### 1. OUR STUDENT HANDBOOK

Our student handbook provides parents/guardians and students with the information, procedures, and policies of our elementary school. We ask that our students and parents take time to review and discuss its contents at the start of the school year.

The Board of Education, administrative team, and our staff, strive for high academic and behavioral expectations. A close home and school relationship, built on mutual trust and

respect, is necessary to promote the best interests of our students so that they may receive a quality education. Communication between the school and home is a key component to the overall success of a child's learning experience. JMES invites the community to participate in school functions. The following pages list, for your convenience, important information that will help foster our school-home partnership.

### 2. DISTRICT GOALS & OBJECTIVES/EDUCATIONAL PHILOSOPHY/MISSION

In today's society, the function of the school bears a greater responsibility than ever before. The philosophy of our school district becomes even more complex because of its many goals and objectives that are an integral part of today's education.

Mission Statement: Our commitment is to partner with our families and community to empower Jackson-Milton students to be lifelong learners by promoting and maintaining high standards and expectations.

1. Education contributes to the continuous improvement of our democratic society and the cultures it encompasses through the development of concerned, contributing, and patriotic citizens.
2. The dignity and worth of the individual is respected. Each individual is given the opportunity to participate in our society to the best of his/her ability.
3. The educational program is conducive to the optimum intellectual, physical, social and emotional development of all youth.
4. Basic knowledge, skills, understanding, and appreciation, are necessary for full-life functioning.
5. All youth are introduced to the sciences, humanities, and the arts, and are provided the opportunity to pursue further studies in these areas. The District provides students with information necessary to function in a rapidly changing workplace.
6. The immediate and projected personal and societal needs of our youth receive continuous appraisal.
7. The development of self-appraisal skills, decision-making techniques and self-discipline by our youth helps them in assuming the responsibility for setting realistic immediate and long-range personal, academic and career goals.
8. The development of moral and ethical values on the part of youth is an important aspect of personal maturity for which the parents assume the primary responsibility. However, the schools strive to reinforce their efforts.
9. Continuous physical, mental and emotional growth and development is promoted through the maintenance of appropriate educational programs for

youth.

10. Self-realization and self-expression are encouraged.
11. The educational program meets or exceeds the State Board of Education standards.
12. The development and implementation of a program of continuous evaluation based upon stated goals and objectives are necessary for effective program revision and improvement.

It is our concern and ever present desire to achieve success in all of the aforementioned goals and objectives. With the continued dedication and determination of staff, students, parents/guardians, and the community of JMES, it is inevitable that success will surely be met.

### 3. DAILY PROCEDURES

**Arrival:** The Jackson-Milton Elementary School hours are from 8:40 a.m. – 3:30 p.m.

**Breakfast:** Students, who are having breakfast, are permitted to enter the building at **8:15 a.m.** If students are not attending breakfast they will be permitted to enter the building at **8:25 a.m.** Students who arrive by bus will enter door **D**. Students who are dropped off via car, will enter door **E**.

**Dismissal:** All students are expected to go directly home after school is dismissed. Dismissal will be through the back door (**E**) for car riders and through door (**D**) for bus riders. Parents are asked to stay in their car and the student(s) will be walked to the car. If they are staying for a school related activity they must have a note with your permission and the principal must approve it. If you are planning on picking your child up before dismissal, please send a note to school with your child. They are still doing school related activities until the first bell rings for car riders at **3:15 p.m.** If you are not here by **3:25 p.m.**, your child will be put on a bus. No child will be released to anyone who is NOT on the emergency medical form.

**Early Release:** All children are released from the building through the office. If there is a need for your child to be released early, please notify the office by sending a note with your child or calling the school offices as far in advance as possible. Parents/guardians are requested to come into the building to pick-up their child. The office secretary will call down and release your child to you once you have arrived. **No child will be dismissed from the building to a waiting car.** Children are released from school only to their parents or guardians, unless designated, in writing by same, to another authorized person(s).

**Car Riders:** If your child is an everyday car rider, you will complete a form to receive “Daily Car Rider Form”. This pass is to be visible in the car when picking up your child. *A*

*note/email must be received in the morning for your child to not ride the bus in the evening. (cyndi.smith@jmlocal.com)* **A**

**LACK OF A NOTE/EMAIL OR PARENT/GUARDIAN SIGN OUT WILL RESULT IN THE CHILD BEING PUT ON THE BUS.** Please **DO NOT** wait until dismissal time to notify the school of changes in arrangements for student’s transportation home. Any such changes **MUST** be reported to

the office by **2:30 p.m.** to ensure your child is instructed correctly.

### 4. ATTENDANCE CALL OFF

**Authorized** absences are obtained by a parent/guardian calling **330-538-6264** by 9:00 a.m. of the first day a student is absent. An answering machine will answer this number 24 hours a day. The parent/guardian is to give the student’s name, grade, and reason why the student is absent.

### 5. ATTENDANCE POLICY

It is important for every student in Ohio to attend school every day. Missing too much school has long term, negative effects on students, such as lower achievement and graduation rates.

Regular school attendance is an important ingredient in students’ academic success. Excessive absences interfere with students’ progress in mastering knowledge and skills (Ohio Dept. of Education, HB410, July 26, 2019).

#### Strategies to reduce student absences:

1. Notification of student absence to parent or guardian.
2. Development of an absence intervention team, who will then create an absence intervention plan. The plan will include supportive services for students and families, such as school counseling, parent education programs, intervention and involvement of juvenile authorities; etc.
3. Referral for truancy, if applicable.

#### Ohio’s Attendance Laws:

**\*Chronic Absence: Missing 10% for any reason (12 hours (two days) per month or 92 hours (18 days) per year) Under Tier 3: Intensive Intervention Students missing 20% or more for any reason**

**-Extreme Chronic Absence Absent 50% or more: 60+ hours (10 days+) per month of excused and/or unexcused absences**

**-Habitually Truant (Ohio HB410) Missed 35%: 42 hours (seven days) per month of unexcused absences**

**-Excessive Absence (Ohio HB410) Absent 30%+: 36 hours (nine days) or more per month for non-medical excuse or unexcused absence**

**-Severe Chronic Absence Absent 20-49%: 25-59 hours (five to nine days) per month, including excused and/or unexcused absences**

**Tier 2: Early Intervention Students missing 10-19% for any reason**

**-Moderate Chronic Absence Absent 10-19%: 12-24 hours (two to four days) per month**

**Tier 1: Universal Prevention All Students and Families**

**-At-risk of Chronic Absence Absent 5-9%: Seven to 11 hours per month**

**-Satisfactory Attendance Absent 5% or less: Six hours (one day) per month**

If you arrive late to school, report to the office to get a pass to go to class. **PARENTS ARE NOT TO TAKE THE STUDENTS TO THE CLASSROOM.** Every time a student is tardy they miss valuable instruction. It is the student's responsibility to complete any make-up work. **Tardy time will be accumulated and counted toward HB410 requirements.**

**Categories the office will be keeping track of:**

- **Excused or Unexcused Absence**
- **Excused or Unexcused Partial Absence**

**6. REASONS TO KEEP YOUR CHILD AT HOME**

Out of consideration for your child's health and the health of the other students and staff in our school, your child should not attend if he/she has any of the following:

- Any time your child vomits in the morning or in the night before the school day
- If your child is coughing to the extent that they would be disruptive
- If your child has a fever of 100 degrees or above
- If your child is diagnosed with a strep infection, he/she cannot come to school until at least 24 hours of medication is completed
- If your child's eyes are crusted upon awakening and they appear red, they should be checked for pink eye before coming to school
- If your child has diarrhea in the night or in the morning of a school day.

**7. HEALTH CONSIDERATIONS & MEDICATION**

Students may experience temporary or chronic health conditions that impact their school day. Students who are experiencing symptoms of communicable disease, including fever above 100, severe colds, sore throat, vomiting, diarrhea, eye inflammation, undiagnosed skin rash, or head lice, should not attend school. **Students must be free of fever and vomiting, without medication, for 24 hours before returning to school.** Students with symptoms of communicable disease will be sent home and, in some cases, the parent or guardian may need to contact the student's healthcare provider for further evaluation before the student can return to school.

It is important to notify the school if your child has a chronic health condition such as asthma, insect/food allergies, seizures, diabetes or any other condition that may affect them during the school day.

**8. CLINIC**

JMES' Clinic is located on the first floor in the K-2 wing. The school nurse is here at least 3 days per week, but is on call at all times in case of an emergency. When a student becomes ill at school, he/she should report to the clinic/office. The school is not permitted to administer aspirin or other medication, but the student may lie down for a while to rest. If the student is not well enough to return to class, the nurse/office will call the parent or guardian to come get him/her. Parents/guardians must come to the office to sign-out the student.

Protection of all students from communicable disease is important. Therefore, students who are ill with vomiting, diarrhea and/or fever (100.0 or greater) will not be permitted to attend school. Students must be fever free for 24 hours without taking fever-reducing medicine before returning to school. Students with communicable disease may be excluded from school following guidelines provided by the Ohio Department of Health.

**Please send a change of clothes to school** to be kept in the student's classroom/locker in the event of spills, falls, or illness.

**Health Requirements:**

Ohio Law requires that students be fully immunized before attending school. Students new to the district and students entering kindergarten are required to provide immunization records upon entrance. The nurse will review the records and notify parents of any missing shots. Students are expected to obtain any missing shots in a timely manner or risk exclusion from attending school. Immunization Exemption requests will be referred to the school nurse. If you have questions about the requirements, please speak to your child's health care provider or the school nurse.

Please complete and return the [Emergency Care Information Sheet](#), as soon as possible, beginning each school year. The school nurse uses the information on this form to ensure the safety of your child and to provide effective communication during times of illness or injury. Please call the school nurse if you wish to discuss important health information about your child. For more forms and information please see the school nurse's web page at <https://sites.google.com/jmlocal.com/jackson-miltonclinic/home>

Elevator Pass - Students requiring use of the elevator due to physical restrictions/injury must provide a note from a health care provider requesting elevator use. A student helper is permitted to ride the elevator with the injured student.

**9. ADMINISTRATION OF MEDICATION**

Ideally, medications should be given at home by the student's parent. However, when it is necessary for school personnel to administer prescribed or over the counter medication the following guidelines are to be followed:

1. The school's official medication form must be completed by a licensed health care provider and also must be signed by

parent or guardian. Forms can be picked-up in the office or can be found online on the school website.

2. All medications are to be brought directly to the office by a parent or guardian. Students are **NOT** permitted to transport medication!

3. The medication must be in its original container and have an affixed label including the student's name, doctor's name and telephone number.

4. Medication will only be given in the health room. Teachers are not to administer any medication including cough drops, etc., in the classroom.

5. Any student who distributes medication of any kind to another student is in violation of the School's Code of Conduct and will be disciplined.

## 10. VACATIONS

The length of absence due to vacation should be made clear to the child's teachers and principal. A completed "Vacation Form" is required prior to the vacation. This form can be found on our district's website, and is used only to inform JMES of the absences. **These absences will be unexcused. Make up work will be given upon return or can be asked for by the student in advance, if it is available.**

## 11. LEAVING SCHOOL

Students are not permitted to leave school grounds at any time during the school day without a permit from the school office. If your child must leave the building because of illness or any other emergency, parents or guardians must sign out the student in the school office. Persons picking up students must report directly to the office for them. **Time will be accumulated and counted toward HB410 requirements.**

## 12. EMERGENCY CONDITIONS AND SCHOOL CLOSINGS

The dismissal of school in case of an emergency is a decision made by the superintendent. Should inclement weather or some other circumstances require the cancellation of school, notification will be broadcast over local radio stations as early as possible and through the Parent Broadcast telephone communication.

**Should it be necessary to dismiss during the school day for an emergency**, such as electrical or heating problems, every precaution will be made to provide for the safety of the students. **Children should be instructed to know what to do should parents or guardians be away from home if an emergency closing should occur during the day.** An alternative site should be established in case parents/guardians are not at home.

## 13. PARENT BROADCAST: SCHOOL TO PARENT NOTIFICATION SERVICES

School-to-family communication is a priority for JMES. We strive to keep families informed of all events and news that affect the safety and academic achievement of our students. We

will continue using the Parent Broadcast telephone communication this school year.

With the convenience of a parent broadcast, we can quickly contact all families, in a matter of minutes, with urgent and non-urgent news. We expect to use the service for school closings, delayed openings, and early dismissals due to bad weather. We will also contact you in case of a crisis at school, canceled/rescheduled activities and to send general purpose reminders. All announcements will be sent to each family's primary phone number on file at school.

## 14. PARENT/TEACHER COMMUNICATION

Schools alone do not educate children. Education is a partnership between home and school. Parental involvement in the school's program often results in improved student achievement. Parental involvement shows children that education is important.

Some ways you can provide support are to:

- Indicate that school is important
- Encourage good attendance
- Visit with your children's teachers (by appointment)
- Call the school if you are concerned about a child's particular school experience
- Visit the teacher (by appointment) when children are not happy about school-find out why and work together to solve the problem
- Check homework for neatness and completeness (do not do homework for children)
- Check with teachers/school counselor for ways you can help your child
- Join the P.T.A.

## 15. PARENT/TEACHER CONFERENCES

We have scheduled conferences on the evenings of **October 12th and February 15th for the 2023-2024** school year. Please keep in mind that you do not have to wait until a scheduled conference day to meet with our child's teacher. You may call the secretary to schedule an appointment.

## 16. CHILD CUSTODY

The school recognizes that issues related to the legal and physical custody of students are complicated and can impact the student's educational experience. Parents and legal guardians of students are strongly encouraged to stay involved with their student's academic progress. Unless a court order decrees otherwise, either parent or a legal guardian may view education records and attend school functions or school meetings regarding the student. Official notices and report cards will be sent to the parent or legal guardian with primary physical custody of the student during the school year.

It is the responsibility of the parent or legal custodian with primary physical custody to provide current copies of the

complete court orders to the school. Child visitation and exchange of custody should not take place during school hours or on school property. The school will assume no responsibility for enforcing visitation or custody orders and reserves the right to prohibit parents or legal guardians from entering school property if their conduct becomes disruptive to the school environment. Concerns regarding custody and visitation should be directed to the school resource officer.

### 17. FEES AND FINES

A fee of \$25.00 is collected from each student at the beginning of the school year. If fees are not paid, after the first 9 weeks grading period, ProgressBook will be blocked until the fees are paid. Report cards are also held if fees are not paid.

The District does not charge students eligible for free lunch under the National School Lunch Act or Child Nutrition Act a fee for any materials needed to participate fully in a course of instruction. **However, a waiver must be signed and returned to the school. This provision does not apply to extracurricular activities and student enrichment programs that are not courses of instruction.**

Fines occur when school property, equipment, or supplies are damaged, lost, or taken by individuals. **Free lunch eligibility does not exempt a student from paying fines.**

### 18. PROGRESS REPORTS/REPORT CARDS

Progress reports will be sent out the fifth week of every grade period. The teacher may send additional notices if deemed necessary. Report cards are issued once every nine weeks.

### 19. ELEMENTARY SCHOOL GRADING PROCEDURES

Report cards are issued to students at the conclusion of each grading period to reflect student progress during the period. Please sign the report card envelope and return to your child's teacher. Grades are as follows:

<b>A = 90 – 100</b>	<b>O = 90 - 100</b>
<b>B = 80 - 89</b>	<b>S = 70 - 89</b>
<b>C = 70 – 79</b>	<b>U = 60 - 69</b>
<b>D = 60 - 69</b>	<b>I = 0 - 59</b>
<b>F = 0 - 59</b>	

#### Explanation of Marks

**M = Meets the standards**

**P = Progressing towards the standard**

**N = Needs improvement to meet the standard**

#### Kindergarten & 1<sup>st</sup> Grade

We will be using a standards based report card:

- 3 Met the standard
- 2 Progressing toward the standard
- 1 Limited progress toward the standard

### 20. GRADING POLICY

Grades are averaged and determined by percentages each grading period. Yearly final averages are determined by using all 4 grading period percentages (add up all 4 grading percentages and divide by 4). A decline in any grading period

can have a drastic impact on a student's final average. Final averages are used in determining if a child is promoted or retained.

### 21. HOMEWORK

Students at JMES are expected to spend some time on their lessons at home. Every student should find a quiet spot and have a planned time for studying. Even if the teacher does not make a specific assignment, a student should be reviewing his/her lessons at home. Parents/guardians are encouraged to become involved and help their children.

**Each grade level has their own homework policy.**

#### Guidelines for grading

1. A grade a week is expected to be recorded in the grade book for each subject for each student.
2. An academic report (progress) will be sent home to all students every grading period.
3. Academic progress reports will be sent home at the end of the 5<sup>th</sup> week.

### 22. PLACEMENT: PROMOTION, ADVANCEMENT & RETENTION

The teachers and administration have the right to retain a student if deemed necessary. The team will utilize data, as well as current legislation, to determine if it is in the best interest of the child to be retained, promoted, or advanced.

**Kindergarten- Grade 2** – Teachers, School Counselor, and the Principal, will decide grade placement.

**Grade 3** – As per current legislation – 3<sup>rd</sup> Grade Guarantee is applied.

**Grade 3-5** – Final grade average of an “F” in any two major subjects: ELA, Math, Science, or Social Studies.

### 23. HONOR ROLL

Students receiving all A's and B's in all subjects are on the Honor Roll. Children in grades 3-5 will be recognized at the end of the year awards assembly for honor roll status attained throughout the entire school year.
