

STUDENTS

Distribution of Materials

Publications or other material written by students may be distributed on school premises in accordance with procedures developed by the superintendent. Such procedures may impose limits on the time, place, and manner of distribution, including prior authorization for the distribution or circulation of substantial quantities of printed material or the posting of such material on school property.

Students responsible for the distribution of material which leads to a substantial disruption of school activity or otherwise interferes with school operations shall be subject to corrective disciplinary action.
