## 2021-2022 SAAC Focus: Partner with Families to Support an Increase in Student Academic Engagement at School and Home

*York Student Engagement Commitments - Document Coming 2022!

Spring 2022 Semester Projects

# Increasing Family Usage of CANVAS Lesson Plans

**GOAL -** York families are able to easily access daily lesson plans through the student CANVAS portal to support academic success at home.

**What Can it Do For Us? -** All teachers at York International organize and outline their weekly lesson plans in CANVAS for students and parents to view at any time. This tool has the ability to help families support their students in each week's academic efforts.

**How To Tutorials -** Please visit the following LINK to view tutorials on how to access your student's CANVAS page through a parent portal.

*Please call the York front office at (303) 853-1600 if we can support logging in.

# Resource Library for Approved Academic Supports

**GOAL -** York families have an online resource sharing academic supports for students grades K-12 within all content areas.

**What Can it Do For Us? -** Families and students can visit this section of the York website to find online and local resources to support academic achievement in all grade levels along with areas of content.
