

Lunch Program - DPG

Mount St. Dominic Academy has continued our partnership with the [Dining Partnership Group \(DPG\)](#) to oversee the MSDA dining program in the school cafeteria.

See tabs below for account and ordering information.

DPG Lunch Program

- [Lunch Plan & Ala Carte Items](#)
- [Account Setup](#)

Here at Dining Partnership Group we are thrilled with all the positive feedback we continue to receive about the meal plan offering at MSDA. We have, however, received many questions so we thought it best to address them collectively.

- Q. What are the ala carte prices for items in the cafeteria?
- A. The three main offerings (Daily Hot Entree with a side dish, the Build Your Own Healthy Bowl, and a cold Deli Sandwich with a side) are all \$10 each.

- Q. What is a healthy bowl?
- A. The Healthy Bowl is DPG's answer to a salad bar. The student chooses to start with either a bowl of rice or Romaine lettuce, selects from one of our hot protein choices (one will almost always be grilled chicken), selects any 3 additional toppings (like bell peppers, cucumbers, roasted corn and many more), and finishes it with their choice of fun dressings and sauces and some great crunchy toppers.

- Q. When I try to input my student's ID into [myschoolaccount.com](#) I am receiving an error message.
- A. Almost every time, this is due to your student getting a new card since this data was pulled from the school's site. The easiest fix is to email DPGgabriella@gmail.com with your student's first and last name and her CURRENT 5 digit ID number located on her school ID

- Q. What is the Meal Plan, and should I get it for my student? Also, what happens if she doesn't use it one day?
- A. The Meal Plan offers your student a full meal every day that school is in session; this meal includes 1 hot entrée, 1 side, 1 beverage and 1 snack. Meal Plans do NOT carry over to future years, but when you consider the discount, unless your student skips 40% of their lunches, it is still far and away the best option.

- Q. How do I sign my student up for the meal plan?
- A. Please email dpggabriella@gmail.com the following information. If you have any further questions please call our Main line at 973-464-2469
