

BUCKNER ELEMENTARY SCHOOL COUNCIL POLICY

INSTRUCTIONAL PRACTICES

4003

TOPIC

STATEMENT

- a. Instructional Practices      The instructional practices of Buckner Elementary School shall be developed to meet Kentucky's official curriculum and standards as well as district and school curriculum guides. Changes in our school's instructional practices will reflect needs identified by our School Improvement Plan and our assessment results.
- b. Committee                      A standing instructional practices committee will develop recommendations for the Council's consideration on issues involving changes in instructional practices.
