

BUCKNER ELEMENTARY SCHOOL COUNCIL POLICY

CURRICULUM

4002

TOPIC

STATEMENT

a. Curriculum

The curriculum of Buckner Elementary School shall be developed to meet Kentucky's official state curriculum. Changes in our curriculum will reflect needs identified by our School Improvement Plan and our assessment results. Changes in curriculum will be approved by the Buckner School Council.

Teachers will plan and coordinate instructional units and lessons based on the state and school curriculum standards. Plans will address student learning in all curricular areas and to ensure that students are participating in appropriate instructional opportunities.

b. Committee

A standing curriculum committee will develop recommendations for the Council's consideration on issues involving curriculum changes, additions, or deletions. The school librarian/media specialist shall serve as a member of the curriculum committee. The Council shall confer with the librarian/media specialist prior to the approval of the plan for the utilization of the textbook/instructional material allocation.
