

# Afterschool Clubs at Onset Bay Center

Fall '23

Registration is open throughout the season. Drop ins are welcome!

## Bay Explorers:

Open to Elementary, Middle, and High School students ages 7-13 (grades 1-12).

Tuesdays and Thursdays Sept. 19 - Nov. 16, 3-5pm

Join our FREE Bay Explorers Afterschool Clubs for Elementary, Middle, and High Schools students grades 1-12, Tuesdays and Thursdays starting Sept. 19! Fun watersports and beach exploration activities each week!

Try out all that Onset Bay Center has to offer this Fall! This afterschool program runs 9 weeks on Tuesdays and Thursdays, Sept. 19 - Nov. 16. Get the best of both worlds as you spend a day out on the water and another day beach-side doing some exploration activities! This program is FREE and open to all children in first grade through high school!

### What to expect:

Each week, participants will spend one day engaged in watersports and one day engaged in bay exploration.

### Watersports:

Get out on Onset Bay and learn the basics of kayaking, sailing, paddleboarding, and exploring as you work on key watersport skills. Hone your skills alongside your peers, and discover your new favorite activities out on the water!

### Beach and Land-Based Exploration:

Come explore with us! Weekly activities include: fishing and crabbing; beach exploration and play; shell, plant, and animal identification; nature arts & crafts; bay ecology exploration; and environmental action efforts. This program allows for discovery, learning, and play in an outdoor setting while promoting team work, respect, and environmental awareness and stewardship.

Snacks provided each day!
