## MEETS & UNIFORMS

### MEETS IN SEPTEMBER AND OCTOBER

- Meets can be weekdays after school and/or on the weekends.
- Our schedule is built based on invitationals we receive, as well as local schools who host their own event. We work to schedule meets that will give runners of all age levels and experience opportunities to compete in inter-scholastic competition. Not all runners will participate in every meet due to coach's discretion for rest between meets and other considerations.
- Runners are required to set their availability for meets on TeamSnap.
  - Registration deadlines will be enforced in order to participate in each meet.
- JV and Varsity Runners will be provided with a dri-fit shirt/singlet.

## IESA & POSTSEASON
