

## **School Board Member Elections**

Registered voters of the district shall elect directors to the Board of Education at regular school elections held on the first Tuesday following the first Monday of November in each odd-numbered year starting in November 2019.

The Board has adopted, and the district electorate has approved, a director district plan of representation whereby directors are elected from director districts. However, all directors are voted upon at large by electors of the entire school district.

No later than December 31, 2018 and no later than December 31 of every fourth year thereafter, the Board shall determine the population of each director district and, if not substantially equal, shall revise the boundaries accordingly. Boundaries may not be altered more than twice every four years.

Three directors are elected in a biennial election representing director districts A, C and E; in the subsequent biennial election, two members are elected from districts B and D. For example, in 2019 one member will be elected from director district B and one member will be elected from director district D; in 2021, three members will be elected: one from each director districts A, C and E.

Candidates are nominated, and the Board conducts the election, in the manner prescribed by law. Any person registered as a district elector may vote. Voter qualifications are the same as those for voting in general elections. The Board will conduct elections in accordance with state law and rules promulgated by the secretary of state.

If on the Friday preceding the election, there is only one candidate for each position to be filled, the Board may cancel the election and by resolution declare the candidates elected, pursuant to state law.

*Adopted December 18, 2018, by the Board of Education for Mapleton Public Schools.*
