

## BUCKNER ELEMENTARY SCHOOL COUNCIL POLICY

### EXTRA-CURRICULAR ACTIVITIES

4001

#### TOPICS

#### STATEMENT

- a. Activities
- The School Council will approve a proposed selection of extra-curricular activities for the year at the regularly scheduled meeting in September. Funding sources for the salary for the sponsor, set within the guidelines of the district salary schedule, will be identified.
- b. Selection for Participation
- Extra-curricular activities shall, to the greatest extent possible, be open to all interested students in the participating grade level. In the event that selection of students to participate in an activity is required, selection criteria shall be developed by the activity sponsor and approved by the principal prior to the selection process. The selection criteria will be distributed to students interested in participating prior to the selection process.
- c. Eligibility
- All students are eligible for participation in extra-curricular activities at the beginning of each school year. Students participating in extra-curricular activities must strive to achieve academic success as well as adhere to the code of conduct. Parents, students, and the principal will be notified and provided evidence by the teacher if any of the following occur: academic achievement is impeded by the student's behavior, behavior that violates the student code of conduct or behavior that interferes with the learning of others. Once notification has been made the student will have the opportunity to improve in the area in which performance concerns exist. The teacher and the principal will confer to make the decision on the eligibility of individual with performance concerns with the principal having the final decision of eligibility. Students will be declared ineligible for a one to two week period, depending on the severity of the violation as determined by the principal, until the level of behavior has improved. Students with discipline referrals to the principal will immediately become ineligible for a one or two week period.
- d. Notification
- A letter from the extra-curricular sponsor shall be sent notifying the parent(s) of the eligibility requirements specified in this policy at the beginning of the extra-curricular activity. A letter notifying the parent(s) or guardian(s) of a student's ineligibility to participate

in extra-curricular activities will be immediately sent by the extra-curricular activity sponsor or principal. If the student should regain eligibility, the parents will also be notified in writing by the sponsor.
