A MESSAGE FROM THE SUPERINTENDENT.....

The Tuscaloosa County School System offers its students a world-class public education system. We have many successes to celebrate in our schools. We are a school system worth supporting and strengthening as we know there is no better investment in tomorrow than meeting the educational needs of all students today.

Our financial challenges continue even though we have been able to make some advancement due to the careful financial management by our Board. For the 2022-2023 school year, our system budget amounts to approximately \$250 million dollars with approximately 72% of those expenditures going toward salaries and benefits. We continue to direct funds toward instructional purposes as our first priority and keep other expenditures as low as possible. With approximately 2300 employees, personnel expenses comprise a large part of our system’s budget.

We fully recognize that the pride of our school system is exemplified in our employees as they strive to meet the needs of our students on a daily basis. On behalf of the members of our Board of Education, let me thank you for the work you do every day so that our students may have the best education possible. Have a great school year!

Sincerely,

Keri C. Johnson

TUSCALOOSA COUNTY SCHOOL SYSTEM
Salary Schedule
2022-2023

INTRODUCTION

The purpose of this salary schedule is to convey wage and salary information to the employees of the Tuscaloosa County School System and the public. In adopting this revised schedule during the fall of 2018, the Tuscaloosa County Board of Education anticipates that certain goals would be met by its use. These goals are as follows:

1. To provide an ability to discriminate between different skill levels and seniority ranks in positions.
2. To furnish an equitable means for the future adjustment of remuneration should funds become available.
3. To meet the salary adjustments as required by Alabama Law.
4. To meet Federal and State minimum wage mandates.

ASSUMPTIONS

In the preparation of any salary schedule, certain assumptions must be made, implicitly or explicitly. It is the opinion of the Board that maximum benefit will accrue when these assumptions are made explicit. The assumptions under which this salary schedule were prepared are as follows:

1. Any new employees will begin employment under the salary guidelines in this schedule.
2. Current employees compensated above this schedule will remain "grandfathered" at existing rates of pay or salary schedules until retirement, termination, or job change.
3. Unless otherwise mandated by the State Legislature (i.e., State matrices), salary increases or raises will be made by applying an across-the-board percentage to this schedule of base salaries or wages for all employees and to previously existing schedule or salary bases for grandfathered employees.
4. Wages will be increased in a step fashion up to a predetermined maximum to reflect an employee's increasing competence over the tenure of employment.
5. Employees performing equivalent tasks will receive equivalent remuneration.
6. All employees should be duly certified for their respective positions.
7. All employees shall be paid in 12 equal monthly installments, regardless of the length of the contract (with the exception of new nine (9) month employees who shall be paid in 13 monthly installments).
8. A certified employee whose pay is based on the state minimum salary schedule is entitled to be paid for the highest recognized degree earned at an accredited institution. The pay will begin with the first pay period after the advanced degree is recognized by the State Superintendent of Education pursuant to the Pay Raise Bill (Act #2016-198, House Bill 121).
9. Twelve month contracts run July 1 through June 30.
10. If position contracts extend beyond the stated number of days, salaries and/or ranges will be paid at the daily rate.
11. If a position contracted is for work of less than the regular daily hours for that employee type, calculate salary using the hourly rate x days contracted to work = Annual Pay. The hourly rate is calculated as follows: Annual Pay/days contracted to work = Daily Pay; Daily Pay/daily hours = Hourly Rate.
12. In the event an error is made in the calculation and/or payment of an employee's salary, the Board has the legal authority and right to make the proper adjustments and corrections during the current year.

THE EFFECT OF THE FAIR LABOR STANDARDS ACT

The case of *Garcia vs. San Antonio* reapplied the provisions of the Fair Labor Standards Act (FLSA) of 1938 and its amendments to certain employees in education, in particular the provision dealing with additional compensation for overtime work. Pursuant to Board Policy 6.87, supervisors must secure approval from the Superintendent or designee prior to allowing a non-exempt employee to work overtime. Under the FLSA, this additional compensation is generally provided by paying the employee for additional hours worked over 40 hours in a work week at a rate of one and one-half times the regular rate at which the employee is actually paid.

Compensatory release time is available to 12-month employees and, in some cases, may be used in lieu of overtime pay within the system. The use of compensatory release time for leave purposes must be approved by the employee's supervisor in advance and may only be used in full or half-day increments.

In accordance with Title 29, Part 541, of The Code of Federal Regulations, revised June 1983, most positions listed in this proposal are subject to the provisions of the FLSA (i.e., are nonexempt). Exempt positions are not entitled to overtime pay or compensatory release time. As outlined in the Code, exempt employees are those that meet one or more of the following criteria:

1. Executive, administrative, and professional (certified) employees, including teachers, registered nurses and academic administrative positions (e.g., director).
2. Non-certified employees (a) whose primary duties consist of the management of the enterprise in which they are employed, (b) who customarily direct the work of two or more employees, (c) who have the authority to hire or fire or whose suggestions and recommendations as to the hiring, firing, or other change of status decisions for other employees will be given particular weight, and (d) who customarily and regularly exercise discretionary powers.

Employees not meeting one of the above criteria are subject to the provisions of the FLSA and are eligible for additional compensation for work performed in excess of forty hours per week.

WORK SCHEDULES FOR NON-EXEMPT EMPLOYEES

All employees must observe the attendance rules regarding hours of work. Employees are in "pay status" when actually working or when on authorized paid leave. The Superintendent and/or supervisor in charge shall have the right to establish time schedules to encompass said employee's workday. Said work schedules shall be in compliance with the FLSA. An employee's regular work day and work week hours are determined by his/her employee type. Whenever possible, an employee's schedule should be adjusted within the Sunday – Saturday work week so as to not exceed scheduled hours. Pursuant to Board Policy 6.87, supervisors must secure approval from the Superintendent or designee prior to allowing a non-exempt employee to work overtime. If a Supervisor allows an employee to work overtime without such prior authorization, the department or school worksite will be responsible for any overtime paid to the employee.

Every employee is expected to comply with established work hours and work schedules. At no time should a non-exempt employee work overtime, extended time, or outside of his or her regular schedule without the approval of his or her supervisor. If an employee's work time along with their authorized paid leave is less than their scheduled work hours for the week, payroll will use compensatory time, vacation time, and personal leave (in that order) to offset any hours worked less than their scheduled hours for the week.

REPORTING TIME FOR NON-EXEMPT EMPLOYEES

The FLSA requires that we record time for all non-exempt employees. Therefore, all non-exempt employees are required to accurately record their work hours using the TCSS-approved time clock system. All non-exempt employees (see the salary schedule for non-exempt/exempt status) are required to clock at the beginning and end of each scheduled shift, when beginning and ending a duty-free lunch, and when an employee departs the work site for a non-work activity (e.g., doctor's appointment). The Time and Attendance system (time clock) integrates with our Absence Management System. The Absence Management System enters the reason code for each absence as the information is transferred into the automated payroll system. Therefore, it is essential for employees to both accurately utilize the time clock system as well as our absence reporting system. Non-exempt employees who are employed in more than one role paid from different funding sources (e.g., a special education paraeducator who works extended day) are required to maintain accurate time clock records for both roles.

PART-TIME EMPLOYMENT

A part-time, regular employee must work at least 20 hours per week (.5 FTE) to be eligible for personal and sick leave, as well as most of the other fringe benefits.

EMPLOYEE BENEFITS

All employees are strongly encouraged to visit the Retirement Systems of Alabama website periodically at www.rsa-al.gov for more detailed information concerning Teacher Retirement, Insurance, and RSA-1 (tax deferred savings account). From this website, you can access retirement and insurance handbook and forms in addition to your RSA Member Online Services (<https://mso.rsa-al.gov>). Your RSA Member Online Services allows you to view your TRS statement, RSA-1 statement, and change your contact information. PEEHIP members can view current coverages, update contact information, and enroll, change, or cancel coverage during Open Enrollment. New members can enroll in PEEHIP within the first 30 days of employment. You will need to register by creating a User ID and Password. For specific questions concerning retirement or insurance, you may call RSA/PEEHIP toll-free at 1(877) 517-0020.

INSURANCE

The Public Education Employee Health Insurance Program (PEEHIP) offers insurance administered by and Blue Cross/Blue Shield insurance are offered to regular employees. The coverage costs are published annually in the PEEHIP Member Handbook located at www.rsa-al.gov. Additional monthly premiums are charged for enrolled members who smoke or use tobacco products. Members and their covered spouses who are enrolled in the PEEHIP BCBS Health Plan are required to complete the applicable wellness activities by August 31 of each year in order to earn the fifty (\$50) monthly wellness premium waiver.

The Board pays \$800 for the remainder of coverage for the employee for each month of earned insurance allocation. Costs are subject to change each year.

Supplementary insurance is available at the current PEEHIP rate to enrolled employees. Dental, vision, cancer, and indemnity policies are offered through New Southland Insurance Company at no cost to regular, full-time employees if PEEHIP is not used. Classified regular employees working two hours daily, but not full time, are subject to receiving some credit for insurance. They may purchase two of the supplemental insurance policies or apply the credit toward hospital insurance and pay the difference. A pre-tax cafeteria-type plan is available for the purchase of hospital and supplemental insurance through American Fidelity Assurance Company.

EMPLOYEE ASSISTANCE PROGRAM (EAP)

The Board provides employees and their family members access to EAP without discuss or intervention. EAP provides free assessment, short-term counseling, and referral service to assist with problems including stress, finances, marriage/relationships, parent-child relationships, and substance abuse.

TEACHER RETIREMENT

All full time employees are eligible and required to participate in the Alabama Retirement program. Tier 1 employee contributions are 7.5%. Tier 2 employee contributions are 6%. Members hired on or after January 1, 2013, are classified as Tier 2 participants.

LEAVE DAYS AND VACATION

Prompt and regular attendance are essential functions of all TCSS job positions. TCSS employees are provided leave pursuant to Federal and Alabama law as well as TCSS policy. It is the employee's responsibility to timely report absences using the TCSS Absence Management System (AESOP) as well as to comply with all TCSS leave policies.

Sick Leave - Each full-time employee will accrue sick leave at the rate of one day per month of contract (the 12-month employee will earn 12 sick leave days per year; the 9-month employee will earn 9 days). Effective August 1, 2001, full time employees will be allowed to accumulate an unlimited number of sick leave days. All accumulated sick leave days, not to exceed one day per month of employment, may be used for retirement purposes. Sick leave days may be taken in one-half or full day increments.

Personal Leave - Each full-time employee will accrue five personal leave days per year that are non-cumulative from year to year. Personal leave days may be taken in one-half or full day increments. Two days for employees with 10 years' comparable experience or more will cost the current in-system pay rate for substitutes per day for respective employment positions. Experience is defined as the number of years of service in a particular position, job, or classification. Three days for all other employees will cost the current in-system pay rate for substitutes per day for respective employment positions. Part-time classified employees (i.e., those working less than twenty hours per week) are ineligible for these benefits. Personal leave days may be converted to sick leave days if not used during the contract year.

Effective August 1, 1997, the certified employee has two (2) options relative to the two (2) State provided personal leave days. They are as follows:

- 1) Receive reimbursement for either or both days if not used, **OR**
- 2) Apply either or both days to the employee's current accumulated sick leave days.

Classified employees cannot receive reimbursement for personal leave days not used.

Vacation Leave - Vacation leave for twelve (12) month employees is available July 1st, or the first day of employment if hired later in the year. Vacation days are earned at a rate of 1 day per month, not to exceed twelve (12) days per year. Vacation days are earned on the last working day of the month and are only earned for a full month of employment. Employees will be allowed to carry-over no more than eight (8) vacation days from June 30th to the next year, not to exceed more than twenty (20) days. Any vacation days taken in advance of actual accrual must be repaid upon separation of employment.

Longevity Leave Day: Upon reaching 15 years of experience, each employee will earn a longevity leave day that is non-cumulative from year to year. This is at no cost to employee and cannot be converted to accumulative sick leave days. Experience is defined as the number of years in a particular position, job, or classification.

Professional/Work-Related Leave: Professional employees may request professional leave days for development purposes. These requests must be approved by the Principal and the Deputy Superintendent, or designee. A limited number of professional leave days is available at each school.

Sick Leave Bank: Employees may elect to be members of the sick leave bank. Each member “deposits” two days into the bank and then is eligible to borrow up to 12 days upon approval of the Sick Leave Bank committee. The member must submit an application to borrow days. Applications are available with local school bookkeepers or by contacting payroll. Members of the sick leave bank are also eligible for catastrophic leave when all other available leave is exhausted. Catastrophic leave also allows the member to receive donated sick days from other employees.

Other Leave – Please refer to the TCCS Policy Manual (beginning with Board Policy 6.70) for other forms of available leave. An employee who is absent from work without approved leave are subject to disciplinary action, up to and including termination.

LONGEVITY BONUS

Depending on the availability of funds, the Tuscaloosa County School System may award supplements to employees based upon service with the school system. The amount of funds and years of service that qualify for such award will be up to the discretion of the Board.

REMOTE WORK AND LEAVE

If schools close or employees are working remotely, all employees are considered essential and are to remain available to work during normal work days and times as needed. If you are unavailable to do so, you must be covered by appropriate leave whether or not schools are closed or you are working remotely.

TRANSFER

A transfer may be of two types: transfers initiated by the system for its own purposes, and transfers initiated by individuals of their own volition (If a transfer is initiated by the system and the employee agrees to the transfer, it is considered a voluntary transfer). This distinction is important for the employees of the system who have been grandfathered at a pay rate higher than those included in this salary schedule. If a grandfathered employee is involuntarily transferred by the system within the same employment category, that employee would retain his/her current or grandfathered salary (e.g., a school aide involuntarily transferred from Holt High to Hillcrest High would retain his/her current or grandfathered salary). If a grandfathered employee is involuntarily transferred by the system to a higher employment category, that employee would retain his/her current or grandfathered salary or the salary specified in this document, whichever is higher (e.g., a principal involuntarily transferred from Holt Elementary to

Hillcrest High would retain his/her current or grandfathered salary or be eligible for the salary specified in this document).

All involuntary transfers to lower employment categories shall be in accordance with the provisions of the Students First Act.

Voluntary Transfers

Any employee, whether certified (tenured/nontenured) or classified (nonprobationary/probationary), is eligible to apply at any time of year for any position deemed by the Assistant Superintendent of Human Resources to be a promotion or a change in employment.

To request a voluntary transfer to a lateral position:

Certified Employees:

- 1) The employee be tenured according to the Students First Act to request a voluntary transfer.
- 2) A transfer request form must be completed and a copy be provided to the Human Resources Department, the employee's present supervisor and the supervisor responsible for the job posting in order to be considered/interviewed for the job. Forms are available on the TCSS Intranet.
- 3) In an effort to protect the educational interest of students and established schedules, voluntary transfers requested for consideration by tenured certified employees may only be made for next school year postings that close on or before June 30th.

Classified Employees:

- 1) The employee, with the exception of CNP employees and bus drivers/bus paraeducators, must have nonprobationary status under the Students First Act to request to a voluntary transfer.
- 2) A transfer request form must be completed and a copy be provided to the Human Resources Department, the employee's present supervisor and the supervisor responsible for the job posting in order to be considered/interviewed for the job. Forms are available on the TCSS Intranet.
- 3) Classified personnel, with the exception of CNP employees and bus drivers/bus paraeducators, may only be considered for voluntary transfers for postings that close on or before July 15th.

If a grandfathered employee seeks a transfer on his or her own volition and is approved for a transfer by the system, that employee would move to the salary specified in this document. A voluntary move from one type of position to another is regarded as an individual volition transfer; the grandfathered employee would move to this salary schedule (e.g., an assistant principal at Matthews Elementary who applies for and is appointed principal at Crestmont Elementary would move to this salary schedule).

In instances in which classified employees apply and are selected for a position that entails movement from a higher salary schedule to a lower salary schedule, said employees shall be moved to the lower salary schedule at the step closest to their actual years of experience in their current School System job position.

YEARS OF EXPERIENCE

Under normal circumstances, experience is defined as the number of years of service in a particular position, job, or classification within the Tuscaloosa County School System, not the total years of service (e.g., a person with four years of experience as assistant principal at Northside High and one year of service as principal at Buhl Elementary would have five years of administrative experience, a school secretary with four years of experience as school secretary at Hillcrest High and one year as school aide

at Holt High would have only four years of experience). The same rule applies to a carpenter assistant moving to a carpenter skilled position. No experience will be given for the assistant position.

For employees who are promoted to central office positions, initial placement on the salary schedule shall be based upon the following:

1. An administrator coming into a central office Coordinator position will be given experience at step 4 on the salary schedule or based upon that administrative experience attained from the local school, whichever is greater.
2. An administrator coming into a central office Director position will be given experience at step 4 on the salary schedule or based upon that administrative experience attained from the local school, whichever is greater.
3. The Superintendent may place a new principal or central office administrator at a higher step on the salary schedule in order to assure that the incoming salary reflects an increase from an administrator's previous administrative position, based upon Board approval.

The number of years of acceptable experience for **initial** placement on the salary schedule for certified personnel shall be determined and agreed upon prior to employment. Job applicants must provide verification of all past job-related experience from their former employers, prior to placement on a personnel report. The determination of such credit shall be based on the following criteria:

1. Full-time teaching/administrative experience in all Kindergarten through post-secondary public schools (elementary, secondary, and post-secondary public college), in or out of state, shall be approved as credit for placement on the salary schedule.
2. Military service shall not be considered for placement on the salary schedule prior to employment; however, employees returning from a military leave of absence will be given credit for years of service.
3. In determining experience for placement on the salary schedule, credit shall be given for full years of experience only. A full year of experience will be granted to an employee who worked a complete semester plus at least one day of the previous or following semester of an academic school year.

Under normal circumstances, the number of years of acceptable experience for initial placement on the salary schedule for non-certified personnel shall be determined and agreed upon prior to employment. For employment outside the System that is gained in the exact (no exceptions) employment position for which the job applicant seeks employment in the School System (i.e., secretarial experience applicable only to a secretarial position; bookkeeper experience applicable only to a bookkeeping position; bus driver experience applicable only to a bus driver position; custodial experience applicable only to a custodial position, etc.) some credit for experience may be given. The Tuscaloosa County School system, through the Office of the Senior Director of Human Resources, shall have sole responsibility for the determination of exactly what skills, etc., are exact and the amount of experience to be credited based upon the documentation provided. Work experience for classified employees outside the System will not be credited above the fourth experience level. However, an employee may be credited above the fourth experience level with a recommendation by the Superintendent and approval of the Board.

ENROLLMENT

For those position salary schedules, the enrollment size used will be the average daily membership school enrollment at the end of the first 20-day attendance reporting period (nearest to the October 1 fiscal year). For pay purposes, raises or adjustments should be made October 1 of the current year.

Employees (9 Month) (187 Days)

Library Media Specialist, Instructional Coach/Partner, Elementary Counselor, Behavior Specialist, Psychometrist/Psychologist, ESL Specialist, and Social Worker's annual salary is calculated from the Teacher's Salary Schedule.

Employees (10 Month) (207 Days)

Secondary Counselor's and Career Coach annual salary are calculated from the Teacher's Salary Schedule by dividing the appropriate contract amount by 187 and then multiplying by 207.

Employees (12 Month) (245 Days)

Psychometrist/Psychologist's annual salary is calculated from the Teacher's Salary Schedule by dividing the appropriate contract amount by 187 and then multiplying by 245.

Employees who are paid based upon the Teacher's Salary Schedule are considered exempt employees for wage and hour purposes.

JROTC Instructors

The JROTC Instructor's salary is the greater of two (2) times the federal salary reimbursement or the appropriate contract amount from the Teacher's Salary Schedule based on the JROTC Instructor's degrees and recognized years of teaching experience. An increase in either the Teacher's Salary Schedule or the federal salary reimbursement requires a new calculation that could result in a change of salary. The salary increases only when the higher of the two calculated numbers increases. Because of changes in the Army's salary reimbursement, Commissioned JROTC Instructors hired after October 1, 2016 will receive a 12-month contract while Non-Commissioned JROTC Instructors hired after October 1, 2016 will receive a 10-month contract.

PRINCIPALS

BASE SALARY- PRINCIPALS

The principal must have a Class A (Master's level) certificate in administration or educational leadership to qualify for the base salary. The base salary is computed by multiplying the daily rate of pay of a teacher with a Class A (Master's) certificate and 15 years experience by 187 days. The product should then be multiplied by a difficulty factor of 1.70 for high and unit schools, 1.60 for middle schools, and 1.50 for elementary and intermediate schools.

$$\begin{aligned} \text{EXAMPLE: } \$334.77 \times 187 &= \$62,601.99 \\ \$62,601.99 \times 1.70 &= \$106,423.38 \text{ Annually} \\ &= \$8,868.62 \text{ Monthly} \end{aligned}$$

BASE SALARY - ASSISTANT PRINCIPALS

The assistant principal must have a Class A (Master's level) certificate in administration or educational leadership to qualify for the base salary. The base salary is set at 86% of the principal's schedule based on the degree level of the assistant principal.

$$\begin{aligned} \text{12 MONTH EXAMPLE: } \$106,423.38 \times .86 &= \$91,524.11 \text{ (12 Months)} \\ \$91,524.11 \div 12 &= \$7,627.01 \text{ (Monthly)} \end{aligned}$$

$$\begin{aligned} \text{10 MONTH EXAMPLE: } \$106,423.38 \times .86 &= \$91,524.11 \text{ (12 Months)} \\ \$91,524.11 \div 245 \text{ days} &= \$373.57 \text{ (Daily Rate)} \\ \$373.57 \times 207 \text{ days} &= \$77,328.99 \text{ (12 Months)} \\ \$77,328.99 \div 12 &= \$6,444.08 \text{ (Monthly)} \end{aligned}$$

ENROLLMENT

An adjustment in salary is made for the size of the school administered; an additional \$1,840.23 annually is given with each categorical increase in enrollment.

For position salary schedules, the enrollment used will be the school enrollment at the end of the first 20 day attendance reporting period of the current year. For pay purposes, raises or adjustments shall be made effective beginning on October 1 of the current year, based on the prior years' Average Daily Membership (ADM).

NOTES

- ◆ CNP workers work a six-and-a-half hour day (32.5 hours a week), including a paid lunch. Salaries are computed on the following basis: 187 days = 1 contract year. For most contracts, the annual salary is divided into 12 equal pay periods. All CNP employees will be granted the same holidays as 9-month teaching personnel. CNP Managers and Assistant Managers work an eight (8) hour day.
- ◆ Allocation of food service positions are generally based upon Meals served Per Labor Hour (MPLH) calculated in accordance with guidelines issued by the Alabama Department of Education. MPLH is a common measurement of performance, productivity and efficiency in a district's Child Nutrition Program. The CNP Director will make determinations concerning the number of workers assigned to each school using student enrollment and the MPLH calculation as a guide. The CNP Director will also determine whether an Assistant Manager position should be assigned.
- ◆ All CNP Employees are eligible to receive a \$500 annual supplement upon successful completion of ServSafe certification. ServSafe certification is valid for five years. CNP Managers and CNP Assistant Managers are required to acquire and maintain ServSafe certification as an essential function of their position.
- ◆ The School Nutrition Association Certification Program (SNA) is recognized as a leader in the child nutrition industry. The SNA Certificate Program encourages school nutrition employees to increase their nutrition knowledge, develop the skills of food safety, and to create a healthy school environment.

The SNA program focuses on four key areas : 1) nutrition, 2) operations, 3) administration, and 4) communications and marketing. Members earn qualifying units by attending workshops, logging in to webinars, taking online classes, and participating in Back to School workshops.

There are four levels of SNA certification. Each level holds a required number of continuing education hours to maintain certification. There is an annual membership fee and an additional certification fee. To review the requirements for each level of certification and download the application form, please visit the School Nutrition Association website at schoolnutrition.org and go to the "Certificate and Credentialing" tab.

TEMPORARY/PART-TIME EMPLOYEES

Based upon the needs of the school system and local schools, the TCSS may employ temporary and/or part-time individuals. As a part-time/temporary employee, the employee is generally not eligible to participate in any fringe benefits, retirement program, or other benefits associated with permanent, regular employment. Additionally, part-time/temporary status does not entitle the individual to any special consideration for permanent or full-time employment.

SUPPLEMENTS

All supplements included in this salary schedule are for one year only, approved by the board annually, and are not included when base salary is computed. The principal or supervisor must recommend a particular employee for a specific supplement each school year. In addition to the supplements listed in this salary schedule, the Central Office and local schools may enter into supplemental contract agreements for other supplemental duties. No continuing service status in the supplemental position is implied or should be assumed by the individual receiving a supplement. A supplemental contract is required for all TCSS and school supplements requiring board approval.

The Board authorizes each local school principal to provide up to \$125 per person, per event in supplemental pay for **certified** employees who work events such as ticket collection for athletic events, detention, and other school-specific after-hours activities. These supplements do not need any additional board approval. Any supplemental pay shall be paid using local school funds and shall be reflected on the monthly principals' service reports. The principal is **required** to maintain written documentation at the local school to support any additional supplemental pay under this provision. Classified employees may not be paid a lump sum or "fixed" monthly amount for any supplemental assignment. Classified employees will be compensated for supplemental duties at their hourly rate of pay, including any overtime.

All supplements, whether paid for by the Central Office or by a local school, are just that – supplemental contracts. An employee cannot earn a supplement during the course of the day while contracted for his/her primary position with the school system. An employee is expected to perform the majority of work on supplemental duties during his/her lunch, prep period, before or after school, or during the summer.

If, at any time during the dates of a supplemental assignment, the principal or supervisor determines it to be in the best interest of the TCSS for an employee's supplemental employment to be terminated, they may recommend the Superintendent terminate the supplemental assignment. If the Superintendent agrees with this decision, the Superintendent will provide the employee written notice of his/her decision and the supplemental contract and any further supplemental salary not already earned shall end. This also applies to transfers, resignations from supplemental assignments or termination of employment from the TCSS for any reason. If an employee is terminated or resigns from a supplemental position or the TCSS, the TCSS is authorized to recoup from the employee's pay, all sums paid but not earned, as the circumstances require (e.g. extended days for summer workouts, band, etc.). See the appendix to the Salary Schedule for specific supplemental responsibilities. If supplemental duties cannot be performed by the employee because of a full or partial cancellation of a season or school term, supplements will be stopped or reduced accordingly.

Academic supplements require practice and participation in at least two competitions.

Enrichment supplements are based upon a school's individual needs (e.g., robotics, archery, Battle of the Books, etc). Written justification from the principal required.

*See the Appendix for specific supplemental position responsibilities

**Unless specifically noted, extended days are not earned until the season concludes

NOTES

- ◆ To receive the full supplement, the athletic team must meet the minimum season requirement as established by the AHSAA (Alabama High School Athletic Association).
- ◆ A coach may receive more than one extended contract provided that the extended days (seasons) do not overlap. For example, a head football coach (30 days) could not receive another extended day contract for coaching another sport. However, an assistant football coach (10 days) could also receive an extended contract as the head baseball coach (10 days).
- ◆ All supplements and extended contracts will be prorated accordingly with resignations and terminations before the end of the contract year regardless of when an athletic season or other obligation required by the supplement ends. Extended day contracts are considered to be a twelve (12) month season for salary purposes, but if an employee resigns prior to completing the supplemental assignment, the employee must repay any supplemental pay received for extended days that had not been earned. Similarly, an employee who resigns a supplemental position prior to the start of the season must repay any supplemental received prior to the start of AHSAA-designated practice and season schedules.
- ◆ One coach should not earn two supplements during the same season except within the same sport (except for football).
- ◆ Specific supplemental positions have job duties included in the Appendix of this Salary Schedule. These duties are subject to change.

GRASS CUTTING – ATHLETIC AND BAND FIELDS*

(SCHOOLS WILL PAY ½ THE COST OF GRASS CUTTING SUPPLEMENTS)

*To receive the grass cutting supplement, the employee must maintain the actual field as well as the surrounding perimeter (e.g., a reasonable area outside of fence as determined by the school principal).
