

## **Admission and Denial of Admission**

### **Admission**

Admission refers to the first time a student seeks to attend the schools of the District, or returns after not being enrolled for any period of time.

Students residing within the boundaries of Mapleton Public Schools (the “District”) are given priority over students residing outside of the District’s boundaries for admission decisions.

All persons who have reached the age of six and are under the age of 21 who have not graduated from high school or received any document evidencing completion of the equivalent of a secondary curriculum (G.E.D.), and reside within the boundaries of the District will be permitted to attend without payment of tuition, subject to the remainder of this policy. Non-resident (out-of-district) students will be admitted pursuant to this policy and in accordance with State and Federal law. Preliminary decisions regarding residency classifications are determined by the Welcome Center based upon appropriate documentation provided by the family, subject to review and verification by the Superintendent (or designee). Providing false information is cause for denial of admission and/or enrollment.

Any child who will reach the age of five on or before October 1st is eligible to attend Kindergarten in August of that year. Any child entering public school for the first time who will reach the age of six on or before October 1st is eligible to attend first grade beginning in August of that year. Students who do not meet the minimum age requirements for kindergarten or first grade will not be admitted. Exceptions may be made for highly gifted students by contacting the Superintendent (or designee), whose decision is final.

A birth certificate or other proof of legal age, as well as proof of residence, must be provided both to the Welcome Center and to the school.

Although not required, students are urged to have a physical examination and to submit a report from the examining physician to the school to ensure the school nurses have adequate information to properly care for the student’s medical needs.

All students new to the District are admitted conditionally until all records, including discipline records, from the schools previously attended by the student are received by the District. In the event that the student’s records indicate a reason to deny admission, the student’s conditional status will be revoked. The student’s parent(s)/guardian(s) will be provided with written notice of the denial of admission, which will inform of their right to request a hearing. This section does not apply to enrollment of students in out-of-home placements.

### **Denial of Admission**

Mapleton Public Schools may deny admission to the schools of the District in accordance with applicable law. The District shall provide due process of law to students and parents/guardians through written procedures consistent with law. The procedures for denial of admission are the same as those for student suspension/expulsion inasmuch as the same section of the law governs these areas.

### **Nondiscrimination**

The Board, the Superintendent, other administrators, and District employees will not unlawfully discriminate based on a student's disability, race, creed, color, sex, sexual orientation, marital status, national origin, religion, ancestry, or need for special education services in the determination or recommendation of action under this policy.
