Greetings Southern Fulton Families,

As the new school year quickly gets underway, it is imperative that your student(s) contact information is up to date. These updates are critical for our records to maintain direct and prompt communication with you and provide the safety care measures necessary if an incident would occur.

We ask that you fill out all forms under returning student in your Powerschool parent portal. These can be accessed via the desktop website or the mobile app. If you do not have any changes you must click the form and indicate that there are no changes. Go to:  
<https://sf.powerschool.com/public>

Once in PowerSchool:

- Scroll down on the left-hand side to "Forms"
- Click on "Forms" and this will open up a list of school used forms for all enrollments

If your student is a returning student:

- Go to the bottom of the page
- Under "Returning" update the following forms:
  - \* R1 Student Information Update
  - \* R2 Student Change of Address
  - \* R3 Student Contacts Update
  - \* R4 Health Information Update
  - \* RS School Communication

In the mobile app:

- Go to the Dashboard
- In the bottom right corner click the three dots that say more
- Choose forms
- Scroll down to returning.

We would like to thank you for your continued support and your help at making Southern Fulton Schools a positive, safe, and successful district for your children.

Sincerely,

Mr. David Cason  
Director of Technology
