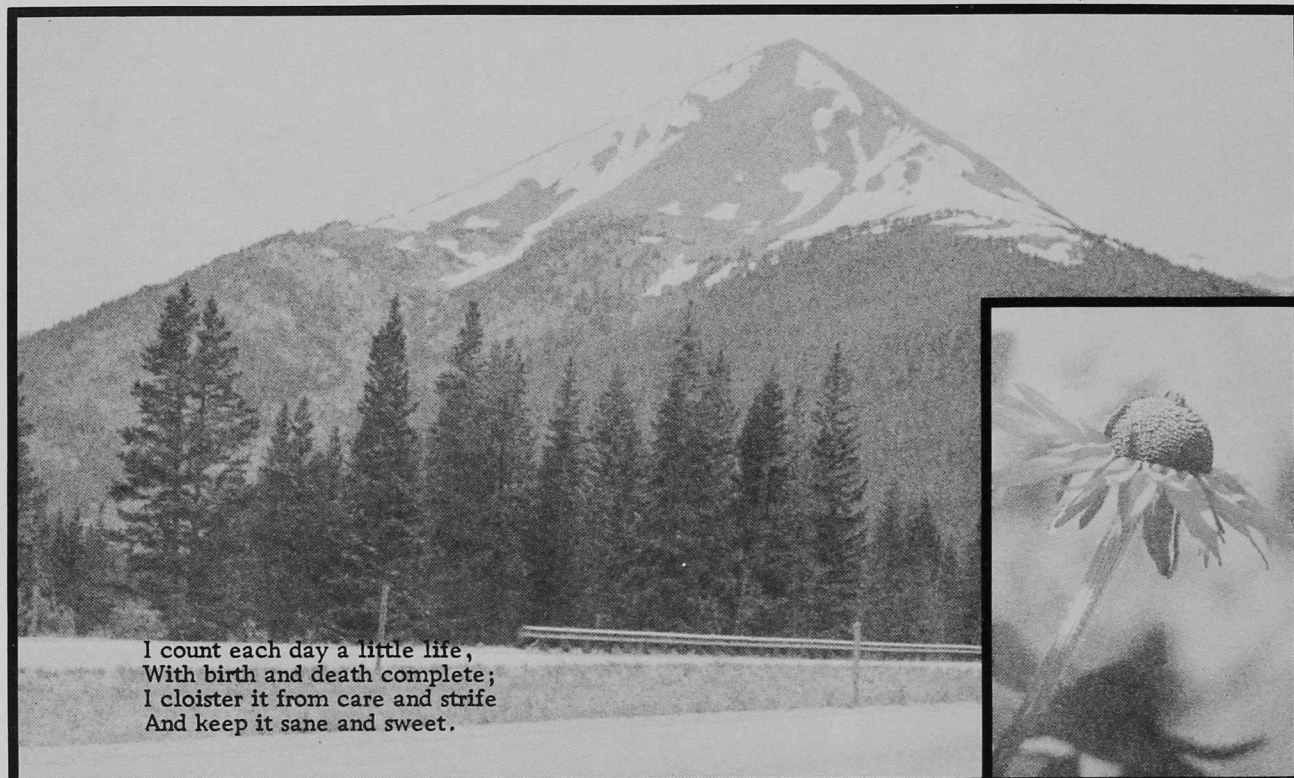

Get to class.

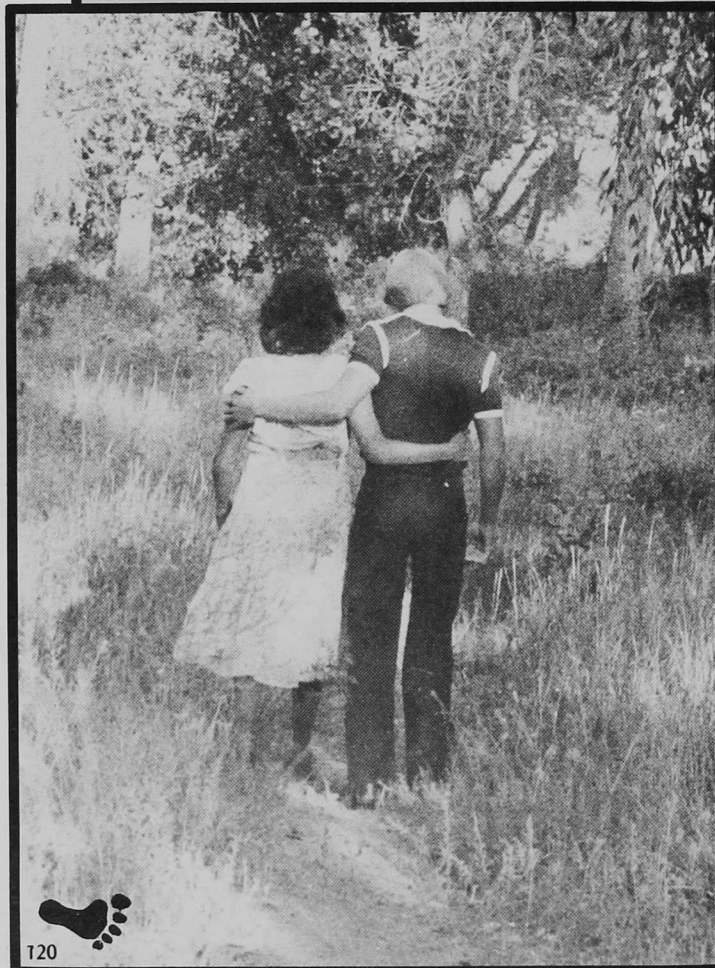

Gravy Train again!

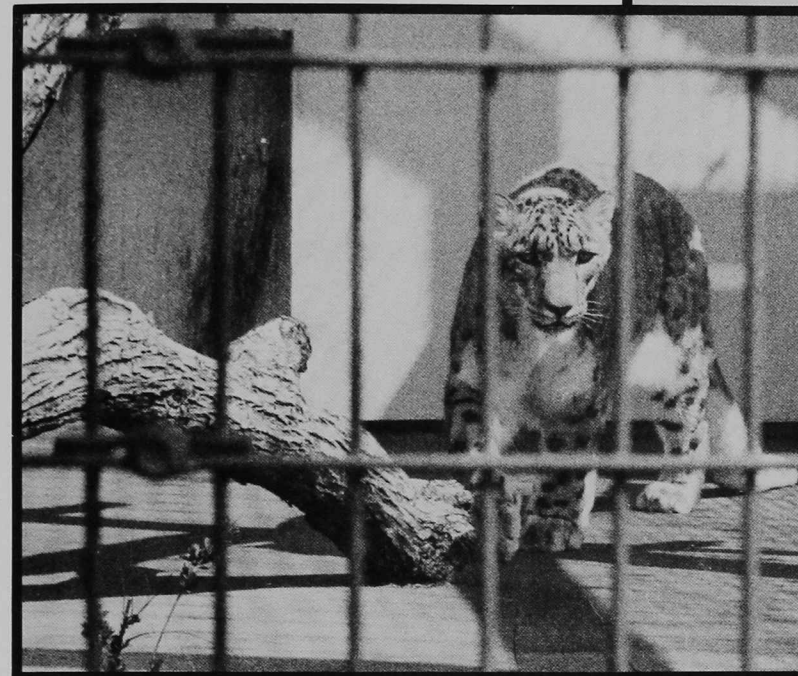

Each Day a Life ...

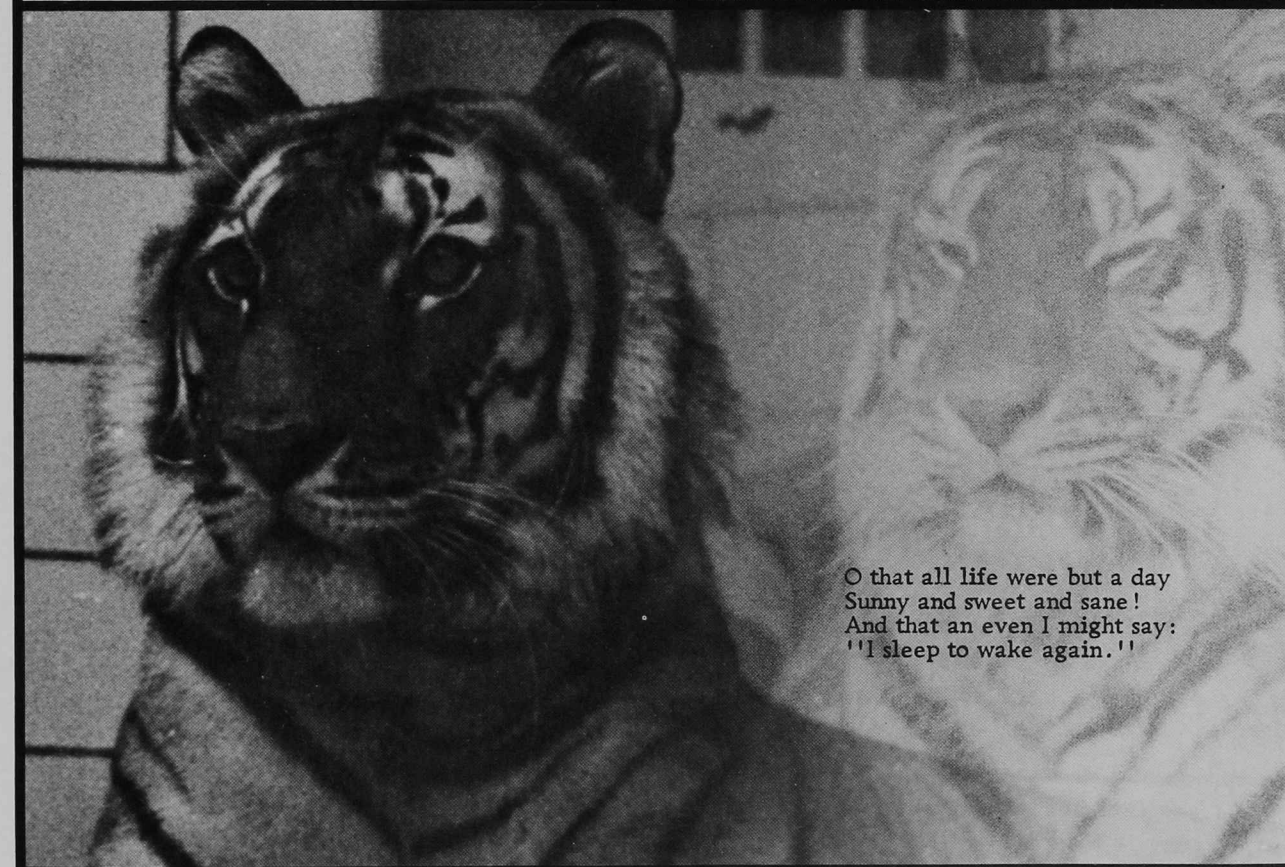

I count each day a little life,
With birth and death complete;
I cloister it from care and strife
And keep it sane and sweet.

With eager eyes I greet the morn,
Exultant as a boy,
Knowing that I am newly born
To wonder and to joy.

And when the sunset splendours wane,
And ripe for rest am I
Knowing that I will live again,
Exultantly I die.

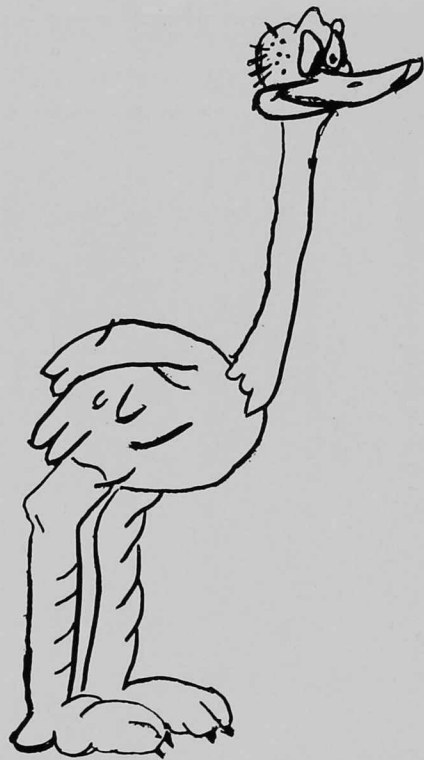

O that all life were but a day
Sunny and sweet and sane!
And that an even I might say:
'I sleep to wake again.'

As the years pass, memories of Highland will include recollections of the faculty. This page represents a humorous look at the people who have helped shape our lives and prepare us for the future. This is what we think some of our teachers were in past lives or will be in future lives.

PRINCIPAL

Besides the obvious fact that Mr. Ted Polito is the principal of Highland High School, what do we really know about him? Mr. Polito's family includes his wife, six girls and two boys. Look around the next time Thanksgiving or Christmas dinner is served at school. You'll probably see him with his family.

Mr. Polito attended high school in Omaha, Nebraska. He then went on to Creighton Prep and Creighton University. He played football, baseball and a little bit of basketball when you didn't have to be 6'5" to make the team.

Nowadays Mr. Polito mainly enjoys watching sports but it's a rare moment if you catch him without a tennis racket in his hand.

Mr. Polito has worked at Highland since January, 1968. He enjoys the school and the people in it but admits he is disappointed once in a while. He is always excited and enthusiastic about each new school day, but wishes students would remember he is human just like the rest of us.

ASSOCIATE PRINCIPAL

Last August we saw another new face in what seems to be the never ending line of associate principals. But it appears Mr. Brian Rich is going to be here for a while. He is just learning about all his responsibilities and has noticed some things he would like to see changed. He views Highland's problems as a challenge he wants to meet and overcome successfully.

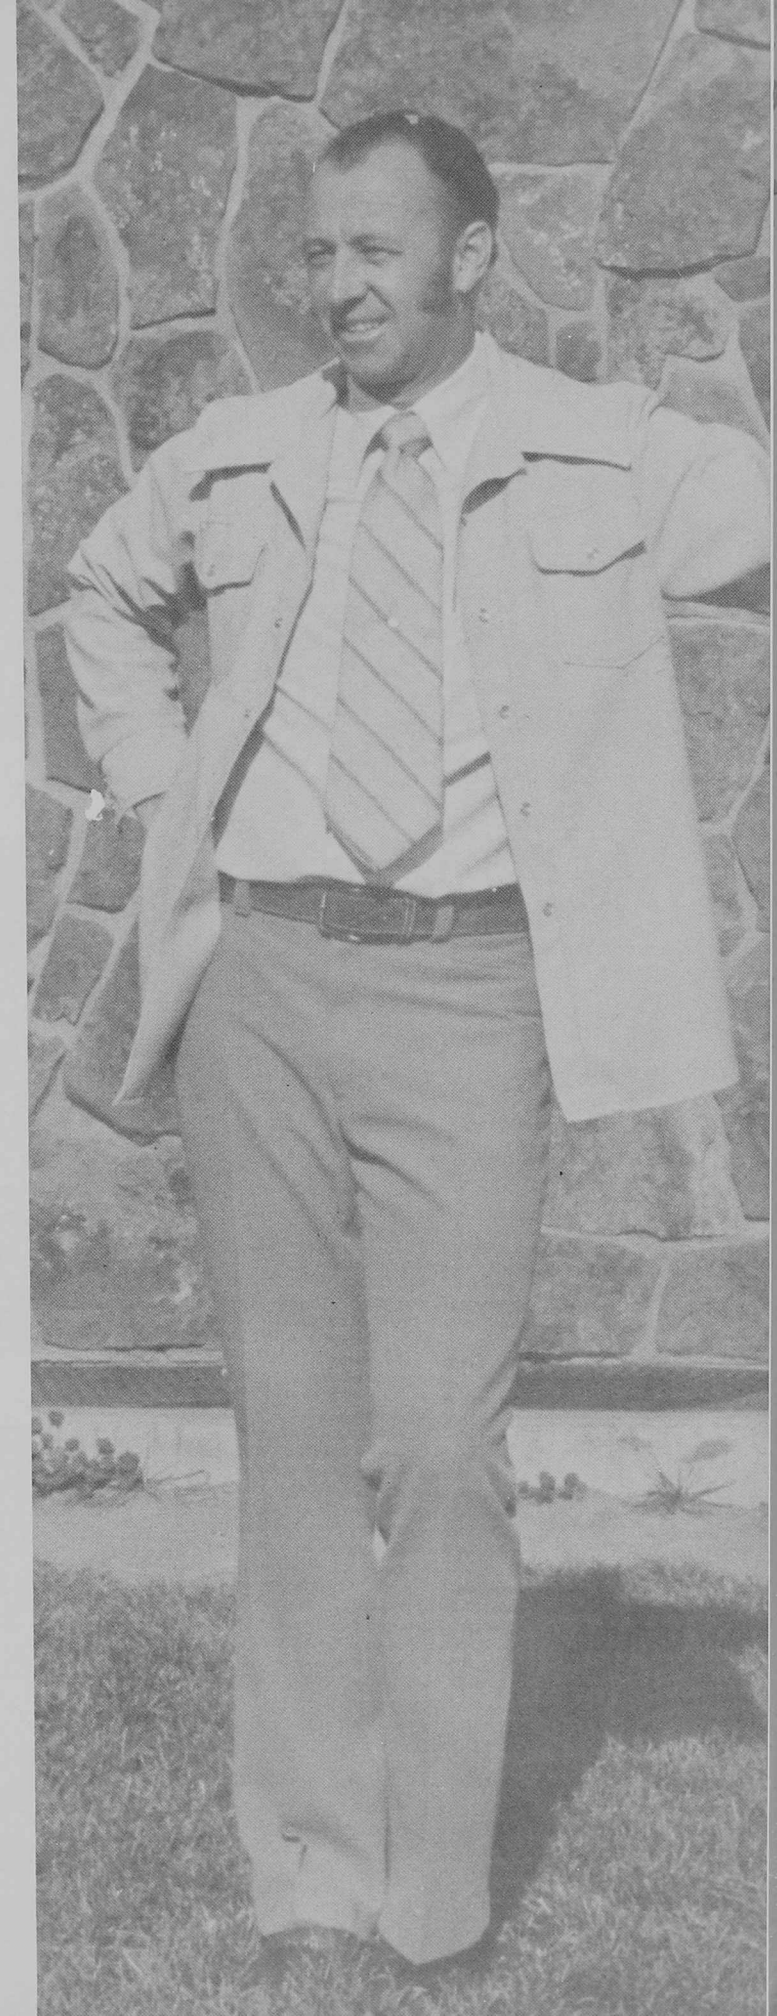

Mr. Rich's birthplace and home for 17 years was Falmouth, Maine. While in high school he played baseball. After a stint in the Army, Mr. Rich attended Dana College in Blair, Nebraska and UNC in Greeley, Colorado.

Did any of you know that Mr. Rich oil paints? He also paints houses during the summer. He likes to jog, snow ski, and play golf. Eventually he would like to build a cabin in the mountains.

Mr. Rich is a family man. He has one girl and one boy because, "That's all they make. When they come up with another kind, I'll think about it."

As your lives take wing
Looking toward the future,
You begin to close the door to your past.
In the quiet moments of reflection you will find
Stored within this yearbook
The memories to give you joy and strength
To face an uncertain but hopeful future.
You will always travel through your life with ...

A step into the future,
A footprint in the past.
