

BUCKNER ELEMENTARY SCHOOL COUNCIL POLICY

MONITORING OF SCHOOL COMPUTER NETWORK ACCESS

4005

TOPICS

STATEMENT

a. Monitoring

In compliance with O.C.B.E. Policies 4083 and 9064, Buckner Elementary School's School Technology Coordinator (STC) will randomly monitor the use of the school computer network. Access to Internet sites deemed inappropriate by the STC, the school administrator, or district will be blocked. The monitoring software will be reviewed annually and updated by the STC as needed.

b. Documentation

The STC will maintain a log documenting the random monitoring of network use. Incidents involving access to inappropriate sites will be immediately reported to the school principal for appropriate action under board policy.
