One of Texas' fastest-growing school districts, Little Elm ISD is nestled neatly along 62 miles of shoreline on Lake Lewisville. The District encompasses 40 square miles in the southeast corner of Denton County and serves students who reside in the communities of Little Elm, Frisco, Hackberry, Lakewood Village, Oak Point, and The Colony. Little Elm ISD currently enrolls nearly 8,300 students in six elementary schools, two middle schools, and one high school. While it still enthusiastically maintains that "small town" feel, LEISD embraces innovative programs, technology, and a rigorous curriculum that set it apart from larger communities and districts in the Dallas/Fort Worth metroplex.

Our students are prepared to take on new challenges after graduating from Little Elm ISD. Students are equipped with resources such as the College Readiness program, the Lobo Collegiate Academy, and college campus visits.
