Stay connected to [NPHS](#) and [CCPS](#)

PRINCIPAL'S MESSAGE

I want to thank the entire North Point community for a successful opening to the school year. Students and staff have made a smooth transition back to school. We have nearly completed laptop distribution to all our ninth graders and students new to North Point. Over the weekend, students will have new passwords activated for their CCPS accounts. See below for more information.

We are proud of the school spirit exhibited by not only our staff and students, but our community as well. So many of our parents attend our events to support our students. We would like to encourage more of our parents and grandparents to join us in the stands at one of our many athletic or performing arts events each week. We have something for every interest during the fall- soccer, volleyball, field hockey, football, golf, cross country, cheerleading, and marching band performances.

Watch the newsletter and website for our upcoming fall play and musical performances. Consider volunteering with our athletic boosters. Our student athletes, coaches and performers enjoy looking into the audience and seeing their families. Come out and experience the enthusiasm that only North Point Eagles exhibit.

NEW PASSWORDS FOR STUDENTS

Passwords for Charles County Public Schools (CCPS) students are changing September 1. The system-wide switch to the new passwords will take place around 4 pm on Friday. Students use their password to log in to 1:1 laptops, Microsoft365 and Synergy. The new password is visible to parents in Synergy.

The new password can be found in ParentVUE/StudentVUE accounts under Student Information menu when accessing the program through a web browser. If using the mobile app, click the Student Info/Additional Information menu to access the information. The new password will be in the same areas of ParentVue/StudentVue on September 1.

Any student new to CCPS will not have their password reset.

SAFETY REMINDER

- Parents and students are reminded that students **may only be dropped off or picked up in the main office parking lot. No drop-offs or pick-ups are permitted in tennis or pool lots.**
- Only staff and student drivers with an official NPHS parking pass may enter the tennis lot.
- At no time should cars enter the bus lot during arrival and dismissal.
- At no time should parents enter the pool lot during arrival or dismissal.
